Durelle tipped the scales at 172 1/2 following yesterday's training session. Monday he weighed 168. "That's Great," shouted manager Chris Shaban, "I'm overjoyed with Durelle's weight" he said. Durelle must weigh no more than 175 for the title fight.

Pierce Shuts Out Nats; Indians Shade Orioles

CHICAGO (AP)—Billy Pierce pitched 8 2-3 innings of perfect ball Friday night and lost his bid for a pitching masterpiece when pinch-hitter Ed Fitzgerald doubled to right field as Chicago White Sox defeated Washington 3-0.

Fitzgerald belted Pierce's first pitch down the right field line. Pierce then struck out Albie Pearson to end the game.

The triumph was the third straight shutout for Pierce.

Pierce didn't walk a man and faced only 28 men, one over the minimum. Pierce, who never has had a no-hitter, now has three one-hitters and 29 shutouts in his career.

The 31-year-old southpaw doubled in the third inning and

came home with the only run needed on a single by Jim Landis. The Sox wrapped up the contest in the eighth when Sherman Lollar singled home two more runs.

The last perfect game in the majors was hurled by Charley Robertson of the White Sox against Detroit in 1922. Don Larsen of New York Yankees pitched one against Brooklyn in the 1956 World Series.

PITTSBURGH (AP)—Chicago Cubs whipped Pittsburgh Pirates 3-1 Friday night as they handed the Pirates their seventh straight defeat behind the fine pitching of Moe Drabowsky, who is being married here today to airline stewardess Elizabeth Johns.

Drabowsky yielded only three hits over the first eight innings, but he was tapped for singles by Ted Kluszewski and Roberto Clemente in the ninth with one out.

Bill Henry came on in relief and forced Bill Virdon to line into a double play to end the threat.

Drabowsky, now 6-7, didn't give up a hit until the fourth when Bill Mazeroski singled and Bob Friend beat out a slow roller to short. Neither scored.

The third hit off Drabowsky came in the eighth when John Powers hit the first homer of the year. Drabowsky, who played in the Halifax and District League, fanned four and walked six.

He got into a jam in the third when he issued three walks, loading the bases. But with two out, Frank Thomas flied deep to left centre for the third out.

Bob Friend (9-3) started for the Pirates. The Cubs shelled him for 10 hits, including four doubles, before he was removed for a pinch-hitter in the seventh.

Drabowsky batted in the first Cub run in the fifth when he singled to score Sammy Taylor who had doubled.

CLEVELAND (AP)—Joe Gordon started out as Cleveland Indians manager Friday night with a victory as the Tribe came

from behind to beat Baltimore Orioles 6-5. Rocky Colavito hit a home run and two doubles and drove in half of Cleveland's runs.

The Tribe bunched four runs off loser Billy O'Dell in the third inning when Bob Avila homered after Ray Narleski singled and Colavito smashed his 12th homer with Vic Power on via a triple.

The Orioles scored their opening run on a double play in the second inning when the bases were filled with none out on Gus Triandos' single, a walk and Len Green's safe punt.

The Birds added their second marker when Triandos led off the fourth by clouting his 16th homer.

PHILADELPHIA (AP)—Pinch-hitter Dave Philleary's double scoring Wally Post from second gave Philadelphia Phillies an 11-inning 6-4 victory Friday night over St. Louis Cardinals. The loss snapped a six-game Cardinal winning streak.

Philleary hit for relief hurler Dick Farrell after wally Post and Chico Fernandez singled off Card reliever Billy Muffett.

The hit gave Farrell his fifth win against two losses. It was Muffett's second loss against three wins.

Fangio Has Fastest Time In Monza Race Trials

MONZA, Italy (AP)—World auto racing champion Juan Manuel Fangio Friday led a field of top drivers with the fastest trial time for Sunday's 500-mile Monza race. But the Argentine's participation in the world's fastest car race still remained in doubt.

The 44-year-old racing great drove an American Dean Van Lines Special three laps at an average speed of 171.4 miles an hour over the 2.6-mile banked course.

