

Local and Other Items.

A BIG SHIP.—The iron ship Great Victoria, now at St. John, is registered at 2,268 tons. She is to take deal from there to Liverpool at 62s. 6d.

GRAYNESS, baldness, dandruff and all diseases of the scalp, and falling of the hair can be cured by using Hall's Vegetable Sicilian Hair Renewer.

THE RAILWAY PICNIC.—A very large number attended the railway picnic to-day. The Citizens' Band was in attendance looking very neat in their new uniforms, which were made by McLeod & McKenzie, and which reflect great credit on the firm.

POLICE COURT.—Patrick McCloskey reported under this heading yesterday was not the Patrick McCloskey who is in the railway employ and was formerly attached to the gas works. The erring Patrick McCloskey belongs to the country.

AYER'S Cathartic Pills are recommended by the best physicians, because they are free from calomel and other injurious drugs, being composed of purely vegetable ingredients. While thorough in their action, they stimulate and strengthen the bowels and secretory organs.

THE ST. JAMES' S. S. PICNIC.—Many adults as well as children attended this picnic to-day; but the proceedings were somewhat marred by the rain which fell about noon. If the weather clears up, a pleasant evening may be passed on the excursion in the Southport.

ARTILLERY BAND EXCURSION.—The Artillery Brigade Band's excursion came off last evening, as advertised. A very large number attended, and the sail on the Bay was delightful. The part of the lower deck kept for dancing was fully occupied during the whole of the sail.

TEA PARTY AT CLIFTON, LOT 48.—Attention is directed to the advertisement of the tea party in behalf of the Methodist Church, to be held at Clifton, Lot 48, (about a mile from Southport Ferry) on Wednesday afternoon next, the 14th August. A pleasant gathering is anticipated, and visitors from the city will be cordially welcomed.

GRAND CONCERT.—The grand benefit concert, under the direction of Messrs. Logan and Sobieski, is to be held on Thursday, the 15th inst., instead of Tuesday, as at first announced. An unusually fine programme is being prepared, which will appear next week. The concert will terminate with a promenade, with music by a brass band, and ice cream and refreshments will be provided.

Personal.

Emperor William has been appointed to Honorary Admiral in the British navy. Sir William Ewart—one of the pillars of the Irish Conservative Party—is dead.

Mr. W. N. Riggs, of the Registry Office, is off to-day for a couple of weeks holidays. The railway picnic to start with, and numerous other attractions will "engross" his attention while outing.

Rev. J. M. Devenport, of St. John, is going to England on a four months' vacation.

Col. Irwin, inspector of artillery, leaves Ottawa for the maritime provinces on Monday on his annual tour of inspection.

The death is announced of Chevalier Falardeau, the well-known Canadian painter, who has lived in Florence for many years. A little daughter of Sir John Thompson, who, with several others of the family, were stopping at the Grand Narrows Hotel, became ill with whooping cough, and while coughing ruptured a blood vessel. She was taken to Halifax on Saturday night for medical treatment. Sir John and Lady Thompson are on their way to Halifax from Ottawa.

A New Brunswick paper says: Sir John Macdonald is spending his holidays at Riviere du Loup, and is in particularly good health. He will not return to the capital until after the sultry weather of August is past. The Conservative chief has always been a hard working man, and advancing years appear to have diminished but little his marvellous capacity for sustained toil. There are few men in Canada who have worked so hard and retain so much of physical strength at 74 as does he. Even his vacation is filled with sufficient work to keep one or two secretaries employed; yet his thousands of friends will be pleased to learn that he is enjoying very much this comparative rest while breathing the invigorating sea air of the Lower St. Lawrence.

SPECIAL DESPATCHES TO THE EXAMINER.

The Behring Sea Seizure.

VICTORIA, B. C., Aug. 7.

Albert Frank, owner of the Black Diamond, has arrived from San Francisco. Forgers on the Rampage.

MINNEAPOLIS, Minn., Aug. 7.

Forgeries to the amount of nearly \$300,000 have been committed in the name of John S. Blaisdell, one of the wealthiest and best known residents of Minneapolis. The report last night was that a young lawyer, in that city, who is well known and popular, and whose father is a wealthy and prominent man, has been robbing Blaisdell for a long time by a series of systematic forgeries, and that when the fact was discovered a day or two ago the total amount of his gains was in the neighborhood of \$200,000. Owing to the previous good character of the man and the high social and business position of his family, a settlement was agreed to on the whole amount obtained on Blaisdell's signature. He returned to that gentleman the large amount of the forgeries, together with the social and business prominence of the parties concerned. He promises to make the case one of the most sensational ever known in the Northwest. If the matter is not settled at once, criminal action will be begun.

Disorderly Strikers.

PITTSBURG, Pa., Aug. 7.

A mob of strikers assaulted a number of Hungarians who had returned to work at the Carrie coal furnace near this city to-day, and drove them away. One Hungarian was beaten so badly that he will probably die. A Sheriff's posse interfered and a free fight followed. Deputy Sheriff Sweeney was probably fatally shot. The strikers were finally driven off.
