## ... Town on the Move ...

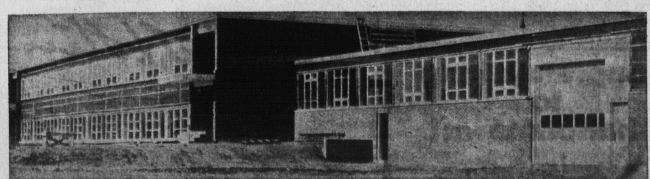

Official Opening Of Memorial Fountain In Summerside

New Summerside Fire Hall

Year after year the face of Summerside is becoming more modern. This can happen only to a hustling, bustling town with a great future. There have been exciting changes... home building at an unprecedented rate... new industry... major construction such as the new Vocational and High Schools, motels, retail outlets and many establishments that have had their faces modernized. Summerside is a town of achievement which places it as one of the leading centres in which to live, work and to raise families, a town of approximately 10,000 people striving to meet the challenge of the future. This is the story of a thriving town in a rapidly expanding market.

With faith in our Community, we look forward to the year 1964 as being one of progress and development... for the betterment of Summerside and all its citizens.