He also turned in the fastest lap with a clocking of 172.235 m.p.h. The fastest car gets the post position for the Indianapolis speedway-type race.

NEW DISPUTE

But a new dispute threatened to keep Fangio out. He had settled the controversy over whether to use American or British gasoline when the question of

payment threw up a new stumbling block. The Dean Van Line representatives want to pay him the cut given to Americans—40 per cent. Fangio's manager, Marcello Giambertone, said his man never races for less than 50 per cent.

Of the 19 cars entered in the race, only six turned in trial times Friday as rain hampered the runnings. A second day of trials will be held today, when the six can try to better their times while the other 13 must run or be out of the race.

Other official trial times and best laps today were:

Eddie Sachs, of Allentown, Pa., in a Jim Robbins Special, average of 166.7 m.p.h., best lap of 167.089 m.p.h.

Mike Hawthorn, Britain, in a 12-cylinder Ferrari, average of 160.057 m.p.h., best lap of 164.488 m.p.h.

Shamrocks Halt Junior B.Y.C.

B.I.S. Shamrocks last evening dropped the Junior Basileia Youth Club 6-3 in a regular City Softball League game on the Old Diamond.

Joe Thistle, hurling for the Irishmen, held the Youth Club to four hits, and walked six.

The losers had Father Roche doing the pitching chores and he was tagged for six hits and he walked six. The Youth Club

also had five errors.

C. Ladner of the Youth Club potted the longest ball of the game, a triple that dropped between the centre and rightfielder.

Roy McGonnell and Jack Shepherd each hit doubles for the winners.

Umpire for this fixture was Red MacFadyen and base judges were Donnie MacLean and Lennie Arsenault.

SPORTS FRONT

By PIUS CALLAGHAN

There's going to be a change of tenants in the National League basement.

Los Angeles who have stuck to the cellar as if they really liked it have served notice that they had their turn and they plan on vacating the premises any day now. In fact when you read this column that change may have already taken place. Dodgers are visiting Milwaukee for a night game and Philadelphia Phillies are entertaining the red hot St. Louis Cardinals under the arcs. Victories for the Dodgers and Cardinals would take Los Angeles out of the basement and drop the Phillies into the unwanted spot.

Whether events will occur just like that, we can't say but it does seem almost a certainty that the Alston-managed outfit is on the way up after one of the most disastrous starts in league history. How far up they will go seems to be the only question.

Thursday night the Dodgers continued their strange mastery over the world champion Braves with a 4-1 verdict over world series hero Lew Burdette. Don Drysdale who could beat nobody else all season long went the route for the Los Angeles boys to grab his second victory of the year over the Haney men. That's a third of the wins Dodgers have chalked up this year over the Braves, with Milwaukee looking for their first triumph of 1958 over the west coasters.

While Milwaukee fails to show any signs of pulling away from the other contenders, St. Louis Cardinals are on a sizzling streak that has them breathing down the backs of the Milwaukee gang. Cardinals' pitching has been exceptional and their hitting has been of a high enough order to carry them right up with the leaders.

Detroit Tigers and Los Angeles Dodgers could use more of the hospitality that has been shown them by New York Yankees and Milwaukee Braves.

You can bet that the Bengals and the L.A. team would like to play the Yanks and Braves more often than the schedule allows. The Tigers have met New York Yankees on twelve occasions and emerged victorious on eight of them. Dodgers up to Thursday night held a 6-0 record over the boys from the beer town. What greater playmates could Tigers and Dodgers find anywhere.

Certainly they are not to be found in the American and National Leagues. But, perhaps, the other teams will catch the spirit of the Yankees and Braves and show more goodwill toward our choices in the pennant races.

It has finally happened.

Ted Williams failed to make the American League team for the All-Star game in Baltimore Tuesday July 8. It's the first time the Splendid Splinter has missed out on a starting assignment.

This year's teams have been selected for the first time by the major league players, coaches and managers but they overlooked Ted for their opening lineup. He has been selected on thirteen occasions before.

