VARIETIES.

An Old Book.—The oldest book in the United States, it is said, in a manuscript Bible in the possession of Dr. Witherspoon, of Alabama, written over a *thousand years ago!* He describes it as follows:—"The book is strongly bound in boards of the English oak, and with thongs by which the leaves are also well bound together. The vellum, is of fineness and smoothness little inferior to the best satin. The pages are all ruled with great accuracy, and written with great uniformity and beauty in the old German-text hand, and divided into chapters and verses.—The first chapter of every book in the Bible is written with a large capital of inimitable beauty, and splendidly illuminated with red, blue, and black ink, still in vivid colours; and no two of the capital letters in the book are precisely alike."

The Value of what is common.—Through the vulgar error of undervaluing what is common, we are apt, indeed, to pass these by as of but little worth. But as in the outward creation, so in the soul, the common is the most precious. Science and art may invent splendid modes of illuminating the apartments of the opulent; but these are all poor and worthless, compared with the light which the sun sends into our windows, which he pours freely, impartially, over the hill and valley, which kindles daily the eastern and western sky; and so the common lights of reason, and conscience, and love, are of more worth and dignity than the rare endowments which give celebrity to a few.

A New Reading.—An aphorism floating through the newspapers, says that "an egg to-day is better than a hen to-morrow." This is a new way of expressing the sentiment, "A bird in the hand is better than one in a bush."

Napoleon used to say, "Strange as it may appear, when I want any good headwork done, I choose a man, provided his education has been suitable, with a long nose. His breathing is bold and free, and his brain, as well as his lungs and heart, cool and clear. In my observation of men, I have almost invariably found a long nose and a long head go together.

Complimnnt to our Generals.—The Turks will have it, that the soldiers' wives in our camps belong to the harems of our generals, and affirm we are going to retain possession of the country, as our households have come along with us. Our washerwomen, who may be found in every shady nook and alley of the valleys round the camp, with extempore boilers fixed into the green banks, are always the *foci* of araba drivers, who seem to think them witches engaged in some unholy mystery.

An Irishman Appropiating Boots.—Our poor tattered fellows were glad to obtain some of the more substantial clothing of the conquered, who had now no farther need of it. Some bodies, a sight unknown at the Alma, were completely stripped. Their stout boots seemed to find especial favour in the soldiers' eyes. "Shure," observed an Irishman, whose shoes were in a very bad state, apostrophising the body of a poor fellow who had died with the medallion worn by so many of them pressed convulsively in his hands, "Shure, I belave you were a better Christian than those bastes we're fighting for; but your boots can't do you no more good now, and they'll do me a dale."

He that hath a God, a good heart, and a good wife to converse with, and yet complains that he wants society, would not have been easy and contented in Paradise, for Adam himself had no more. But every married man is not possessed of all the blessing.

Going the Whole Hogshead.—What beverage did the officers of the 46th Regiment manufacture, and how much of it?—They made a but of Perry. [Not bad this for an out *cyder.*]

A lemonless Irishman was observed one evening slicing a potato into his hot whiskey toddy. "What are you about?" inquired Charley. "It's punch I am making, dear," replied Pat. "But what are you slicing that in for?" "To give it flavour." What a potato flavour!' Sure and isn't a a flavour a flavour, whether it's lemon or potato?"

The English lady of fashion, who sent to the fishmonger's for a pair of gutta-percha soles, has been taking her children to Madame Tussaud's to have them properly *waxinated.*

The young lady who fancied cucumbers grew in slices has recently been married to the young gentleman who sent over to St. Petersburg a large cargo of hearthstones for cleaning the *steppes* of Russia.

The sensitive actor who couldn't sit in same room with a tea-urn on account of its hissing, has just been killed with a "*burst* of applause."

Ill news is swallow-winged, but what is good walks on crutches.

Gold is the god, the wife, the friend and the money-monger of the world.

There is no pride in heaven, because no corruption is there for it to thrive on.

Man, armed with reason and a hand, has no match among other animals.

