FOR ST. JOHN'S.—The steamer Bonavista for St. John's, Nfld., will be due here on Monday morning, and will carry cattle and sheep on deck, as advertised.

THE CITY BILL.—There will be a public meeting of citizens in Market Hall this (Friday) evening, to consider the "City Bill" to be voted upon on the 12th August next.

THE MIRAMICHI.—The steamer Miramichi arrived at Summerside this morning with about 120 tourists on board. The steamer will arrive here this evening about six o'clock.

INHALED PARIS GREEN.—On the 4th inst., a South Farmington farmer, George Johnson, while sifting paris green on potatoes, inhaled it and soon died. The cause is supposed to be from the effects of the paris green taken into the lungs.

LEFT A FORTUNE.—A Hamilton, Ont., bricklayer, named Robert King, who has a family of five children, and who has frequently been an applicant for charity at the Mayor's office, has proved his claim to a fortune of $200,000, left him by an aunt in the old country.

AQUATIC.—Hosmer and Ten Eyck's three mile race took place on Wednesday afternoon on Lake Quinsigamond, Worcester, Mass., the former winning easily in 19 min. 52½ sec. Ten Eyck came in five lengths behind; time, 20 min 4 sec. The stakes were $250 a side and a purse of $150 equally divided for training expenses.

DEATH OF A PRIEST.—The Rev. Father Wm. T. Dogherty, of North Easton, Mass., who spent some weeks on the Island with friends for the benefit of his health, in the autumn of 1887, died at the residence of his parents, North Easton, on Sunday, July 12th, aged 33 years. Owing to failing health the deceased had not been engaged in active work for some time before and since his visit to the Island.

SCOTTISH GAMES.—Lieut.-Colonel Irving, President of the Caledonian Club of P. E. Island, repeats his annual present to the best all-round athlete at the Summerside games on Thursday next. AN ISLANDER KILLED. — John Luke, a Prince Edward Island man about 25 years old, who has been around Bangor for some time, was killed on Monday, at Howland, where he had been at work on the new pulp mill. With other workmen he was engaged in putting up new shafting, when a heavy piece of it fell, crushing Luke and slightly injuring two of the other men. Luke lived but a few moments after the accident.—[Ex.

ANOTHER MIRACLE REPORTED. — Quebec Chronicle: The French papers report that a young girl named Marie Cote, daughter of Alexis Cote, of St. Paul de Montmagny, who had lost the use of her limbs for a month, and all power of speech for over a month, and was in a state of lethargy, was miraculously cured on Sunday at the seven o'clock Mass at La Bonne Ste. Anne. It is said that 8,000 pilgrims were at the shrine on Sunday.

IMPORTANT.—Don't neglect reading the advertisement of the grand Athletic Tournament and Firemen's sports advertised in another column. This tournament will afford an opportunity to all those who are not in position to compete in the Caledonian Club games, and we have no doubt that the worthy Scots who have been carrying off all the prizes in the Caledonian games for past years will find worthy opponents in all the other nationalities competing in this tournament.

FROM JAPAN.—In a letter dated July 15, from Rev. B. Chappelle, Aoyama, Tokyo, Japan, he writes:—" Conference has just closed after a long but very pleasant session of eight days. We remain at Aoyama, but Rev. J. W. Wadman goes to Hirosaka, in the north, as presiding elder of the Aomori district, teaching a little each day in the To-o Gigikee at Hirosaki. This is his own desire, as he wishes to get the language as quickly as possible, so that he may preach with freedom in Japanese. We have had a very pleasant year, and everything indicates a very pleasant year before us.

SPECIAL DESPATCHES TO THE EXAMINER.

DOMINION PARLIAMENT.

House in Committee of Supply.

SPEAKER WHITE BETTER.

OTTAWA, Aug. 7.

The House in Committee of Supply yesterday made good progress passing the estimates for marine, census and experimental farm.

After a full discussion the Opposition attempted obstruction, urging that the census returns should be laid before Parliament, even if they were incomplete.

The Government replied that correct information would be ready in ten days.

Speaker White was better yesterday and was in his place.

