AYER'S CHERRY PECTORAL.

FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

AYER'S CHERRY PECTORAL is the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, in your Chest or Throat. Its constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. KEVIN KNIGHT, M. D.

A. B. MORTLEY, Esq. of Utica, N. Y., writes: "I have used your Cherry Pectoral in my family ever since we were first introduced to it, and for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza. BROTHAM AYER: I will cheerfully certify your Cherry Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We do not fear to ratify and certify your skill, and commend your medicine to our people.

AMOS LEE, Esq. of Worcester, Mass., writes, 24 Jan. 1855: "I had a terrible Influenza confined in my chest six weeks; took many medicines without relief; finally tried your Cherry Pectoral, and in a few days I was free from the disease. The first dose relieved the most distressing symptoms, and in less than one half the bottle made me completely well. Your medicine is the cheapest as well as the best we can buy, and we esteem you, Doctor, and your medicine, as the true friend of the poor."

Asthma or Phthisis, and Bronchitis. WEST MANCHESTER, Pa., Feb. 4, 1856. Sir: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and my throat and lungs, which have labored under an affection of the lungs for the last forty years. HENRY L. PARKS, Merchant.

A. A. RAMSAY, M. D., of Ashton, Missouri Co., Iowa, writes, Sept. 4, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable. It is constant use in my practice and my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. KEVIN KNIGHT, M. D."

Consumption. Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

ASTOR HOUSE, New York City, March 6, 1856. Doctor AYER, Lowell: I feel it a duty and a pleasure to inform you that your Cherry Pectoral has done for my wife, the best. She was confined in my throat and lungs, and was suffering from the most distressing symptoms of consumption, from which we had no prospect of recovery. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We beseech his kindness, as we do your skill; for she has recovered from that day. She is now laboring under the most distressing symptoms of consumption, from which we had no prospect of recovery. She is now laboring under the most distressing symptoms of consumption, from which we had no prospect of recovery.

OHANLANDO SHELLEY, of SHELLYVILLE. Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is the best of all the medicinal chemicals in the world, and its cures all around us bespeak the high merits of its virtues. — Philadelphia Ledger.

Ayer's Cathartic Pills.

THE science of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary purgatives, and that they will speedily upon the system of all men. They are pleasant to take, but powerful to cure. Their purgative properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the four humors which breed and grow distemper, stimulate sluggish or diseased organs to their natural action, and impart healthy tone and strength to the whole of the system. They purge out the four humors which breed and grow distemper, stimulate sluggish or diseased organs to their natural action, and impart healthy tone and strength to the whole of the system.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:— Constiveness, Bilious Complaints, Rheumatism, Dropsy, Headache, Neuralgia, Pain in the Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pancreas, Flatulence, Loss of Appetite, all Ulcers and Cutaneous Diseases which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

An Astonishing Remedy.

HOLLOWAY'S OINTMENT.

IT EXPELS DISEASE. It is said that all productions of human skill have their day, and are superseded by new inventions or discoveries. Not so with this remedy. "It is not for a day, but for all time, and in all countries." And why? Because it strikes at the generic root of all diseases in the blood, and medical art can accomplish nothing beyond that. The Ointment, penetrating through flesh and fibre, like water through a porous substance, reaches the germ or disease such as scrofula, erysipelas, cancer, tumor, and all eruptive and ulcerous discharges in the circulation, and eradicates the taint at once and for ever in this climate.

BAD LEGS. This Ointment will cure any case of Bad Leg even if of twenty years standing, or however hard or discoloured the flesh may be, or if swollen the size of a person's body, providing that the Ointment is well rubbed into the whole of the parts effected twice a day in large quantities, and the parts kept covered with linen rags thickly spread with the Ointment; from this mode of treatment, a plentiful discharge of unhealthy humor will follow, until the wounds are all healed on the leg, or other parts as assumes its natural appearance.

OLD WOUNDS, SORES, AND ULCERS. The most inveterate cases of bad legs, scrofulous, or other sores, are cured, if of 20 years standing, by the joint use of the Ointment and Pills. The effect of this unrivalled remedy upon virulent ulcers and sores, is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterwards complete, are safe as well as permanent. It has a wonderful effect in the cure of sores occasioned by moschetoes, sandflies, or giggers.

PILES. This Ointment will cure the worst cases of Piles if used according to the printed directions even if of 20 years standing.

ERUPTION OF THE SKIN. Blisters, pimples, dry eruptions, and all irritations of the skin, fade and disappear after a few applications of Holloway's Ointment. In these cases brisk friction is indispensable. Many of the ordinary eruptions are caused by suppressed perspiration, and as this penetrating unguent at once opens the pores and invigorates the absorbents, it dissipates the inflammation by a double process. Ladies whose faces or arms are disfigured by cutaneous diseases, may readily remove the blemish and restore to the skin its natural tint, flexibility, and softness, by the use of this safe but powerful counterirritant.

Both the Ointment and Pills should be used in the following cases— Bad legs, Chieft-foot, Fistulas, Sore throats, Bad Breasts, Chilblains, Gout, Skin-disease, Burns, Chapped hands, Glandular Swellings, Scoury, Bunions, Corns (Soft), Lumbago, Sore-heads, Bite of Moschetoes and Contracted and Rheumatism, Ulcers, Sand Flies, Stiff Joints, Scalds, Wounds, Coco-bay, Elephantiasis, Sore Nipples, Yaws.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar,) London, and 80, Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are annexed to each Pot.

