NOTICE! Port of Charlottetown. Sanitary Precaution.

THE Mayor and Board of Health direct the early and serious attention of the owners and Masters of Vessels, sailing from this Port, to the prevalence of CHOLERA and SMALL POX, in some of the Ports and Places with which this country holds commercial and travelling intercourse, and earnestly request them to exercise more than ordinary care in thoroughly cleansing and purifying their Vessels before going to sea.

It is well known that Cholera and Small Pox are conveyed from country to country in the track of maritime commerce, and that Cholera generates and spreads, most rapidly and fatally, in conjunction with putrid exhalations from decaying animal or vegetable substances; and most especially from exposure to the dejections of infected persons, however early the stage of the disease; there cannot, therefore, be too much attention paid to cleanliness in every person and every department of the vessel throughout the entire voyage

Should death occur from Cholera or Small Pox, prudence requires the immediate burial of the corpse, with the bedding and contaminated clothes and a thorough cleansing of the berth, &c. By no means bring any part of the worn clothes home, or to land, in any form or package whatever.

To be careful to engage no person, as part of the crew, *but who has been duly Vaccinated* or had the Small Pox Neglect of this will render such person liable to fine or imprisonment.

The particular attention of Masters of Vessels is called to the Quarantine Act "to prevent the importation and spreading of infectious diseases within this Island," especially to the first and second clauses, which require (under very heavy penalty) that all Vessels having infectious diseases on board, or having had death from infectious disease during the voyage, or coming from any place infected with such distempers at the time of her departure, shall not enter the harbour of Charlottetown, beyond the confluence of the Three Rivers, until they have been inspected by the Health Officer It is further recommended that all Masters of Vessels do make themselves well acquainted with the provisions of that most important Act, which may save them from very heavy expenses and penalties, and the Public from imminent danger.

The Health Officer has been instructed to visit and inspect all Vessels arriving at this Port from any Port in Europe or in the United States of America, or from any Port or place where Cholera or other infectious diseases may be known to prevail.

A Grave Error Corrected.

THE Editor of the *Patriot* informs the public that his Firm will "pay the highest price for good clean Timothy Seed." This is an error, for during the last week I have paid a higher price, and that at a distance of thirty miles from Charlottetown, than Messrs. Laird & Harvey have paid during this year and must still pay the full figure for a good article, otherwise how can I sustain my name as a good Seedsman. If my good friends Laird & Harvey are disposed to advance, I must follow; only don't pile on too much; because friend Laird must know that Agricola will have to pay the piper.

Impurities of the Blood.

In selecting the most appropriate medicine for a particular ailment, there may be some difficulty unless one can be found to purify, regulate, and improve the quality of the blood. THE NEW FRENCH REMEDY.

By Royal Letters Patent, under the special sanction of Her Majesty's Government and the Chiefs of the Faculte de France.

THERAPION:—or CURE OF CURES. This successful and highly popular medicament, as employed in the continental hospitals by Rostan, Jobert, Velpeau, and others, combines all the desiderata to be sought in a medicine of the kind, and surpasses everything hitherto employed Devoid of *taste odour,* and *appearance* of medicine, it can be left or carried anywhere, and taken from time to time without exciting suspicion Each package contains full instructions for every case.

THERAPION, No. 1, in three days only removes gonnorrhœ, gleet and all discharges, effectually superseding injections, the use of which does irreparable harm by laying the foundation of stricture and other serious diseases. In dysentery, piles, irritation of the bowelower, cough, bronchitis, asthma, and some of the more trying complaints of this kind, it will be found astonishingly efficacious, affording prompt relief, where other well-tried remedies have been powerless.