The most extensive "Tin Shop," in the universe.—The Bank of England.

Indifference to praise is generally dead to shame.

The term "grass-widow" arises from the fact that their husbands are roving *blades.*

It is wise not to seek a secret, and honest not to reveal it.

R. R. R.
Highly Important to the Public.

The Sick cured on the R. R. R. Theory.

THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by Radway & Co. So quick, so powerful, so effectual, so safe, so pleasant, are these remedies in stopping pain, checking disease, expelling from the human body all foul and corrupt humors, all diseased and poisonous deposits, and restoring the weak, feeble, and fragile frame, worn out by disease and long suffering, to sound health and long life, that whoever uses these remedies, and becomes familiar with the R. R. R. Theory, will never need a physician, unless it is in some critical surgical case. The R. R. R. Remedies will never fail—they prove themselves in the worst cases in less than *twenty-four hours.*

They invigorate, they renovate, they regulate, they relieve the suffering, pain-stricken invalid from the most torturing pains *in a few minutes.*

They restore the sick and diseased body *to health and longevity.*

To the low spirited and nervous they impart joyfulness, vigor, and a happy flow of spirits.

To the aged and infirm, whose constitutions are worn out by decrepitude and limbs palsied and enfeebled, they impart the elasticity and buoyancy of manhood in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted with languor, lassitude, loss of appetite, gloomy feelings, &c., they impart to the recuperative organs a healthy regularity of action.

To the thoughtless seeker and victim of animal passions, who has *wasted* away his strength in folly and revelry, they check the *waste of manhood*, and restore every organ to a sound and natural condition.

To all who suffer pain, to all afflicted with disease, the R. R. R. REMEDIES will quickly and effectually free the sufferer from misery, and render the most wretched capable of enjoying sound health and long life.

R. R. R.
REMEDIES.

The R. R. R. Theory requires only three remedies for the cure of the sick, and the protection of the human system against sudden attacks of v int diseases.

No. 1.—Radway's Ready Relief.—*For the instant Relief of Pain, and quick cure of Acute Maladies.*

No. 2.—Radway's Renovating Resolvent.—*For the effectual cure of all Chronic and Scrofulous Diseases that have been lingering in the System, corrupting the Human Body, for Five, Ten, Twenty, or Forty Years.*

No. 3.—Radway's Regulators.—*For restoring and regulating to a healthy and harmonious action all the Organs in the System. A mild and effectual carthartic.*

R. R. R.—No. 1—RADWAY'S READY RELIEF is for the instant relief of the sufferer from pain, and to check and arrest the progress of diseases; to disinfect animal, malarious, and infectious poisons, thus protecting whoever uses it against all poisonous Infection, from Contagion, and from sudden attacks of Cholera, Pneumonia, Ship Fever, Fever and Ague, &c. Likewise for the effectual and radical removal of all pains and diseases of the Joints, Limbs, Nerves, &c., in from five to fifteen minutes.

RADWAY'S READY RELIEF will stop the most distressing and violent pains, either internal or external—Nervous, Neuralgic, Bilious, or Rheumatic.

A Fixture in the Family.—Every family should keep a supply of RADWAY'S READY RELIEF in their houses—it is useful in so many ailments—it is always beneficial; he gurantees it is a sure cure for Cholera, if taken in its first symptoms. If used when violent epidemics prevail, it will save ife.

R. R. R.—No. 2.—Radway's Renovating Resolvent.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT resolves away all diseased deposits that have been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to ensure a perfect cure. The action of the RESOLVENT is directed first to the absorbents, stimulating them into action; and, second to the blood, which it depurates by its alterative action over the glands the liver, pancreas, kidneys, &c., (which are the sewers that nature has established for purifying the blood). You will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF RENOVATING RESOLVENT. It resolves away diseased deposits; it purifies the blood, and renovates the system. Tumors are removed and discussed by its operation; Chronic Swellings are dissipated; Nodes are softened and melted away. The most loathsome Skin diseases disappear under its action; Scrofulous constitutions are soon amended, and the disease checked wherever it has attacked the system. Syphilis, with all its horrible train of concomitants, here find a certain and infallible cure; and Consumption, too, often finds its master. For Chronic Dyspepsia, RADWAY'S RENOVATING RESOLVENT is not only an effectual, but quick cure.

