POLICE COURT.—This morning, Michael Hennessey, truckman, for assault and battery on Lizzie Smith, was fined \$4 or 20 days. He paid the fine.

ANOTHER CALENDAR.—The Canada Printing Ink Co. of Toronto, has issued a handsome calendar for the present year, a copy of which has been received by THE EXAMINER.

BE SURE and attend the concert in the Lyceum on Wednesday night, in aid of the poor. Doors open at 7:30, concert at 8. Tickets 15 cents, reserved seats, 25 cents. Tickets for sale at Reid's Drugstore.

MORE OFFICERS.—A law clerk and two assistant clerks are to be added to the staff of the New Brunswick Legislature. Their pay will, it is said, amount to about \$1,600 for the session, or about one-third of the pay of the late Legislative Council.

ANOTHER SUMMONS.—A summons for violating the Liquor Regulation Act was today served on Mary McKwen. The charge is that Mary sold intoxicants in her saloon at the head of Powell Street, between the hours of six o'clock, p. m., on Saturday, 18th inst., and seven, a. m., on Monday, the 20th inst. The summons is returnable to-morrow.

SKATING RACES.—At the National Amateur championship skating races at Red Bank, N. J., on Thursday last, Joe Dunaghy was beaten in the three events in which he competed, viz, the quarter mile, mile and five miles races. Mosher won the quarter mile, Rudd the half mile, and Johnson, of bicycle fame, both the five and ten-mile events.

HEAVY WEATHER.—The oil-tank steamer Chester, twenty days from Rotterdam, for New York, put into Halifax on the 16th with machinery and propeller disabled. Very heavy weather was experienced crossing the ocean. The seas ran higher than ever before witnessed, and gales of sudden violence succeeded one another for several days. The Chester is also short of coal.

ELECTRIC CAR ACCIDENT.—A terrible electric car fatality occurred on Yonge Street, Toronto, on Wednesday morning. While Daniel Kierstead, a man and man employed in a front street wholesale house, was going to work at eight o'clock, he attempted to cross the track before the approaching motor, and was knocked down and struck on the forehead, crushing his forehead.

GOLDEN JUBILEE.—Yesterday in all the Roman Catholic Churches throughout this diocese, a Solemn Te Deum was sung in commemoration of the Golden Jubilee of the Episcopate of His Holiness Pope Leo XIII. In St. Dunstan's Cathedral, previous to the singing of the Te Deum, an able sermon, dealing with the life and good works of His Holiness was delivered by Rev. J. C. McMillan, D. D., and the Paps! Benediction was imparted by His Lordship Bishop Macdonald.

REMEMBER THE POOR.—The concert to be given in the Lyceum on Wednesday evening next should be largely attended. The concert will be under the auspices of the choir of St. Dunstan's Cathedral, and the money realized thereat will go towards the relief of the poor of the city, and there are many such persons in our midst at the present time. The choir will have the assistance of some of the best talent in the city on the occasion. The programme which has been made ready is an excellent one and cannot fail to be well received.

MEETINGS LAST NIGHT.—There was a large attendance at the union meeting in St. Paul's schoolroom. An able address was made by Rev. W. C. Matthews. The second meeting was led by Rev. W. W. Brewer. Great interest was taken in the proceedings.

The overflow meeting in Zion Church was also well attended. Rev. D. Sutherland delivered an able sermon. Similar meetings will be held in the church each evening this week.

HIGHWAY ROBBERY.—A Halifax despatch says Charles W. Ward, contractor, while crossing the common on Thursday morning about ten o'clock, was assaulted by two men. He was knocked senseless and robbed of fifty dollars. The assault was so unexpected that Mr. Ward took little notice of his assailants and can give but a poor description of them. Such a daring robbery in broad daylight, and in such a public place has caused a sensation in the community. The police are investigating.

KILLED IN SAVING HIS CHILD.—Thomas McCollum, son of John McCollum, North River, was engaged in shovelling snow from the points when he observed his little child on the track in front of the incoming Mulgrave freight. He ran and snatched his child from the jaws of death, but was himself struck and terribly cut and bruised about the head. The child was thrown into the culvert and rendered insensible by the shock, but is not believed to be seriously injured. McCollum died early next morning.—Truro News.

THE MOON.—The moon will make amends for getting full twice last month, by not getting full at all this month. That is perhaps the humorous aspect, but there is a more interesting one in the fact that a month without a full moon only happens once in about 20 years. The irregularity is not in the moon's habits, for they are of the greatest regularity. It is the irregularities of the calendar that place Luns in this false position. The interval between full moons is always 29 and a half days, so that February is the only month that possibly can be without a full moon, and that only when when the preceding full moon comes on the 30th or 31st of January. The last full moon was on Jan 31, and the moon will not be full again until March 9, and again on the 31st. After that once a month till the end of the year.—Ex.

BITTEN BY A DOG.—A young child of Peter J. Morris, of Pugwash River, N. S., was very badly bitten in the face on Wednesday by a dog. The dog was in the woods with Mr. Morris and when he came home he left the dog in the porch. The child went in where the dog was and it is supposed was trying to put him out when he seized the child by the cheek tearing it in a dreadful manner, and it was with difficulty he was taken off the child.

Y. M. C. A. NOTES.—The young men's meeting in the Y. M. C. A. rooms has grown to such proportions that the management are compelled to arrange for larger quarters. Yesterday more than 110 were present, and apparently enjoyed the proceedings. Next Sunday something new in the shape of a praise service will be inaugurated, of which more will be said later in the week. Those interested in the formation of a mock parliament will meet in the rooms to-morrow night at 8 o'clock, to take such steps as may be there decided upon. Principal Miller's book-keeping class will be held on Thursday night, instead of Saturday, as before announced.

This change is made in order to accommodate a number of young men working in the streets, who cannot get away on Saturday evenings. Such of these and any others who have not yet joined, but desire to do so, are requested to confer with the General-Secretary.
