The programme is said to be one full of fun, bright music, clever dancing and singing. Billy Wilson, who heads the list of fun-makers, is said to have the largest mouth in the world; James Wilson is the only living colored juggler, Jenny Mills is the highest kicker in the entire country; he is said to be a marvel. The Alpine Quartette will be heard in southern melodies, and the entire performance as notes in all the St. John, N. B., papers is free from anything that could offend.

Our Five Great Departments:

Dry Goods, Carpets, Hats, Mantles and Clothing

We have made a specialty of those five great departments, and embrace every opportunity to impress this fact on the buying public. Our sales are rapidly increasing, and competition decreasing. Our experience and position enable us to buy in very large quantities, and command advantages from the manufacturers that others dont get. We are in business to make money, and therefore one of our first cares is to see that our customers are making it. This is done by keen buying and close selling. From every part of P. E. Island we are adding new customers, and our well filled departments are loaded with the largest pile of bargains ever shown in the city. Trade with us for Dry Goods, Carpets, Hats, Mantles and Clothing.

LOCAL AND OTHER ITEMS

SONS OF ENGLAND.—Regular meeting of the Red Rose of Lodge Eton this evening. Initiation. All brethren who can, please attend.

ST. PETERS' SOCIAL.—The social held in St. Peters' Church last evening was well attended and very pleasant. The gentle stream of gossip and kindly enquiry, was pleasingly interrupted, at times, by vocal and instrumental music, a dialogue and tea, coffee and cake. The committee are to be congratulated on their successful arrangements.

POLICE COURT.—Four Scott Act cases constituted the docket this forenoon, and in every instance a conviction was obtained. Margaret McKinnon and John Carroll, King Street, were each sentenced to two months' imprisonment for third infractions, and Thomas Meek and Mrs. George Offer were each fined $50 and costs or two months imprisonment for first infractions.

THE P. E. I. COMMERCIAL COLLEGE gives the most thorough instructions, in book-keeping, arithmetic, penmanship, shorthand and typewriting. "Thoroughness" in all the branches taught, is our motto. Shorthand is taught by a practical reporter of over 20 years experience, and up to date in every respect. Our students make the best progress in the shortest time. Come with us.

GREAT GUNS!—Don't miss seeing our Island invincibles this evening in the Skating Rink, tossing the big guns around as if they were toys. These men have been matched against Canada's best teams and they have won nough silver cups as trophies of their valor to build a pyramid. If they were holding this competition at the Island of Orleans all Charlottetown would want to be there, so do not let it be said to-morrow that you did not see it.

NOT SUNNY ENOUGH.—The "sunny ways" are not yet up to the necessary candle-power to do the business.

Mr. Greenway has developed no symptoms of sunstroke.

Nor does the political atmosphere about him seem too sultry.

On the contrary, there is a frostiness in it that threatens to nip the tender hopes of Mr. Sifton in the bud.

A frostiness which must have made Mr. Tarte uncomfortable.

For Mr. Greenway was not at the banquet.

He was building his barn—probably a bank barn, high-roofed, and with a double driveway—on his Crystal City farm.

It takes more than a portfolio for Mr. Sifton to make him wilt.—Mail and Empire.

It is Very Encouraging To Us

To see that the people of P. E. Island are still taking Everybody's Pills in preference to foreign makes. This is right—home industries should be encouraged. Everybody's Pills still cure Indigestion as they have done before. Made especially for the people of P.E.I. by

MEETING OF PRESBYTERY.

At the meeting of Presbytery, held on Tuesday in St. James' Hall, a good deal of business was transacted.

Messrs. J. M. Fisher and A. S. Stewart were appointed a committee to examine the session records of Mount Stewart.

The clerk was instructed to give the usual certificates to Messrs. Foster and Douglas, students laboring within the bounds.

The Presbytery agreed to arrange for supply to Dundas congregation for four Sundays. The Presbytery recommended that the General Assembly's plan of work be adopted by all the young people's societies.

The Presbytery then heard ex gratia Messrs. Nicholson and Mathieson in re certain alleged grievances, and after due consideration the entire matter was dropped. On motion the session records of Mount Stewart were attested by the Moderator.

A resolution was adopted by the Presbytery expressing cordial appreciation of the self-denying generosity of Rev. W. L. McRae in giving up five weeks of his well-earned furlough to addressing meetings in the respective congregations within its bounds, and its grateful recognition of the larger knowledge of and increased enthusiasm in missionary work which have come to these congregations as the result of his labors.

The Presbytery also passed a resolution sympathising with Rev. John Gillis in the affliction which had overtaken his family.

