- If you can match all five numbers printed vertically (up and down) on any Numbers Card with the same five numbers in the same sequence in any one of the five vertical lines on any Bingo Card, or all five numbers printed horizontally (across) on any Numbers Card with the same five numbers in the same sequence in any one of the five horizontal lines on any Bingo Card, you are eligible to win the prize corresponding to the line as shown below. Any Numbers Card may be played against any Bingo Card issued for the duration of this game ending Saturday, December 10, 1966 at store closing time.
- To receive your award, present your INSTANT BINGO CARD along with the corresponding INSTANT BINGO (NUMBERS) CARD to your Dominion Store Manager for verification. You must then give the correct answer to a question of skill before receiving your prize.