Only three National League players are repeaters from 1957. They are Stan Musial, St. Louis Cardinals, Willie Mays, San Francisco Giants and Hank Aaron of the Milwaukee Braves. On the opposite side only two 1957 players are back in the starting lineup. They are Mickey Mantle, New York Yankees and Nellie Fox, Chicago White Sox. Last year's starters included such stars as Yogi Berra, Yankees, Harvey Kuenn, Detroit Tigers and Ted Williams of the Boston Red Sox.

For Stan the Man Musial it will be his 15th All-Star game. The great Cardinal slugger was almost an unanimous choice, getting 201 votes out of a possible 231.

Boston Red Sox third baseman was top vote getter in the American League. He got 186 votes out of 235. Kansas City's Bob Cerv took over Williams' spot. Cerv appears like a worthy successor to the Boston outfielder.

Here are the starting lineups:

National League—Crandall, Milwaukee, catcher; Musial, St. Louis, first base; Mazeroski, Pittsburgh, second base; Thomas, Pittsburgh, third base; Banks, Chicago, shortstop; Aaron, Milwaukee, right field; Mays, San Francisco, centre field; Skinner, Pittsburgh left field.

American League—Triandos, Baltimore, catcher; Skowron, New York, first base; Fox, Chicago, second base; Malzone, Boston, third base; Aparicio, Chicago, shortstop; Jensen, Boston, right field; Mantle, New York, centre field; Cerv, Kansas City, left field.

In the American League, no player from Detroit Tigers, Washington Senators or Cleveland Indians was named to the starting team.

Pittsburgh Pirates lead with three players named to the starting team. Milwaukee Braves got two and St. Louis, Chicago and San Francisco one each. Cincinnati Redlegs, Philadelphia Phillies and Los Angeles failed to get a man on the starting lineup.

Roy Campanella, former Brooklyn Dodgers catcher, has turned down an offer of a position with New York State Athletic Commission.

The once-great receiver of the Flatbush darlings was tendered the offer of a position by Governor Averill Hartman. The New York governor visited Campy about six weeks ago at Rusk Institute where Roy has been for the last two months. Campanella considered the proposition but finally declined the offer this week.

The 36-year-old athlete suffered a broken neck in an automobile crash last January.

A great harness racing card is ready for tonight's patrons at Charlotteown Driving Park.

Right thrilling dashes are lined up for the night's entertainment and picking winners in any one of the eight is going to be a mighty tough proposition.

Of course the dashes that will attract the greatest interest will see the free-for-allers in action. Betty French, Ann's Dream, Sir Joseph, War Cry Ranger and Just Betty's Mark will be out there in both games of the feature and you can be sure that they'll really be driving every inch of both miles.

The AA race will also go two trips, with seven hopefuls looking for top money. They are Scottish Light, Ginger E., Famous Pop, Keppoch Playgirl, Mr. Jollscott, G. Ann C. and Jolly Jim.

Anybody's choice among that group is as good as the next fellow's and it's most likely the first dash winner won't be able to give a repeat performance.

Four single dashes will round out the card that has all the earmarks of being the best of the season.

Action commences at 8 o'clock.

Summer holidays are upon us and that means we are not going to have the privilege of chatting with you from this corner as often we would like. Readjustments in staff while all hands get a holiday will of necessity cut our column to approximately once a week for the next month or so. We know that you will be well able to keep up on what's new in sport without our opinion on it.

However we are going to raise our daily visit with you but we hope to be back in fullaction—come early August.

Busso Decisions Carlos Ortiz

NEW YORK (AP)—Johnny Busso, a free-swinging young lightweight, handed Carlos Ortiz the first defeat of his 28-bout career Friday night by a split decision in 10 rounds at Madison Square Garden. Ortiz weighed 137, Busso, 137 1/2.

Many boys greeted the verdict for the 24-year-old Busso.

