

THE DAILY EXAMINER. JUNE 22, 1892.

Imperial Federation

This question is, just now, receiving a great deal of attention in Great Britain, in Australia, in Canada, and elsewhere throughout the British Empire.

Under these circumstances it is very desirable that we should become as thoroughly informed as possible concerning it.

We hope, therefore, that our leading public men will arrange for a public meeting and thus improve the opportunity to gain information upon a question which is beginning to agitate the people of our great Empire.

Notes and Comments.

Professor Shaw's letter, with the enclosure indicates that our farmers might profitably devote their time and attention to the breeding and fattening of lambs for the English market.

It is stated that Lord Charles Bessborough, Commodore of the British cruiser Undaunted, of the Mediterranean squadron, intends to again enter political life upon the expiration of his detail to the Undaunted.

Personal

At an entertainment in connection with the closing exercises of the Halifax Ladies' College, Tennyson's Princess was enacted, the part of the Princess being taken by Miss Emily McLean, daughter of T. A. McLean, Esq., of this city.

The Minister of the Interior was gratified a few days ago by the receipt of the following resolution, unanimously passed by the Eastern Assinibois Central Liberal Conservative Association at its recent meeting at Moosomin:

That the Eastern Assinibois Central Liberal Conservative Association beg to acknowledge their appreciation of the efficient services rendered by the Hon. Edgar Dewdney, the respected representative of the district, in the discharge of the various duties devolving upon him as Minister of the Interior, and that we hereby express our entire confidence in his real and ability to promote the best interests of the Northwest Territories.

St. Dunstan's College.

The commencement exercises yesterday afternoon were attended by a large number of ladies and gentlemen, including Judge Reddin and Mrs. Reddin, the Superintendent of Education and Mrs. McLeod, Dr. Anderson, Principal of Prince of Wales College and Normal School, Dr. Conroy, Mrs. Conroy and Miss Conroy, Mrs. Blake, Mr. McLennan, editor of the Herald, Mr. McPhail and many others besides Rev. D. Monsignor McDonald, D. F. McDonald, Ronald McDonald, James Eneas McDonald, John McDonald and other Macdonalds, Rev. Dr. Doyle and others of the clergy.

After the exercises the students were briefly addressed by the Rector, who referred to the general good conduct of the students in the past year, and the character of the prizes awarded to the prize winners and encouraged those who were not prize winners to persevere and strive for the prizes of life in future years; and by the Superintendent of Education, who shortly but forcibly pressed upon all the importance of building up a good character upon the grounds of reason, conscience and Christianity.

It was Mrs. John Murphy, of this city, who gave the prize of \$5 in gold to the student making the highest number of marks—not less than 80, J. Murphy, as inadvertently stated yesterday.

Canadian Lambs in England.

SIR,—I take the liberty of forwarding to you for publication a copy of a letter given below from Alderman Frankland to Mr. J. E. Story, our farm foreman, who took the lambs referred to in Montreal and put them on board ship en route for England.

We are losing heavily with our Canadian bullocks this season, as the United States are sending their cattle by thousands.

The full particulars will be given in due time in reference to the whole transaction from the time the lambs were purchased until they were sold in England.

Ontario Agriculture College. THOS. SHAW.

No Pumps.

SIR,—As a rule, says THE EXAMINER of a recent date, "the pumps throughout the city are well looked after, but there are a few that would be the better of a little attention at the hands of the proper person."

PURE WATER.

THANKS.—Donations for the prize list of Queen Square School have been received from Rev. Messrs. Reid and McAulay, Mrs. J. A. D. McLeod, Mr. Handrahan, of the School Board, Mr. John A. King, Mr. T. L. Chappelle, Mrs. R. Reddin, Mrs. Jennings, Mrs. Ryan, Mrs. McCourt, Mrs. Carragher, Mrs. B. Smith, Mrs. P. P. Gillis, to whom the teachers of the school are very thankful.