Bronchitis.—We know of no remedy, nor of any treatment that will so quickly and effectually cure Bronchitis as the RESOLVENT. It is in all old Chronic cases where RADWAY'S RENOVATING RESOLVENT will be most appreciated.

Its Procreative Power.—Married persons, who are no t blessed with offspring, if the difficulty arises rom imperfect organs and incompetency, will find he R . R. Resolvent of great benefit.

Dyspepsia, Water Brash.—This distressing disorder is generally the result of a low grade of Chronic inflammation of the Stomach. The patient, who generally feels well enough when the stomach is empty, is afflicted with the most distressing symptoms on taking food. Water Brash eructations, with burning sensation, heart burn, pain at pit of stomach, &c. This disease is generally accompanied with costive bowels.

Treatment.—Resolvent three times per day after meals, dessert spoonful. One Regulator on going to bed at night, to keep the bowels open and regular. When the Heart Burn is very distressing, a dose of the Relief taken in water will promptly relieve it.

The public may rely upon an effectual cure of the following diseases by using the Renovating Resolvent:—

Chronic Rheumatism,	*Tumors, Ulcers,*
Scrofula,	*Skin Diseases,*
Glandular Swellings,	*Hip Diseases,*
Hacking dry Cough,	*Female Complaints,*
Cancerous Affections,	*Gout,*
Syphilitic Complaints,	*Rickets,*
Bleeding of the Lungs,	*Salt Rheum,*
Dyspepsia, Water Brash,	*Bronchitis,*
Tic Doloroux,	*Consumption,*
White Swellings,	*Liver Complaint.*

R. R. R.—No. 3.—Radway's Regulators.—THE THIRD GREAT MEDICAL DISCOVERY OF RADWAY & CO.—One Regulator is sufficient to regulate the Bowels, Liver, and Pancreas to a healthy and harmonious discharge of their functions.

Two will insure a pleasant discharge from the bowels at a regular period of time every day.

Four to six will purge thoroughly all corrupt and acrimonious humors from the alimentary canal.

Important to Pill Takers.—Every one who is in the habit of taking pills will find RADWAY'S REGULATORS the most pleasant, safe, effectual regulator of the Bowels, Liver, Pancreas, and the most CERTAIN PURIFIER OF THE BLOOD in use.

One of RADWAY'S REGULATORS is superior in point of medical strength and efficacy, to six of the most popular and best approved Cathartic Pills.

All Purgative or Cathartic Pills are made from the crude materials of their composition: the inert and active principles are combined together, and the pills are made up of this common mass, so that out of six pills the patient has to swallow, all the really and truly medical virtues of the same would not make more than two pills. Every chemist well knows that out of the crude materials of drugs, roots, herbs, barks, plants, &c., there is only a yield of one tenth of medical virtue. We seriously believe that more deaths are caused by overloading the system with useless physic than from disease. No more medicine should be given to a patient than what is necessary to produce the desired effect, and to overload the system with useless drugs is not only checking the action of active virtues, but is inflicting serious labour upon the already shattered constitution.

R. R. R. Remedies are based upon this principle—there is as much difference, in point of strength and efficacy, between *Radway's Regulators* and all other Cathartic Pills, as there is between quinine and common bark, or morphine and opium.

RADWAY'S REGULATORS, therefore, are the best pills for the sick to take, one being sufficient in all ordinary difficulties, and two possessing a greater and better power than any six of the most approved pills known.