THERAPION, No. 2, for syphilis, disease of the bones, sore throat, threatened destruction of the nose and palate; impurity of blood, scurvy, pimples, spots blotches, and all diseases for which it has been too much a fashion to employ mercury, sarsaparilla, &c. to the destruction of the sufferer's teeth; and ruin of health. Under this medicine every vestige of disease rapidly disappears and the skin assumes the pleasing softness of infancy

THERAPION, No. 3, for relaxation, spermatorrhœa, and all the distressing consequences arising from early abuse, excess, residence in hot, unhealthy climates, &c It possesses surprising power in restoring strength and vigour to the debilitated. To those who are prevented entering the marriage state by the consequences of early error, it will render essential aid by subduing all disqualifications; and restoring the lost tone to the system. Therapion may be procured at 11s, and 33s per package, through all medicine vendors, or in £5 packages for foreign shipment, direct from London only, by which £1 12s are saved; and £10 packages for the more inveterate cases, by which a still greater saving is effected. In ordering the above, the purchaser should state which of the three numbers he requires.

HER MAJESTY'S HON. COMMISSIONERS have graciously permitted the Government stamp, bearing the word "Therapion" in white letters, to be attached to each package; thus insuring the public against fraudulent imitations, and securing to the proprietor the sole right of supply throughout her dominions; and any infringement of which they will prosecute with the utmost severity.

AGENTS FOR ENGLAND, Thomas & Co, 7, Upper St. Martin's-lane, London; Raimes & Co, Liverpool; Apothecaries Comp, Glasgow; Ferris & Co, Bristol; Cornish & Co, Plymouth; Rowe, Devenport; Randall & Co., Southampton; and obtainable through all medicine vendors in the known world, or in case of difficulty, by enclosing a draft or order for £5 or £10, according to the nature of the case, payable in London to Messrs. Thomas & Co., as above, a large package will be sent by return mail, carefully secured from observation or accident.

The Cause and Cure of Premature Decline.

Sold by all the Agents for Dr. De Roos' Medicines, or sent post free, secure from observations direct from the Author, for 2s 6d.

THE MEDICAL ADVISER on the modern treatment of mental and physical incapacity, syphilis, stricture, &c.; with unfailing rules and prescriptions for the speedy cure, by very simple means, of all the more common diseases and supposed incurable maladies of the sexual system. By Dr. W De Roos, M. D, &c, *of the Ecole de Medicine, Paris.*

REVIEWS AND NOTICES.

"The MEDICAL ADVISER, by WALTER DE ROOS, M. D., for the class of diseases upon which it treats is undoubtedly the best and most soundly practical book which has come under our notice. The author is a man of most enlarged experience." —*North of England Telegraph, June 29th, 1861.*

"To those who contemplate marriage its perusal is especially recommended.—*Bap. Mag.*——"The knowledge it imparts must come *some* time, and happy they who do not possess it too late."—*Politician*——"Cure is certain in every curable case, and few indeed are they which are not so."—*Med. Review*——"It is calculated to effect a complete revolution in the treatment of these complaints."—*Med. Gaz.*——"Simple and inexpensive, every sufferer may cure himself speedily, privately, and at the least possible cost."—*Scalpel.*

From long practical observation of the treatment pursued in the most famous Institutions of this country and the continent, for those diseases referred to in the above work, the Proprietor has had somewhat unusual facilities for acquiring that uniform success which has hitherto characterized his practice, in which the distressing consequences resulting from the injurious employment of mercury, capivi, sarsaparilla, and similar dangerous medicines are entirely obviated Lasting benefit in these cases can only be reasonably expected at the hands of those who devote their chief attention to such diseases; and to such only can confidence be safely extended. Dr. De R refers with pride to the numbers he has been instrumental in restoring to health and happiness, whilst to all who need such aid he offers every assurance of speedy restoration.

FOREIGN RESIDENTS can be successfully treated by correspondence, on sending the detail of their cases, with a Bank note or Bill on a London house for £5 or £10, in order that a package of medicines to meet the exigencies of the case, may be sent out by next mail, thus avoiding the protracted suffering and unnecessary loss of valuable time, which must otherwise occur.

