

Local and Other Items.

MAILS.—The mails arrived at the usual hour this afternoon.

STIPENDIARY MAGISTRATE'S COURT.—Rodrick Campbell, drunk, \$1 or 4 days.

RESIGNED.—We understand that Mr. Earle has resigned his position as organist of St. Paul's Church.

DRAMATIC.—Every one should encourage our local Dramatic Co., by attending their entertainment in the Lyceum on Easter Monday night. Galbraith's orchestra will be in attendance.

ENTERTAINMENT.—There will be a Literary and Musical Entertainment held in St. Paul's School Room, on Thursday the twelfth day of April next, the programme of which will appear shortly.

TROTTING MATCH.—A trotting match came off on West River ice on Monday afternoon, between Arthur Wright's mare Kate, and Thomas Burdett's Abdallah mare. Wright's mare won in three straight heats.

WHOLESALE ROBBERY.—Within the last two years Canada has lost \$3,000,000 through embezzlers, who have escaped to the United States with the money. During the same time American embezzlers have taken more than \$20,000,000 into Canada.

DIED FROM EXPOSURE.—By private telegram from Magdalen Islands, we learn that the captain of the schr. "Syntax", Alex Perry, which left Souris late last fall, died recently from the effects of exposure received on the passage down.

ON THE MOVE.—Mr. Kinsman, who has lately purchased the wrecked Schooner Volant at Souris, has men engaged trying to get her off. The Hattie F. Rich has been put afloat, and Mr. Stewart is now waiting for the ice to leave to get her alongside the Breakwater.

THE NORTHERN LIGHT.—The Northern Light yesterday broke the ice in Souris Harbour for several hundred yards, and is now near the edge of the ice of the board ice. There is open water beyond, and the probability is that she will leave her winter quarters this week. There is a large amount of freight on both sides waiting for her.

BOSTON PRICES.—From the Boston Produce Circular of 22nd March, we learn that the receipts of potatoes there for the past six days, were 194,500 bushels including 121,500 bushels of foreign. Foreign have been ranging lower than last week. Magniums have to be extra to fetch 75 cts. and 60 to 55 cts. is a full quotation for Scotch Champignons.

ANOTHER HORSE RACE.—A very interesting race came off over a straightaway track on Hillsborough ice yesterday afternoon. There were four starters, viz: Masters' Milton Boy, McAleer's Railway Jim, Crabbe's Darky and McLeod's Spider. The horses came in in the order in which their names appear. The ice was in very good condition, and quite a number of people witnessed the race.

A TESTIMONIAL.—Mr. James E. Cox, Government accountant of Messrs. Gooderham & Worts' distillery, was yesterday the recipient of a handsome testimonial from his confreres in the Inland Revenue Service of Montreal, where he is in charge of tobacco and cigar factories. The testimonial was a complimentary address, accompanied by a beautiful meerschaum pipe.—Toronto Globe, March 22. Mr. Cox referred to above is a son of P. D. Cox, Esq., C. E., of this city.

IDENTIFIED.—The young man Kelly, who died in the Hospital at Grand Forks, Dak., in September last, and whose relatives were inquired for through Postmaster Brecken, turns out to be a son of Mr. Edward Kelly, of old Town Road, Lot 22. His brother Patrick has had several letters from Henry Hammond, the man whose letter of enquiry appeared in THE EXAMINER last December, and the identity of the deceased has been settled beyond question. He left some money in one of the Dakota Banks.

SCOTT ACT CONVICTIONS.—At Victoria (Crapaud) on Saturday last before D. W. Palmer and Henry Wadman, Esqs., J. P.'s, the following Scott Act Convictions were obtained: Mary McNevin, Bonshaw, two first offences, \$50 or two months each; Frank McKenna, Victoria, first offence, \$50 or one month; John McGaughey, Green Road, Lot 30, first offence, \$50 or two months; Lawrence McGaughey, Green Road, first offence, \$50 or two months. These convictions represent four days' work by Prosecutor Henderson.

LOST IN THE ICE.—We learn from the Pioneer that a span of horses belonging to a Mrs. Brown, were drowned at Clifton one day last week. They were driven into a hole, cut in the ice by some persons who had been digging mud. It seems a thin ice that had formed over the hole deceived the teamster and he drove his horses on the dangerous spot when they suddenly disappeared, and after some time reappeared, and were taken out lower down the river. It is understood that the owner of the team will enter an action for damages against the parties who cut and left such a trap in the way of public traffic.

DANGEROUS.—The lot known as the Whelan lot, on the South corner of the Hillsborough Square, is in a very dangerous condition. The contents of the cellar was taken by the Street Committee some years ago to repair the streets. This has caused the cellar walls to cave in, and the apogee for a fence which surrounded the lot to drop into the cellar. The sidewalk in front of this lot is now very much damaged, making it very unsafe for persons walking by that way. The fact alone that hundreds of children to and from the Notre Dame Convent pass by daily, should induce our Civic Rulers to have this state of things remedied. They are now warned, and will be held responsible for the consequences of their neglect.

