There are exchanges to Australia, Florida, New Mexico, Ohio, Pennsylvania, and West Virginia. If you are interested, stop by Student Development and see the Student Exchange Advisor, Lynette Barrett. Office Hours are: Monday 9-10:30, Wednesday 9-1, Thursday 10-2:30.

VP Committee

Anyone is interested in joining a Vice-President Internal Committee to help out with upcoming campaigns, please call Wendy Venema at 566-0530. One of the major campaigns coming up is Sex, Drugs and Rock & Roll, which will deal with drug and alcohol awareness, as well as sexual awareness. PSS...

Hey you! Yeah you. Are you a political studies major or minor, or are thinking about it, or know someone else who is? Yes, well then listen up.

My name is Yvonne MacKean and I am the Political Studies Society (PSS) President. Funny, you say you have never heard of us.. well that's okay, I won't take to heart. That is why I am writing this. The aim of the society is to get political studies students together to have some fun and possibly learn something (not much, but occasionally something). There is no pressure to do anything but hang out. We are planning to have a couple of get togethers, purchase Society hats and other such things. We welcome any ideas. The executive is as follows: Vice President Peter Clarey, Secretary/Treasurer Ryan McCarville, and Department Representative Matt MacFarlane. What we need is you!!!!!!

Posters will be up soon and profs will be notified of meeting times. If you missed the first meeting, and want to become involved just get in touch with me through email at ymackean. We have also decided to have a student/prof BEACH PARTY Friday Sept 27. We will be meeting in the political studies lounge at 2:30 and then heading to the beach (transportation will be provided). There will be food and fun. Please come out and meet fellow students and profs!!! Hope to see you there. Stay tuned for other developments here and on bulletin boards.

London on the February Break

If you are interested in going to London, England on the February break, please talk to Dr. Shannon Murray (566-0404 or e-mail smurray@upei.ca) before October 2.

We will leave Charlottetown Friday night, February 21, and return on March 1. The cost at the moment is \$1400, including tickets, taxes, hotel for seven nights, transportation to and from the London airport, a week's London transportation pass, and tickets to two plays. The cost may decrease before we have to confirm because of fluctuating airline fares.

Participants are free to explore those aspects of this great city which interest them, with two optional group trips to the new Globe to bury the UPEI Time Capsules (earned at last year's "Bardathon") and to Stratford-upon-Avon.

Deposits of \$250 to reserve seating are due on October 2, with the remainder due January 3. Everyone is welcome!

RUGBY

Just a Man's Sport? No Way!

Rugby is a very rough and physically demanding sport, which may lead some to believe it is a man's sport. Rugby, however, is an excellent way for everybody, man and woman alike, to get into shape, relieve stress and make friends with teammates. UPEI has a rugby club which consists of three teams: two men's teams women's team. The popularity of rugby among women is increasing, shown by a large turnout at this season's first practices. The UPEI rugby teams practice three times a week to brush up on skills and fitness for weekend games. The UPEI rugby club's next home games are on Saturday, September 28, starting at 1:00pm at UPEI. Rugby fans or curious onlookers are welcome, but be warned, the women are just as rough and rowdy as the men!