DR DE ROOS' GUTTÆ VITÆ OR LIFE DROPS; *Protected by Royal Letters Patent of England; Seals of the Faculte de France; Royal College of Prussia, &c,* have in numberless instances proved their superiority over every other advertised remedy for Spermatorrhœa, languor, lassitude, depression of spirits, irritability, anger, excitement, needless fear, distaste and incapacity for society, study or business; indigestion, pains in the side, palpitation of the heart, giddiness, noises in the head, impotency, impediments to marriage, &c. This medicine strengthens the vitality of the whole system, gives energy to the muscles and nerves, thus speedily removes nervous complaints, renovates the impaired powers of life, and invigorates the most shattered constitution. For skin eruptions, sore throat, pains in the bones, and all those diseases in which mercury, sarsaparilla, &c. are too often employed in vain, to the serious detriment of health, its surprising efficacy has only to be tested to be appreciated.

As these complaints if neglected become chronic or incurable, sufferers will do well before they waste valuable time in seeking aid from instruments, and other absurdities professing to supersede medicines, to make fair trial of a remedy, which concocted on unerring scientific principles, cannot fail, and may be carried about the person, or left upon the toilet table, without exciting a suspicion of its nature. Price, 11s, and four times the quantity at 33s per bottle. The £5 packages containing twelve 11s quantities, by which a saving of £1 12s is effected, will be sent from 25, Bedford Place, only on receipt of the amount per draft on a London house or otherwise.

PAINS IN THE BACK, GRAVEL, LUMBAGO, GOUT, RHEUMATISM, DISEASE OF THE KIDNEYS, BLADDER, &c. DR DE ROOS' COMPOUND RENAL PILLS are a most safe and speedy Remedy for the above dangerous complaints Discharges and Diseases of the Urinary Organs generally, which too frequently harass the sufferer over the best years of life, and end only in an agonising death. They agree with the most delicate stomach, and in three days effect a cure when capivi, cubebs, &c, have utterly failed 2s 9d., 4s 6d., 11s, and 33s per box The superiority of these celebrated medicines over everything of the kind, is universally acknowledged, and the extraordinary demand for them without precedent

Many there are, who from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. With the above remedies the sufferer may without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense

CAUTION.—Sufferers should guard against the recommendation of useless imitations by dishonest vendors, who thereby obtain a larger profit. The genuine have the words "WALTER DE ROOS LONDON," *printed in white letters on the Government Stamp,* BY ORDER OF HER MAJESTY'S HON. COMMISSIONERS, *to imitate which is felony.*

DR. LA'MERT ON SELF-PRESERVATION.

PRICE WITH ENGRAVINGS AND CASES, 1s. 6d, BY POST, 3s. CURRENCY.

SELF-PRESERVATION: A popular Essay on Nervous and Physical Debility, resulting from injurious habits contracted in youth, or excesses in maturity, which, by prematurely exhausting the functions of manhood, destroy the happiness of Married Life, or prevent the fulfilment of engagements that constitute the most cherished objects of existence, by DR LA'MERT, 37 Bedford Square, London, Licentiate of the Royal College of Physicians of Edinburgh; Member of the Royal College of Surgeons, England, &c.

The above work contains most useful and interesting information on the physiological changes which occur in the Reproductive System during the periods of youth, puberty, and manhood; and on the due attainment of that degree of functional vigour upon which the hopes of posterity depend. It also points out how all the attributes of manhood can be preserved to an advanced period of life, how they are lost, and how they can be recovered. It is free from the gross exaggerations, alarming descriptions and dangerous remedies so generally resorted to by persons, who, practising with false medical qualifications, inflict most serious injuries, and render judicious treatment frequently abortive.

The author is the only legally qualified practitioner whose name stands on the 'Medical Register,' (the sole test of medical qualification) who has been exclusively engaged for a series of years in the treatment of the various functional disorders of the nervous and reproductive system, which, owing to the great discoveries of modern science, are rendered subservient to a rational, simple and easy mode of treatment

At home for consultation daily from ten till two, and from six till eight, either personally or by letter—37 Bedford Square, London, England.

Patients residing in the Colonies can be successfully treated by correspondence, and remedies can be forwarded in secrecy and safety to any address.