HEALTH RESTORED

By using Mrs. M. N. Gardner's Indian Balm of Liverwort and Hoarhound. THIS Balm is composed of Liverwort and Hoarhound, combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner, and according strictly to the rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balm that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered. And for the cure of COUGHS, COLDS, WHOOPING COUGH, CROUP, ASTHMA, INFLUENZA, SPITTING OF BLOOD, BRONCHIAL COMPLAINTS, AND ALL DISEASES OF THE THROAT AND AFFECTIONS OF THE LUNGS, and these dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT, it is unrivalled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements, and it now has the confidence, and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs, to this article, and to PUBLIC SPEAKERS who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence, use MRS. GARDNER'S INDIAN BALM OF LIVERWORT AND HOARHOUND.

It is an excellent remedy for BOWEL COMPLAINTS, although we do not claim for it such high encomiums as some others claim for their preparations, particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favor of this medicine, from men of high standing, and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balm.

Messrs. WEEKS & POTTER, 154 Washington Street, Boston, are Proprietors, and for sale by all Druggists. Be sure and ask for Mrs. M. N. Gardner's Indian Balm of Liverwort and Hoarhound, and take no other, for there are numbers of spurious articles in the market. The genuine has a blue wrapper and red label round each bottle. Oct. 19.

DOCTOR MORSE

The Inventor and Manufacturer of Morse's INDIAN ROOT PILLS. CAUTION.—Beware of a Counterfeit signed A. B. MOORE. All genuine have the name of A. J. WHITE & Co. on each box. Also the signature of A. J. WHITE & Co. All others are spurious. A. J. WHITE & Co., Sole Proprietors, 50 Leonard Street, New York.

THIS philanthropist has spent the greater part of his life in traveling, having visited Europe, Asia, and Africa, as well as North America—He was in this way the Indian Root Pills were first discovered. Dr. Morse was the first man to establish the fact that all diseases arise from IMPURITY OF THE BLOOD—that our strength, health, and life depended upon this vital fluid.

When the various passages become clogged, and do not act in perfect harmony with the different functions of the body, the blood loses its action, becomes thick, corrupted and diseased; thus causing all pains, sickness and distress of every name; our strength is exhausted, our health we are deprived of, and if nature is not assisted in throwing off the stagnant humors, the blood will become choked and cease to act, and thus our light of life will forever be blown out. How important then that we should keep the various passages of the body free and open. And how pleasant to us that we have it in our power to put a medicine in your reach, namely, Morse's Indian Root Pills, manufactured from plants and roots which grow around the mountainous cliffs in Nature's garden, for the health and recovery of diseased man. One of the roots from which these Pills are made is a Sudorific which opens the pores of the skin, and assists Nature in throwing out the finer parts of the corruption within. The second is a plant which is an Expectoant, that opens and unblocks the passage to the lungs, and thus, in a soothing manner, performs its duty by throwing off phlegm, and other humors from the lungs by copious spitting. The third is a Diuretic, which gives ease and double strength to the kidneys; thus encouraged, they draw large amounts of impurity from the blood, which is then thrown out abundantly by the urinary or water passage, and which could not have been discharged in any other way. The fourth is a Cathartic, and accompanies the other properties of the Pills while engaged in purifying the blood; the coarser particles of impurity which cannot pass by the other outlets, are thus taken up and conveyed off in great quantities to the bowels.

From the above, it is shown that Dr. Morse's Indian Root Pills are only enter the stomach, but become united with the blood, for they find way to every part, and completely root out and cleanse the system from all impurity, and the life of the body, which is the blood, becomes perfectly healthy; consequently all sickness and pain is driven from the system, for they cannot remain when the body becomes so pure and clear.

The reason why people are so distressed when sick, and why so many die, is because they do not get a medicine which will pass to the afflicted parts, and which will open the natural passages for the disease to be cast out; hence, a large quantity of food and other matter is lodged, and the stomach and intestines are literally overflowing with the corrupted mass; thus undergoing disagreeable fermentation, constantly mixing with the blood, which throws the corrupted matter through every vein and artery, until life is taken from the body by disease. Dr. Morse's PILLS have added to themselves victory upon victory, by restoring millions of the sick to blooming health and vigor. Yes, thousands and thousands are racked or tormented with sickness, pain and anguish, and whose feeble frames have been scorched by the burning elements of raging fever, and who have been brought, as it were, within a step of the silent grave, now stand ready to testify that they would have been numbered with the dead, had it not been for this great and wonderful medicine, Morse's Indian Root Pills. After one or two doses had been taken, they were astonished, and absolutely surprised, in witnessing their charming effects. Not only do they give immediate ease and strength, and take away all sickness, pain and anguish, but they at once go to work at the foundation of the disease, which is the blood. Therefore, it will be shown, especially by those who use these Pills, that they will so cleanse and purify, that disease—tho' deadly enemy—will take its flight, and the flush of youth and beauty will again return, and the prospect of a long and happy life will cherish and brighten your days.