THE C. P. R. EXHIBITION CAR.—The exhibition consists of 60 different kinds of wild grasses; 24 kinds of potatoes; oats, both black and white; wheat, barley, flax, oil cake, apples and grapes from British Columbia; copper ore and soft coal from a mine in Alberta; heads of bull, cows and hogs, from the stock-raising farm of Alberta; pumpkins, squashes, etc. The samples of onions are unusually large and good. It should be stated that the exhibition is now seen at its worst. Starting over six months ago from Montreal, it has travelled all through Ontario and different parts of the Dominion and is now on the return trip home, the only other places to be visited being Sussex and St. John. The distance travelled already has been something over 4,000 miles; the return trip will be about 1,000 miles.—St. John Telegraph.

SPECIAL DESPATCHES TO THE EXAMINER.

BRITISH POLITICS.

BALFOUR'S LAST BILL

Discussed in the Commons.

LONDON, March 27.

The debate on Balfour's bill to expedite business in the Irish Land Courts, by appointing assessors to assist Judges, was resumed in the Commons to-night.

Lord Randolph Churchill urged the Government to substitute for Balfour's bill a larger measure, bringing the machinery of land litigation in Ireland under one body. Mr. Balfour contended that the bill would enable the land courts to deal more rapidly with pending arrears, and would give greater elasticity to the work of the courts. The proposals were designed to meet the views of the Opposition, and if they did not meet their approval he would withdraw them.

Mr. Gladstone approved of the introduction of the bill without pledging ultimate approval of the measure. The bill was read a first time and the House adjourned until April.

GERMAN POLITICS.

The Empress Speaks.

BERLIN, March 27.

The Empress Victoria, replying to addresses presented her by seventeen associations, of which she is patroness, says her foremost sacred duty will be the care of her suffering husband. She is conscious of the task devolving upon her as Queen-Empress, and will accomplish it to the best of her ability. At the same time she is reminded that she has other social duties, the moral and intellectual education of women, the sanitary condition of the laboring classes, the improvement of facilities by which women may earn a livelihood. The noblest vocation of a Princess, she says, is untiring activity in the work of ameliorating the sufferings of all classes. Owing to the difficulty of her task she is doubtful whether she will succeed as well as her heart desires.

Trade With the United States.

OTTAWA, March 27.

The Government decline to give any explanation in regard to their refusal to admit free of duty those articles of natural products now on the American free list, and special despatches from Washington indicate that a bill will be introduced into the United States Congress placing fresh fish, fruits, eggs, and all other articles of Canadian produce now free on the dutiable list. It is stated that a duty of 4 cts. per dozen will be placed on eggs, 50 cts. per barrel on apples, and a half a cent a pound on fresh fish.

Departure of the Governor-General.

OTTAWA, March 27.

It is understood that His Excellency and suite will leave Canada for England about the last week in May, and that Lord Stanley, of Preston, will assume the position of Governor-General at the same time. The farewell banquet to Lord Lansdowne will take place a day or two previous to his departure, and promises to be one of the grandest affairs of the kind ever seen in Canada.

Another Terrible Occurrence.

ORRILLA, Ont., March 27.

A horrible affair occurred last night at Warminster, a village 7 miles from here. Joseph Hall, the Postmaster, and his wife went to a church social, leaving their hired man and four children in the house. About half-past eleven fire was discovered in the house. The three younger children, aged 5, 3 and 1 perished in the flames. The entire contents of the store were consumed.

The Dominion Exhibition.

OTTAWA, March 27.

Mr. Kenny, M. P., had an interview with the Government to-day. It is understood that the Dominion Exhibition should be held in Halifax this year. Mr. Kenny also warmly impressed the Government with the necessity of providing a subsidy for steam communication between Halifax and the West Indies.

A Big Horse Shipment.

HALIFAX, March 27.

The steamer Aloues, which arrived from Glasgow, brought one of the finest collections of horses ever seen in this city, including seventeen Clydesdale stallions, six mares and thirty-six Shetland ponies. Four horses died on the trip. Ten of the horses are for Galbraith Bros., Illinois, and six for MacBain, London, Ont.

Thrown Out.

HALIFAX, March 27.

The Legislative Council threw out the Quebec resolutions to-day without discussion, only four members voting in their favor.

Denouncing Balfour's Bill.

DUBLIN, March 27.

Messrs. Dillon and Healy, addressing League meetings in Dublin this evening, said Balfour's Land Court Bill would raise the fiercest opposition, unless modified in consonance with the wishes of tenants.

Weather Bulletin.

TORONTO, March 28—10 a. m.

East to south winds, partly cloudy or cloudy weather, with local falls of snow or rain, not much change in temperature.

Will Not Interfere.

OTTAWA, March 27.

The Government has declined to interfere with the prohibitory liquor law in the Northwest Territories, beyond giving permission for licensing the brewing and sale of malt beverages.

For Two More Years.

OTTAWA, March 27.

The Imperial authorities have given their consent for Lieut.-General Sir Fred. Middleton to serve an additional two years as commandant of the Canada Militia when his present term has expired.
