

Gems of Thought.

Adversity is the first path to truth. Love gives itself, but is not bought. The greatest misfortune of all is not to be able to bear misfortunes. Censure is a tax a man pays to the public for being eminent. Advice is seldom welcome. Those who need it most like it least. He who cannot take a hint cannot comprehend a long explanation. Adversity is the trial of principle. Without it a man hardly knows whether he is honest or not. How is it possible to expect that mankind will take advice, when they will not so much as take warning?

Energy and power results from a ceaseless looking forward in the hope of making to-morrow better than to-day.

The happiness derived from doing deeds of kindness is the purest the sweetest, and the most lasting of all human enjoyment.

There is in every human countenance either a history or a prophecy, which must sadden, or at least soften, every reflecting observer.

The surest sign of age is loneliness. While one finds company in himself and his pursuits, he cannot be old, whatever his years may be.

He that waits for repentance waits for that which cannot be had so long as it is waited for. It is absurd for a man to wait for that which he himself has to do.

There cannot live a more unhappy creature than an ill-natured old man, who is neither capable of receiving pleasures nor sensible of doing them to others.

The night is made for tenderness, so still that the low whispers, scarcely audible, is heard like music, and so deeply pure that the fond thought is chastened as it springs, and on the lip made holy.

He who calls in the aid of an equal understanding doubles his own; and he who profits by a superior understanding, raises his powers to a level with the height of the superior understanding he unites with.

He who thinks no man above him but for his virtue, none below him but for his vice, can never be obsequious or assuming in the wrong place, but will frequently emulate men in stations below him, and pity these nominally over his head.

I venerate old age; I love not the man who can look without emotion upon the sunset of life, when the dusk of evening begins to gather over the watery eye, and the shadows of twilight grow broader and deeper upon the understanding.

The great high road of human welfare lies along the old highway of steadfast well-doing, and they who are the most persistent, and who in the meek spirit, will invariably be the most successful; success treads on the heels of every right effort.

Men think God is destroying them because he is turning them. The violinist screws up the key till the tense cord sounds the concert pitch; but it is not to break it, but to use it tunefully, that he stretches the string upon the musical rack.

PARK'S COTTON YARNS.

Awarded the only Medal Given at the Centennial Exhibition For Cotton Yarns of Canadian Manufacture. Nos. 5's to 10's. WHITE, BLUE, RED, ORANGE & GREEN. Made of Good American Cotton with great care. Correctly numbered, and Warranted Full Length and Weight.

WE would ask the purchasers of Cotton Warp to remember that our Yarn is spun on Throstle Frames, which make a stronger yarn than the Ring Frames, used in making American yarn.

It is also better twisted and more carefully reeled; each hank being tied up in 7 leas of 120 yards each. This makes it much more easy to wind than when it is put up without leas—as the American is—and also saves a great deal of waste. Those acquainted with weaving will understand the great advantage it is to them to use yarn put up in this manner.

COTTON CARPET WARP, Made of No. 10 Yarn, 4-Ply Twisted WHITE, RED, BROWN, SLATE, &c. All fast colors.

Each 5 lb. bundle contains 10,000 yards in length and will make a length of carpet in proportion to the number of ends in width. We have put more twist into this warp than it formerly had, and it will now make a more durable Carpet than can be made with any other material. Since its introduction by us, a few years ago, it has come into very general use throughout the country. All our goods have our name and address upon them. None other are genuine.

The Greatest Medical Discovery since the Creation of Man, or since the Commencement of the Christian Era.

There never has been a time when the healing of so many different diseases has been caused by outward application as the present. It is an undisputed fact that over half of the entire population of the globe resort to the use of ordinary plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTERS are acknowledged by all who have used them, to act quicker than any other plaster they ever before tried, and that one of these plasters will do more real service than a hundred of the ordinary kind. All other plasters are slow of action, and require to be worn continually to effect a cure; but with these it is entirely different; the instant one is applied the patient will feel its effect.

Physicians in all ages have thoroughly tested and well know the effect of Capsicum; and it has always been more or less used as a medical agent for an outward application; but it is only of very recent date that its advantages in a porous plaster have been discovered. Being, however, convinced of the wonderful cures effected by DR. MELVIN'S CAPSICUM POROUS PLASTERS, and their superiority over all other plasters, they now actually prescribe them, in their practice, for such diseases as rheumatism, pain in the side and back, and all such cases as have required the use of plasters and liniments, and they have failed, and you want a certain cure, ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER.

You can hardly believe your own convictions of its wonderful effects. Although powerful and quick in its action, you can rely on its safety for the most delicate person to wear, as it is free from lead and other poisonous material commonly used in the manufacture of ordinary plasters. One trial is a sufficient guarantee of its merits, and one plaster will sell hundreds to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM POROUS PLASTER, and take no other; or, on receipt of 25 cents for one, \$1 for five, or \$2 for a dozen, they will be mailed, post paid, to any address in the United States or Canada.
