

Barbara Brent's BUYS WHY'S

MONTREAL, March 9th—Fool your public beautifully with hands that have that "lady of leisure look" even though they've been housecleaning all day! There's never a sign of the busy life they lead if you keep them lovely with **JERGENS LOTION!** All you do — after every watery chore — smoo-ooth on Jergens Lotion. It's such an easy habit and so wonderfully rewarding!

I Think It's A Shame the way so many household products give such good service that they almost give their good name away. **FRIGIDAIRE REFRIGERATORS** are an example of what I mean. They have served homemakers so well for more than a quarter century that many people now speak of any make of electric refrigerator as a "Frigidaire". Actually, of course, there is only one make of Frigidaire refrigerator, just as there is only one make of Chevrolet car. "Frigidaire", like "Chevrolet", is the name of a product made by General Motors. The only refrigerator in Canada that is a "Frigidaire" is the refrigerator manufactured by General Motors' Leside, Ontario, plant: Frigidaire Products of Canada, Limited.

Your Calendar Never Lies and if you'll look at it now, it will tell you that summertime isn't so far around the corner! And summertime is vacation-time! Fun, isn't it, to dream about a sunny holiday when your body except your wish-bone? Well, now's the time to do something about it! You can still save ample money to put yourself aboard that holiday express if you rush right down to the **BANK OF MONTREAL** and open a **Sunshine Account!** The friendly, helpful staff of the B of M will be glad to explain how a small amount saved regularly under this plan can give you your dream-vacation! Why not do a very happy holiday-maker do? — make a B of M **Sunshine Account** your magic carpet to a really sunny vacation!

What Makes A Happy Husband? Of course, it depends on the husband—but there's one thing that always makes a man happy—and that's good food! The happy chefs are well aware of this, being food-lovers themselves... that's why they've taken pains to make **HEINZ OVEN-BAKED BEANS**—all four varieties—the best your man has ever tasted! **Heinz Oven-Baked Beans in Tomato Sauce**, **Heinz Oven-Baked Beans with Pork and Tomato Sauce**—Heinz Red Kidney Beans and Heinz Beans prepared with Molasses Sauce and Pork—**Boston Style**. They're all so good and so easy to prepare... they're just the thing to appeal to the appetite of a hungry, home-from-work husband!

The Loveliest Women have beauty secrets that keep them attractive all their lives, yet take up very little of their precious time. Here's one way to look your loveliest — always... Use a powder that gives the smooth look of a fashion model without any extra fuss in applying! It's **THE NEW WOODBURY POWDER**... wonderfully flattering—and yet it doesn't give that powdery look! Woodbury Powder contains a secret ingredient that gives a smooth-as-satin finish to your skin. It covers little skin flaws that make the powder cling and cling! And the most flattering shades imaginable! Seven glorious shades to choose from! Prices—in two convenient box sizes and one "purse" size... 65c, 37c, 19c.

A Festive Frosting can turn even a "plain Jane" cake into a handsome beauty. And for gorgeous cakes, it's like **BAKER'S UNSWEETENED CHOCOLATE**. The full, rich chocolate flavour and velvet smoothness of Baker's Chocolate does wonderful things to a frosting—in fact, all your chocolate cookery. Baker's is all pure chocolate, with nothing added and nothing taken away. Try adding 2 or 3 squares of Baker's Unsweetened Chocolate, melted and cooled, to your Seven-Minute Frosting just before spreading. It's a delicious topping and one I know the family will enjoy.

Slavery March Mornings call for specially delicious breakfasts to start your husband happily off to work! That's why I suggest good 5 Minute "CREAM OF WHEAT" that cooks to delicious digestibility in just five minutes of boiling. M-m-mum! It's so good and so good for you—for it provides Iron, Calcium and Phosphorus for diets deficient in these elements—and for less than 1 cent a bowl! Ask your grocer for 5 Minute "Cream of Wheat" next time you go shopping... and you'll soon discover why so many families enjoy that early-morning "Cream of Wheat" habit!

BARNs ARE BETTER There is more art, he said in a recent address, in the painting of Quebec barns than in many of the insipidly sentimental and timidly-imitative still-life and landscape paintings that are often exhibited.
