Campus Police 16 - City Police 4
On Monday night, April 1st, the Campus Police displayed a great show of hockey by completely dominating the city squad.

This was the final game of a three game series and the final game of the year for both teams. It is always nice to end something on a winning note as the CP team did.

Victory was made much sweeter as the CPs became the first winner of the Bernard Mulally Memorial Trophy. The trophy was donated by C.U.P.E. Local 501, Mrs. Darlene Mulally presented the trophy to the winning CP team at the end of the game.

The series was well played and was the first here on the

campus. It took a total team effort to defeat the city team as they had previously beaten the RCMP team in the annual Easter Seal game.

Next year the trophy is up for grabs again. Coach Dave MacAulay had predicted a landslide victory for the CP team and as you can see his prediction was wholly true. The trophy is on display in the security office.

We would like to thank Vince Mulligan for it was his time and effort that made the series possible. We would also like to thank C.U.P.E. 501, Darlene Mulally and those fans who did support us and we hope that next year will see more people getting interested as it is free entertainment.

Members of the CP team are as follows:
Defense; Greg Robinson, Rennie Kermath, Frank Butler, Peter MacGregor, Reg Flannagan and Ted Crockett.

Forwards; Al Dowling, Bob Dixon, Len Kelly, Gary Clow, Allan Gillis, John Klub, Mike Read, Joe Lisi, Don Kinsmen and Shane Foley.

Goal; Dave Boyarski
Coach; Dave MacAulay
Manager; Peter Gillis

It was heard that President Gordon Campbell was seen doing push ups in the football field. Maybe participation is expanding or else it's a Pig & Whistle result.

With Miami Dolphins losing their team to WFL and the NHL playoffs coming up and last but not least, Hank Arron

equalling Babe Ruth's home run record there should be exciting times in sports coming up.

On behalf of Mickey Place we hope to see you in print next year and thank you for reading this section of the Cadre. I would like to at this time thank Mickey for his time and dedication to Jock Talk and for his humorous quotes.

BULLETIN:
The Business Ball Hockey Team has won the Ball Hockey Tournament. This team wasn't exactly a favourite but came through with a 7-4 victory in the championship game.

ATHLETIC AWARDS
On Thursday, April 4, 1974 the Athletic Department held their annual awards night. It was set up differently this year as with no formal banquet, it was more on the casual side.

We would like to congratulate Rosemary King and Bill Weatherfor for their selection as female and male athletes of the year.

I won't go into detail about all the awards but I think there is one that can't go unmentioned -- that is the "Horse's Ass Award". Duke or Big Earl seemed to be a natural selection for this -- I wonder why? Could it be that there is such a close resemblance?!

Finally congratulations to all those athletes who received awards and to those who did not. We thank all the athletes for a full year of excitement and thrills. It was a year of happy times and sad moments but I think all students benefited.