Both referee Barney Felix and judge Bill Recht scored it in

favor of Busso. Judge Artie Schwartz scored it for Ortiz 6-4. The Associated Press had Busso on top 6-4.

Busso closed with a rush just when it seemed that Ortiz had taken charge. In fact, it was so close in the final stages that a vote for Busso in the 10th round was the decisive factor on the cards of referee Felix and judge Recht.

Bolts Huffs To Clubhouse

EAST NORWICH, N.Y. (AP)—Arnold Palmer shot a 69 for a 36-hole total of 135 and a three-stroke lead, Tommy Bolt quit after nine holes, the course record of 66 set by Palmer Thursday was equalled and a hole-in-one was registered in the second round of the \$50,000 Long Island Open golf tournament Friday.

Bolt quit after taking a seven on the par four ninth hole for a 42. He said he was ill. The U.S. Open champion also was fined \$500 by the Professional Golf Association for violation of its code of ethics.

Harvey Raynor, supervisor of the pro tour, said the club throwing Bolt's quitting Friday had nothing to do with the fine, levied for a previous outburst of temper.

Palmer increased his lead by one stroke with another exhibition of steady golf over the 6,860, par 71 Pine Hollow layout.

Friday Jimmy Demaret was runnerup by virtue of a 33-94—67 to add to his first round 71.

Al Balding of Toronto led the Canadian contingent with 73-71—144. Stan Leonard had 73-72—145. Young Jerry Magee of Toronto improved his showing with 73-71—150. Bill Ezinicki, the one time National Hockey League player from Winnipeg who now golfs out of Stoneham, Mass., carded 80-76—156.

S. Americans Are Favorites

STOCKHOLM (AP)—Brazil's two injured stars were declared fit and the South Americans were made the favorites Friday to defeat Sweden for the World Soccer Cup championship Sunday.

Brazilian coach Vicente Feola said Friday that both centre forward Vava and halfback Orlando had recovered from injuries suffered in the semi-final victory over France and would start against Sweden.

Sweden's team did not suffer any injuries in its victory over West Germany's 1957 champions.

Interest in the championship reached a fever pitch. Although the game is being televised, all of Rasunda Stadium's 52,000 seats are sold.

Speculators were asking—and getting—up to 600 kroners (\$120) for tickets priced at 50 kroners (\$10).

West Germany and France will meet today in Goteborg to decide third place. The crippled Germans are expected to use several subs.

Dixie Named As Manager

MONTRÉAL (CP)—Dixie Walker, manager of Toronto Maple Leafs, Friday was named manager of the International League all-stars for a game against the world champion Milwaukee Braves in Toronto July 28.

The announcement was made by IL president Frank (Shag) Shaughnessy. Walker led Toronto to the IL pennant last year and also managed the league's all-star squad in the second annual game against a major league club.

Voting by the fans to determine the IL team started last week and continues to July 13.

Last year the all-stars dropped a 2-1, 11-inning decision to Brooklyn Dodgers in Montreal. In the 1956 inaugural contest, Milwaukee downed the Triple A circuit 3-0 at Toronto.

The U.S. Air Force already is installing the SAGE system in its air defence system at an airfield cost about \$7,000,000.

RCAF officers have said integration of the U.S. and RCAF fighter commands under the North American Air Defence Command (NORAD) will mean that SAGE or a system similar to it will be introduced in Canada.

Prime Minister Diefenbaker and Defence Minister Peakes have made this same point in recent weeks.

The subsonic CF-100 fighter now is in RCAF squadron service. Its planned successor—in 1961—is the supersonic Arrow.

Earlier this week, Mr. Peakes told the Senate external relations committee new equipment is "essential" to process information on 500 targets (attacking bombers) at one time instead of five.

An interesting sidelight on this subject is the announced posting of Air Vice-Marshal M. M. Hendrick to Washington as chairman of the Canadian joint staff there. He is one of Canada's top experts in the electronic field.

The theatre was destroyed by fire when an Irving employee delivered fuel oil to the theatre. Fuel leaked to the basement of the theatre and ignited.
