

Face to Face With a Monster.

A SEA SERPENT WHIPS ITS HEAD AROUND AND CRUNCHES THE BLADE OF AN OAR.

There was excitement in Ettingville, Staten Island, Friday last, caused by the report that Constable Eibert L. Poillon of that village had actually seen and been attacked by a sea serpent.

Fisher first took a boat and started out to see what the thing was. After he had got near to Poillon and the boy noticed that he had pulled back to the beach, using quick strokes.

On coming up with the object of their pursuit a second time, one of the party in the boats shipped his oars in a noisy manner, when something arose from the water only a yard from their boat.

Mr. Poillon, however, exhibited an oar, the blade of which was crunched in half lengthwise. This, it was declared, was done by the marine monster whipping its head around suddenly and biting the oar when one of the party attempted to hit it on the head with that implement.

The monster then dropped its head into the water, and, with an undulating motion it speedily vanished. They believe it to be about twenty-five feet long, and regret very much that the approach of darkness prevented them from capturing it.

SCROFULA

and all scrofulous diseases, Sores, Erysipelas, Eczema, Blisters, Ringworm, Tumors, Carbuncles, Boils, and Eruptions of the Skin, are the direct result of an impure state of the blood.

To cure these diseases the blood must be purified, and restored to a healthy and natural condition. AYER'S SARSAPARILLA has for over forty years been recognized by eminent medical authorities as the most powerful blood purifier in existence. It frees the system from all foul humors, enriches and strengthens the blood, removes all traces of mercurial treatment, and proves itself a complete master of all scrofulous diseases.

A Recent Cure of Scrofulous Sores.

"Some months ago I was troubled with scrofulous sores (ulcers) on my legs. The limbs were badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy I tried failed, until I used AYER'S SARSAPARILLA, of which I have now taken three bottles, with the result that the sores are healed, and my general health greatly improved. I feel very grateful for the good your medicine has done for me.

Yours respectfully, MRS. ANN O'BRIEN, 148 Sullivan St., New York, June 24, 1882.

All persons interested are invited to call on Mrs. O'Brien; also upon the Rev. Z. P. Wilds of 78 East 54th Street, New York City, who will take pleasure in testifying to the wonderful efficacy of Ayer's Sarsaparilla, not only in the cure of this lady, but in his own case and many others within his knowledge.

The well-known writer on the Boston Herald, B. W. BALL, writes, "June 7, 1882:

"Having suffered severely for some years with Eczema, and having failed to find relief from other remedies, I have made use, during the past three months, of AYER'S SARSAPARILLA, which has effected a complete cure. I consider it a magnificent remedy for all blood diseases."

Ayer's Sarsaparilla stimulates and regulates the action of the digestive and assimilative organs, renews and strengthens the vital forces, and speedily cures Rheumatism, Neuralgia, Rheumatic Gout, Catarrh, General Debility, and all diseases arising from an impoverished or corrupted condition of the blood, and a weakened vitality.

It is incomparably the cheapest blood medicine, on account of its concentrated strength, and great power over disease.
