MRS. WINSLOW,

An experienced Nurse and Female Physician, pre-
sents to the attention of mothers her

Soothing Syrup,

FOR CHILDREN TEETHING.

which greatly facilitates the process of teething, by
softening the gums, reducing all inflammation—
will allay all pain and spasmodic action, and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to
yourselves, and

Relief and Health to your Infants.

We have put up and sold this article for over
thirty years, and can say, in confidence and
truth of it, what we have never been able to say
of any other medicine—never has it failed,
in a single instance, to effect a cure, when
timely used. Never did we know an instance of
dissatisfaction by any one who used it; on the con-
trary, all are delighted with its operations, and
speak in terms of highest commendation of its magi-
cal effects and medical virtues. We speak in this
matter "what we do know," after thirty years'
experience, and pledge our reputation for
the fulfilment of what we here declare.

In almost every instance where the infant is suffer-
ing from pain and exhaustion, relief will be found
in fifteen or twenty minutes after the syrup is
administered.

This valuable preparation is the prescription of
one of the most experienced and skillful nurses
in New England, and has been used with never-
failing success in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invig-
orates the stomach and bowels, corrects acidity,
and gives tone and energy to the whole system. It
will almost instantly relieve

GRIPING IN THE BOWELS, AND
WIND COLIC.

and overcomes convulsions, which, if not speedily
remedied, end in death. We believe it the best
and surest remedy in the world, in all cases
of Dysentery and Diarrhea in Children,
whether it arises from teething, or from any other
cause. We would say to every mother who has a
child suffering from any of the foregoing complaints
—do not let your prejudices, nor the prej-
udices of others, stand between your suffering
child and the relief that will be sure—yes, abso-
lutely sure—to follow the use of this medicine, if
timely used. Full directions for using will accom-
pany each bottle. None genuine unless the fac-
simile of CURTIS & PERKINS, New York,
is on the outside wrapper.

Sold by Druggists throughout the world.

Principal Office, No. 48, Dey Street, N. Y.

Price only 35 Cents per Bottle.

Oct. 9, 1865.

A Slight Cold,

Cough, Hoarseness
or Sore Throat,
which might be checked
with a simple remedy,
if neglected, often terminates seriously.

Few are aware of the importance of
stopping a Cough or Slight
Cold in its first stage; that which
in the beginning would yield to a
mild remedy, if not attended to, soon
attacks the lungs.

Brown's Bronchial Troches
were first introduced eleven years ago.

It has been proved that they are the
best article before the public for
Coughs, Colds, Bronchitis,
Asthma, Catarrh, the Hoarsening
Cough in Consumption, and
numerous affections of the Throat,
giving immediate relief.

Public Speakers & Singers
will find them effectual for clearing
and strengthening the voice.

Sold by all Druggists and Dealers
in Medicine, at 25 cents per box.