The Presbytery then adjourned to meet in St. James' Hall, Charlottetown, the first Tuesday in February.

SABBATH SCHOOL CONVENTION.

A convention for the organization of an County Inter-denominational Sabbath School Association will, D.V., be convened in the Presbyterrian church at Dundas on Thursday, 19th, inst., at 10 a. m. The convention will hold three sessions, morning, afternoon and evening. Papers will be read by the following speakers on the following subjects: On the relation of children to the church, Rev, John Gillis; The qualifications of a teacher, Rev. Mr. Whitman; The relation of the Home to the Sabbath School, Rev. J. F. Esty. Papers to be read by other speakers will be published later.

All clergymen are ex-officio members of the convention, and requested to bring the matter before their people and request that two delegates from each school be elected to attend the convention. All persons expecting to attend convention will please notify Miss Maggie McLeod, secretary of the entertainment committee, not later than Saturday 14th, inst.,

PERSONAL.

Rev. P. J. Hogan, of Tracadie, is in town to-day.

Mr. W. T. Huggan, of the Island Railway, has gone to Boston on official business.

Mr. H. B. McLeod, general representative of the Dominion Co., Chicago, is in town.

Mr. John Gordon, clerk in the Charlottetown branch of the Bank of Nova Scotia, has been transferred to the head office at Halifax.

Hon. L. H. Davies, Minister of Marine and Fisheries, accompanied by Mrs. Davies and family, and Mr. Williams, Mr. Davies' private secretary, will leave to-morrow morning for Ottawa.

J. M. Stewart was appointed chief of police by the city council of Vancouver, B. C., a few nights ago. Six years ago he was dismissed from the same office. Mr. Stewart is a Belfaster.

The popularity of Rev. Job Shenton in St. John is again evidenced by the fact that he has been unanimously invited to retain the pastorate of the Exmouth street Methodist church for a fourth year.

Peter McLaren, M. D., Brudenell, and L. G. Munn, Belle River, are registered at the Queen Hotel. There were registered last evening: Mrs. Alexander and children, Providence, R. I.; John Burke, Kensington; J. M. Ross, Bradalbane; A. J. McLeod, Stanley Bridge.

There were registered at the Hotel Davies this forenoon: C. A. Griffith, Toronto; James Reid, E. A. Saunders, Halifax; Frank G. Busby, New York. Last evening's arrivals included: J. B. Townsend, St. John; J. R Hunter, Windsor; Daniel Hockin, W. E. Lord, R. F. Mertin, Halifax; H. Graham, London, Eng; Allen Parsons, Montreal; E. B. Williams, Ottawa; D. Schurman, Summerside.

Some days ago it was reported that Li Hung Chang, after his return to his native country, had been appointed minister for foreign affairs. It now appears that the emperor of China, instead of appointing Li Hung Chang to any new office, has docked him a year's salary of those offices which he now holds. This is a plan of rewarding his services which the great Oriental statesman will hardly appreciate.

NEWS NOTES

The Princess of Wales has founded in Norfock a technical school for dressmaking and cookery.

The Queen has sent a message to the Viceroy of India expressing her sympathy with the people who are suffering with the famine caused by the failure of the summer rains, and promising to assist them.

When the late Archbishop Benson was a student at King Edward's school, Birmingham, he carried off five prizes in one year, namely, those for English verse and English prose, Latin verse and Latin prose and Greek verse. This was a feat that had never been previously accomplished, not even by Bishop Lightfoot, who, as a boy, was one of the greatest prize-winners of his day.

And now Spain is troubled by the spread to the Sooloo Islands of the rebellion that began in the Phillippins. It is true that the Sooloos are not of much importance, containing 75,000 people, or thereabouts. But every little counts when the burden is already heavy. There are not enough Spanish soldiers in the Philippines to deal with the rebellion there, and the 250,000 in Cuba are inadequate. Spain had better throw up the sponge, and turn to home reforms.

The great wave of prosperity which the grits predicted would sweep over Canada on their assuming control of the government, has apparently not been felt to any great extent by the Amherst car works. Work is so slack with Amherst's principal industrial establishment that the firm are thinking seriously of closing down this week. Messrs. Rhodes & Curry report that never since they started their works has business been so dull.—Moncton Times.

His remains were carried to the new Cemetery at Caledonia West, followed by a large number of sorrowful neighbors and playmates.

MORE BLOATED POMP.—Mr. Blair has also overcome his economical scruples and natural shyness. He, too, has begun to practice riding in a private car. For this he may be taken to task when the Minister of Public Works gets back. Why should he, a mere little Premier, ape the greatness of the Master of the Administration?