Radway's Regulators are a certain cure for Costiveness, Indigestion, Liver Complaint, Kidney Complaint, Jaundice, Head Aches, Nervousness, Melancholy, Diseases of the Bladder. Female Difficulties.—Leuchorrhœa, Fleur Albus, Whites, and Irregularities of all kinds. Bilious Diseases.—Bile on the Stomach, Bilious Colic, Enlargement of the Spleen, and all Chronic Affections of the Liver and Kidneys.

RADWAY'S REGULATORS are most carefully prepared from extracts and gums of trees, plants, roots, and herbs. There are no pills in use that will act upon the Liver, Pancreas, Bowels, the Salivary Glands and Nerves, so pleasantly and so effectually as the R. R. REGULATORS. No pills can be taken for any length of time with the same safety to the constitution; for, instead of debilitating the system by powerful and drastic purging, they act pleasantly upon the bowels, and impart strength to every nerve and tissue of the body.

One of the REGULATORS, taken on going to bed, will insure a regular and healthy discharge from the bowels in the morning. In cases where eight or ten of the common pills are used for free evacuations, two or three of the REGULATORS are sufficient.

NO CALOMEL

or other poisonous drug enters their composition—they are entirely vegetable. They are pleasant to take, elegantly coated with a medicinal gum, are perfectly tasteless, and free from smell. No person will feel any disagreeable symptoms from taking a dose of REGULATORS.

CAUTION.

There is a counterfeit Ready Relief in the market; the labels are very similiar to the labels on the genuine. Purchase only of authorized agents, and inquire of the person you purchase from if they know it to be genuine. If you do not find relief from pain in fifteen minutes, send us the label of the bottle you purchase, and inform us from whom you purchased.

Dr. De Roos, from long practical experience in the most celebrated institutions of this country and the continent, has had, perhaps, unusual opportunities of observing the peculiarities relating to the physiology, pathology, and general treatment of the disorders referred to in the above work, and having devoted his studies almost exclusively to this class of diseases, he is enabled confidently to undertake their removal in as short a time as is consistent with safety.

Persons in any part of the World, may be successfully treated by forwarding a correct detail of their case, with a remittance for Medicines, &c. which will be returned with the utmost despatch, and secure from observation.

The CONCENTRATED GUTTÆ VIVÆ, or Vegetable Life Drops, are recommended to all those who have injured themselves by early excesses, and brought on Spermatorrhœa, Nervousness, Weakness, Languor, Low Spirits, Aversion to Society, Study or Business, Timidity, Trembling and shaking of the Hands and Limbs, Indigestion, Flatulency, Shortness of Breath, Cough, Asthma, Consumptive Habits, Dimness of Sight, Dizziness, Pains in the Head, &c.

Their almost marvelous power in removing contaminations, Secondary symptoms, Eruptions, Sore Throat, Pains in the Bones and Joints, Scurvy, Scrofula, and all other impurities, must be felt to be believed. 4s. 6d.; 11s.; and 33s. per bottle. The £5 Packages, by which £1 12s. are saved: and the £10 packages, by which a still greater saving is effected, will be sent from the Establishment only, on receipt of the amount per draft on a London house, or otherwise.

PAINS in the BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, Indigestion, Bile, Flatulency, Headache, Nervousness, Debility, Diseases of the Bladder and Kidneys, Stricture, &c.

THE COMPOUND RENAL PILLS, as their name Renal (or the Kidneys) indicates, are the most safe and efficacious remedy for the above dangerous complaints, Discharges of any kind, and Diseases of the Urinary Organs generally, which if neglected, frequently result in stone in the bladder, and a lingering, painful death, They agree with the most delicate stomach, strengthen the digestive organs, increase the appetite, improve the general health, and will effect a cure when other medicines have utterly failed. Prico 4s. 6d., 11s., & 33s. per Box, through all Medicine Vendors.

GUARD AGAINST the recommendation of spurious or other articles by unprincipled Vendors, who thereby obtain a large profit. To protect the PUBLIC against FRAUD, Her Majesty's Hon. Commissioners have directed the words "Walter De Roos, London," *to be printed in white letters on the Stamp affixed to the above, to imitate which, is felony.*
