

IN MEMORIAM

ROBERTA LYNN MacKINNON

In loving memory of our darling daughter, Roberta Lynn, who departed from this life on Oct 10th at the early age of four months. The funeral service was held at the home of her parents conducted by the Rev. Father Doyle who also conducted the services at the grave. Interment in the Roman Catholic cemetery.

The Master called our little one To come with Him above To share with little children there The blessings of His love And though our hearts are heavy It will ease the pain we bear Just knowing that our little one Is in the Master's care.

Rev. His sermon subject was: "Come Clean, It's Personal." The music was under the direction of Mr. Royston Muford at the console of the organ. He was assisted by Mr. O. K. Presby on the piano, Mr. Alan MacKenzie added greatly to the fine service with a clarinet solo.

PLAYGROUNDS COMMISSION

At a meeting of the Charlottetown Playgrounds Commission held last evening, the activities of a successful summer's work were reviewed. Three city playgrounds were maintained with good supervision and good attendance; a good start was made in junior tennis instruction of young people and to nurses-in-training at the hospitals through the kind co-operation of the Charlottetown Tennis Club and the Basilio Youth Tennis Club. The question of discontinuing the open air rink maintained last winter in the park and endeavouring to secure accommodations in the coliseum in the exhibition grounds to operate an indoor rink for the use of the children in winter sports was discussed and a committee was appointed to look further into the matter and report. Damage to playground equipment by movement of building through Connaught Square was considered.

Speaking on the aims, objects and progress being made, Mr. Gaudet gave a graphic description of the work being carried on by the general committee and sub-committees, etc., and left little doubt in the minds of those present as to the importance of the overall success of the celebrations. He pointed out that not only will it be a big thing for the city during its centennial year, but that its success can be a determining factor in the future of our fast growing tourist industry in this province.

On behalf of the local club, the guest speaker was kindly thanked by Lions Tom Edgett and Jack Stevenson, for his interesting and instructive talk. One new member, Robert Le-Clair, was officially welcomed into the club, while Mr. Fred Dillon was an attending guest. President King Lion, Jack Stevenson, presided over the meeting.
