Easter Pageant Presented By Little Sands Church

In the Little Sands United Church on Sunday evening April 9. A splendid Easter Pageant "The Garden Of Light," was held by the Young People's Union. The church was very suitably decorated for the occasion. Miss Violet Daley was organist for the evening. The following was the cast:

Darkness - Louise Stewart; Hope - Mrs. Archie MacLean; Dawn - Ada MacPherson; Easter Bells - Marion Hume, Velma Stewart, Ethel MacLean; Happiness - Janet Stewart; Easter Day - Claire MacLean; Easter Lilies - Bertha MacLean, Annabelle Bruce; Betty Stewart, Donald MacKay; Easter Messages - Marion Bruce.

A solo by Miss Violet Daley, "Alone" and a solo by Mrs. Archie MacLean, "Hopes Promise" was greatly enjoyed by the audience. Mrs. Angus Stewart assisted the cast. The following Hymns were sung during the course of the Pageant, "I Come To The Garden Alone", "In The Cross of Christ I Glory", "Go To Dark Gethsemane", "Beneath The Cross of Jesus".

The offering was received by Norman Stewart Jr. and Earl Bruce.

The meeting closed by the congregation singing the Hymn "Jesus Keep Me Near The Cross."

Georgetown Home & School Association

The regular monthly meeting of the Georgetown Home and School Association was held on March 30, instead of on the first Thursday of April, because of Easter week. Only about 15 members were present, due to another meeting being held on the same night. The meeting opened with the singing of O Canada after which the minutes of the last meeting were read and adopted. Following the reading the minutes the secretary reported the progress being made on securing a suitable water supply for the school. He reported for the committee appointed to wait upon the Mayor and Council to secure their permission to tap a line on the Griffin's Pump System and his permission was given and duly recorded in the minutes of the Council meeting.

Mr. William Murphy read a letter from the Singer Sewing Machine Company in which they agreed to hold a demonstration on the use of the various fixtures and attachments, that may be used on their machine. They further offered to inspect, free, any sewing machine. If at a later date it was found that a sufficient number were interested they would hold a sewing course. Several members voiced their opinions in favor of this offer. Miss Wright offered to make, through the school, a canvass of sewing machine owners in order that these owners might take advantage of this offer.

It was moved by Rev. S. J. Boyce, seconded by Miss Rita Wright, that the Home and School Association endorse the project. Motion carried. Due to the poor condition of the roads it was impossible for Miss Brady, the guest speaker for the evening to attend. However she sent word that she would be only too glad to act in this capacity at a later meeting.

The next item of business was the Question Box and only one question was submitted. However, this provided considerable discussion from teachers and parents alike and dealt with the value of home help in assigned exercises. The meeting then closed with the singing of the National Anthem.

the foundation stones of Guiding Here in Prince Edward Island, we are blessed with one of the most beautiful spots in the world. Let us teach our youth to make the best use of it.

Another important aspect of Guiding is camp. Many of us can look back at the thrilling days and nights spent under canvas. Early morning dips, which we found more palatable at that age than we would now. But perhaps the strongest recollection of all is that of the evening camp fire, with devotions, favorite songs and the smell of wood smoke heavy in the air.

Whether at Camp or at the weekly Guide meetings, we hold before our Guides the highest ideals of living. Our whole programme, based on the Guide Law and Promise, impresses our Guides with the need to be honorable, loyal, useful, friendly, courteous, kind, obedient, cheerful, thrifty, pure in thought, word and deed.

We hear a great deal about positive thinking these days. I personally think there is much merit in it. When we look for the good in life we usually find it. When we set our sights high we usually come near to our objective. On the other hand we know that the fault finder, the negative or pessimistic type of person rarely accomplishes anything, because he or she will attempt so little.

The Positive Approach

But our Girl Guide programme stresses the positive approach to life. When the Scout Guide programme was started by Lord Baden Powell back in 1908 in England, it must have been quite revolutionary for much of the youth training at that time had rather a negative flavour. It had an exacting large share of warnings and don'ts. Do you remember how spelling was taught? You were first told how not to spell the word before given the correct spelling. Of course this made spelling rather a confusing affair, as our first impression is the strongest. In the Girl Guides however, we hold before our girls an ideal of the finer and the higher things in life; and, we expect our Guides to live up to the best that is in them. Our Guides on the whole are responding well to this challenge. But what of us and our challenge to enlist leaders and faculties to carry out this fine citizenship building programme. Each of us can help in some way. If you feel that you haven't the ability or time to give regular leadership, then perhaps you have some particular skill or talent which you can share with the Guides. If so please contact the Guide Captain in your church and she will welcome you with open arms. Or perhaps you could serve on your Local Association, that group which assists the Guide company in so many ways, procuring equipment, finding a suitable meeting place etc. Or we would welcome any interested person to our Provincial Girl Guide Executive or Council. As one retiring after a fairly active three years office with the Provincial Executive, I can assure you that the work is highly interesting and rewarding.

This brings me to the point where I would like to thank my fellow members of the Executive for their fine co-operative support, particularly the Officers and Commissioners who have borne the brunt of the responsibility.

The resignation of Mrs. Manning Bagnall as District Commissioner is regretted. Her initiative and friendly interest will be greatly missed in Charlottetown North.

At this time too I would like to pay tribute to our retiring Provincial Secretary-Treasurer, Mrs. Louis Sagar, who has given nine years of outstanding service to our cause.

A dance was held in Legion Hall on Thursday night sponsored by the Mt. Stewart Branch of the Canadian Legion. Music was furnished by Burns' Orchestra of Charlottetown.

The funeral of the late Mrs. Ella Bourke was held on Tuesday afternoon from Mt. Stewart United Church. Service at the church and grave was conducted by the Rev. W. T. Mercer. The pallbearers were Earl Jay, Morley McEachern, W. H. Affleck, C. L. MacDonald, J. K. Doyle and James Lund. Interment in the People's cemetery, Mt. Stewart.

A new restaurant is to be opened shortly on Main Street under the management of Mr. and Mrs. Oliver Smith on the premises formerly owned by Charles Corrigan. The interior has been all remodelled and painted in blue and buff, and presents a very neat appearance. Congratulations Oliver and Fred on the completion of this fine restaurant for it will fill a long-felt want in Mt. Stewart.

Sincere sympathy is extended to relations of Bishop James Morrison whose death took place in Antigonish, N.S., on Thursday. Bishop Morrison was born in St. Andrews, P.E.I. in 1861. He received his early education at St. Andrews and studied at St. Dunstan's University and completed his study in Rome. The late Bishop Morrison was ordained in Rome in 1890. He was curate at St. Dunstan's Basilica for some years, and in 1912 was consecrated Bishop of Antigonish, N. S. He leaves to mourn two brothers, Rev. Vincent Morrison, who was a Missionary in China for some years and Allan of Savage Harbour, P.E.I.