THE TARTE-McGREEVY CASE

Thomas McGreevy's Evidence Continued.

Robert McGreevy and Murphy Further Contradicted.

OTTAWA, Aug. 7.

In the Tarte-McGreevy case yesterday, the committee held three sessions, morning, afternoon and evening.

Thomas McGreevy's examination was continued. It consisted chiefly in a positive denial of Murphy's and Robert McGreevy's evidence. He denied having written certain letters signed by him. He said they were forgeries and denied receiving certain letters alleged to have been sent in reply; he never asked his brother or Murphy for money for Sir Hector. Witness gave a categorical denial to Tarte's charges as to corrupt bargains between himself and Larkin, Connolly & Co., and to improperly obtaining information from the Department of Public Works.

Mr. Giroux, chairman of the Quebec Harbor Commissioners, testified that contracts were fairly awarded to Larkin, Connolly & Co., that Thomas McGreevy did not impose his views on the board and that he knew of nothing wrong.

THE RAILWAY SCANDAL

Startling Revelations Expected.

OTTAWA, Aug. 7.

In the senate railway committee, Barwick, the solicitor for the Ontario bank, repeated his charges regarding the division of $100,000 subsidy by the Quebec government for political purposes. He named Ernest H. Pancaud, editor of Le Lecteur, as the person who had received the money. Pancaud is known as a notorious boodler. Barwick offered to prove his charges. The committee are determined to sift the matter, and will examine witnesses on oath. This new scandal promises startling revelations as to the actions of prominent Grit members of Parliament. Tarte is intimately associated with Pancaud and has already been convicted of boodling transactions with him.

In the Public Accounts Committee yesterday evidence was given of irregularities in the immigration agency at Gretta, Manitoba, by Tetu, the agent. Tetu, who is a notorious Grit, and comes of an influential Grit family in Quebec and whose brother is a prominent Grit in Ottawa circles, had some time ago been suspended by the department for some irregularities which McMullen now wishes to investigate. He is sorry he spoke.

Weather Bulletin.

TORONTO, Aug. 7.—10 a. m.

Light to moderate winds; continued fine and warm.

A SUCCESSFUL AFFAIR.—Zion Church picnic at Cape Traverse yesterday was a very enjoyable affair. The weather was beautiful throughout. The attendance was very large. The different tables were well stocked, and the ladies in charge were very painstaking and obliging. In the free-for-all foot race there were several starters, but the race was practically between one of our best known merchant tailors and a fleet-footed member of the police force. It was nip and tuck between the two until the winning post was almost reached, when the first-mentioned sprinter put on a magnificent burst of speed and came in a short distance ahead. The time made was not announced, but it must have been very fast. At the close, it is said that some of the leading members of the Church were congratulated on having one man amongst them who could run away from a policeman.

MARRIED.

At the First Baptist Church, Vancouver, City, B. C., on the 23rd July, by the Rev. J. A. Bantor, Jacob B. Dockendorff, eldest son of Wm. Dockendorff, Esq., of Southport, P. E. I., to Jennie Eliza, second daughter of W. J. O'Brien, Esq., Fishery Inspector, Lindsay, Ontario.

DIED.

Suddenly, on the morning of August 6th, aged seventy years, Jane Campbell, beloved wife of John Dalziel, Sr., and daughter of the late Captain John Campbell, R. N.

At his residence, Head St. Peter's Bay, on the 3rd inst., John Dixon, Esq., aged 79 years. Deceased was well and very favorably known as a man of very general information. He lived and died a consistent member of the Presbyterian church, on his death-bed expressing humble confidence in the merits of his Redeemer.

IT is welcomed in every house in France and England, and in a very brief time the same can be said of Canada, from the Atlantic to the Pacific. Lessive Phenix requires only to be tried once to be appreciated. A marvellous washing and cleansing solutive. Just fancy an article that will make your clothes as good as new, and that will clean everything in the house from the silver you cherish, to the common earthenware which you thought of throwing out, making it just like new. That is what Lessive Phenix will do, and a score of other things. For it will cleanse everything, and it will not harden your hands.—2i.
