FARMER WIVES:—The reading of essays by the ladies is one of the exercises which give life and interest to the meetings of the Springfield (Vt) Farmers' Club.

Did you ever think of the amount of thought requisite to plan three meals a day for three hundred and sixty-five days in succession? To prepare enough and not too much, and for those living at a distance from the village, to remember that the stock of flour, sugar, tea, etc., etc., is replenished in due time?

Back Literature.

The first time Jerrold saw a celebrated song-writer, the latter said to him: "Youngster, have you sufficient confidence in me to lend me a guinea?"

An old clergyman, advising the young shepherds of the church as to the best way of keeping, and serving, and saving their flocks, told them, "Get the good will of your lambs, and they will manage the old rams, ewes and weathers."

Josh Billings says: "I always advise short sermons, especially on a hot Sunday. If a man can strike me in boring forty minutes, he has either got a poor gimblet, or he is boring in the wrong place."

"You want nothing, do you?" said Pat, "Bedad, an' if it's nothing you want you'll find it in the jug where the whiskey was."

Josh Billings says: "Give the devil his due," reads well enough in a proverb; but my friend what will become of me and you if this arrangement is carried out."

If, as the poet says, "beauty draws us with a single hair," what, oh, what must be the effect of a waterfall?

A thirty young man got married to a rosy young Irish girl, quite to the horror of his mother and sisters, but defended himself by the following logic: "If I marry an American girl I must have an Irish girl to take care of her; and I cannot afford to keep both."

"I wish I had your head," said a lady one day to a gentleman, who had solved for her a knotty point.

"And I wish I had your heart," was the reply.

"Well," said she, "since your head and my heart can agree, I do not see why they should not go into partnership."

A good story is told of a reply made by Judge Poland to an enquiry as to the reasons which caused the Vermonters to send Morrill to the Senate and remove the Judge to the House.

"Well," said the Senator, "I suppose they thought that the Senate wanted more wool and the House more law."

Wanted, the receipt which is given when a gentleman "pays his respects."

Sidney Smith being ill, his physicians advised him to "take a walk upon an empty stomach."

"Upon whose?" said he.

Farmer Gookings was impatiently waiting for his son to pass the mug, when the young hopeful said to him: "Father, this cider is so hard, I can't bite it off."

An old lady refused to let her niece dance with a young graduate, because she heard that he was a bachelor of arts, whereby, she understood that he was an artful bachelor.

A lawyer engaged in a case, tormented a witness so much with questions, that the poor fellow at last cried for water.

"There," said the judge, "I thought you'd pump him dry."

Nine hundred and eighty-nine love-letters were produced in evidence in a recent breach of promise case in Liverpool, England.

New Triumphs of Rogers' Medicines.

Run your eye over them and tell your afflicted neighbour about it. Montreal, August 17, 1865.

Messrs. ROGERS & Co.:—Gentlemen—Your medicines have cured my wife of a Cancer of the Breast. It had existed about nine months before she began with your medicines, grew rapidly, accompanied by darting pains. No doubt would soon have gone beyond cure; but by a few months application of your medicine, she has got entirely well. Your preparations are invaluable, and without hesitation I recommend them to the afflicted.

Yours truly, ALEXANDER GILLIS. WESTMORLAND, N. B., August 28, 1865.

Messrs ROGERS & Co.:—Gentlemen—I with much pleasure add my feeble testimony to the great healing powers of your wonderful Medicines. One of my children was sorely afflicted as follows: there first appeared blotches over her body like ringworms; they spread all over her body, limbs, head and all. She continued in this way for three months. She was really a pitiful sight. The sores at the end of three months all disappeared, and she became very sick, and so low that no person who saw her thought she would live many hours, and the general opinion was that there was no use to try to do anything for her. We heard of your medicines and got some, and applied it. The sores again came out as before; but she soon got well, and is now smart and cheerful. Mrs. L. and I can say of a truth, this is a wonderful medicine.

Yours truly, ALFRED LAWRISON. AMHERST Oct. 1st, 1865.

Messrs Rogers & Co.:—Gentlemen—I have been for some time perfectly satisfied as to the extraordinary virtue of your medicine, but until recently have not had any occasion for the use of them. About three months ago, a member of my family was taken down with the acute rheumatism. I immediately applied the use of your medicine. The result is a complete cure is effected. I am 63 years of age, and have been a great deal in sickness during my life; have seen many cases of acute rheumatism, some of which have resulted in lameness for life, but have never seen so speedy and a hopeful recovery.

With the most anxious desire that the above medicines may have a world-wide circulation, I am yours respectfully, AMOS PACE.

CHILDREN TEETHING

MRS. WINSLOW, An experienced Nurse and Female Physician, presents to the attention of mothers, her

SOOTHING SYRUP,

FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS Depend upon it, mothers, it will give rest to yourselves, and Relief and Health to your Infants.

We have put up and sold this article for over thirty years, and can say, in confidence and truth of it, that we have never been troubled to say of any other medicine—never has it failed in a single instance, to effect a cure, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this manner "what we do know," after thirty years' experience, and pledge our reputation for the fulfillment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most experienced and skillful nurses in New England, and has been used with never failing success in thousands of cases, and but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve GRIPING IN THE BOWELS, AND WIND COLIC, and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest remedy in the world, in all cases of Dysentery and Diarrhoea in Children, whether it arises from teething, or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your prejudices, nor the prejudices of others, stand between you and the relief of your child, and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None Genuine unless the face-smile of CURTIS & PERKINS, New York, is on the outside wrapper.

Sold by Druggists throughout the world. Principal office, No. 48 Dey Street, N. Y. Price, only 25 Cents per Bottle.

Look Here. J. B. FITCH'S GOLDEN OINTMENT is J. used for all complaints, that skin, flesh, bones and muscles are afflicted with; with wonderful success. Try it.
