INDIAN NAMES.

Ye say they all have passed away,
  That ancient race and brave ;
That their light canoes have vanished
  From off the crested wave;
That mid the valley where they dwelt
  There rings no hunter's shout—
But their names are on your waters ;
  Ye cannot wash them out.

Yes, where Ontario's billows
  Like ocean waves are curled,
Where strong Niagara's thunder wakes
  The echoes of a world—
Where red Missouri bringeth
  Rich tribute from the west,
And Rappahannock sweetly sleeps
  On green Virginia's breast.

Ye say their none-like cabins
  That clustered o'er the vale,
Have passed away like autumn's leaves
  Before November's gale ;
But their spirit still is round you,
  Their baptism on your shore ;
The everlasting mountains speak
  Their dialect of yore.

Connecticut has wreathed it
  Where her quiet foliage waves,
And bold Kentucky breathes it forth
  Through all the ancient caves?
Old Massachusetts wears it
  Within her lordly crown,
And broad Ohio bears it
  Amid her young renown.

Wachusett hides its lingering voice
  Within his rocky heart,
And Alleghany 'graves it
  Throughout his lofty chart,
Monadnock on his summit hoar,
  Has scaled the sacred trust :
Your mountains are their monuments
  Though you give the winds their dust.

Some bachelor-reader, pining in single-blessedness, may be induced, by the perusal of the following parody upon Romeo's description of an apothecary, to "turn from the error of his way" of life, and both confer and receive "reward:"

"I do remember an old bachelor,
And hereabout he dwells ; whom late I noted
In suit of sables, with a care-worn brow,
Conning his books ; and meagre were his looks ;
Celibacy had worn him to the bone ;
And in his silent chamber hung a coat,
The which the moths had used not less than he.
Four chairs, one table, and an old hair trunk,
Made up 'the furniture ;' and on his shelves
A greasy candle-stick ; a broken mug,
Two tables and a box of old cigars ;
Remnants of volumes, once in some repute,
Were thinly scattered round, to tell the eye
Of prying strangers, "*This man has no wife!*"
His tattered elbow gaped most piteously ;
And ever as he turned him round, his skin
Did through his stockings peep upon the day.
Noting his gloom, unto myself I said :
'And if a man did covet single life.
Reckless of joys which matrimony gives,
Here lives a gloomy wretch would shew it him
In such most dismal colors, that the shrew,
Or slut, or idiot, or the gossip spouse,
Were each an heaven compared to such a life!'"

"There are always two sides to a question," the bachelor-"defendant" may affirm, in answer to this ; and possibly himself too try a hand at a contrast-parody.

A PERILOUS VOYAGE.

One day h› week before last, a man named Chute, of Chute's Cove, Annapolis, N. S., having some ten quintals of cod fish to dispose of, and no disposition to pay freight for the same or incur any unnecessary expense, put his fish and himself in an open sail boat of about 16 feet keel, and after a successful run through a rough sea, cast anchor at night at Patridge Island, (the said anchor being a large stone,) as she was unable to reach owing to contrary winds. There he slept that night, the sky his canopy, a cold dense fog his counterpane, a bundle of fish his pillow, and with the winds to moan a lullaby, and the waves to rock him to sleep. Having in due time disposed of his fish he, on the following. Thursday evening again put to sea, having declined the friendly offer of Capt. Gilliott, of the schooner "Telegraph," to take him as passenger next day. The wind rose on that night, and the following morning blew a dreadful gale. The "Telegraph" dare not put to sea and the steamer "Pilot" having ventured out was compelled to put back. All who knew of his departure concluded, that Chute must have been lost; so frail a craft could never survive such a tempest in the Bay of Fundy But Chute and his little boat did live through the fearful gale, and on Frday evening made land at Leitch's Cove, 8 miles West of his place of destination, having carried away the step of his mast during the day. Next morning, he again put to sea, the storm still raging, with only his jib, which soon went to pieces. However he succeeded in reaching home in safety. This is but one of many extraordinary adventures in this man's history. His preservation in the present instance seems almost miraculous.—*St. John Freeman.*

THE NEWSPAPER.—As popular lecturers have frequently of late thought it worth their while to say uncivil things of the newspapers, we deem it to no more than right to offer the following, from a sermon by Rev. Dr. Adams of New York, as an offset to their slanders.

Why is anything made public, but the belief that it will be of interest to others? Why is it announced that Isaac and Rebecca were married on a certain day last week, but on the supposition that it will give you pleasure to know it. But then lower down on the sheet, under the startling head of deaths, your eye runs along always with apprehension lest it fall on some well known name, and reads that the aged father, the young child, the beloved wife, the rich, the poor, the admired, the honored, the beautiful are gone, is it not taken for granted that even strangers will heave a sigh for the afflicted, and the world respond in sympathy to the incursions of a common foe?

Read in this light, the commonest advertisements which crowd our papers have a kindly order about them. Say not, with a cynic sneer, as though you were doubtful whether there was any thing honest in the world, when a store-keeper advertises his wares, that it is all sheer selfishness, for if it is pleasant for one to announce a fresh supply of tallow and wool, hardwares or muslins, is it not just as pleasant for one who wishes to know it! When a brace of young partners in trade insert their virgin advertisement, informing the world how happy they shall be to wait on customers, can you read it without entering into their new career?

Business advertisements! Waste paper!—You know not what you say. Those ships which are to sail for every harbor in the world—those fabrics which have arrived from every commercial mart on the earth, this iron from Russia, tea from China, wool from Smyrna, fruit from Malaga, coffee from Cuba, cotton from Georgia, sugar from Louisiana—do they not preach to us at the corners of the streets at the entering in of their gates, in our docks, and in our custom-houses and exchanges, sermons on the mutual dependence of mankind?

Girls, do you want to get married, and do you want good husbands? If so, cease to act like fools. Don't take pride in saying you never did housework—never cooked a pair of chickens—never made a bed—and so on. Don't turn up your pretty noses at honest industry—never tell your friends that you are not obliged to work. When you go a-shopping, never take your mother with you to carry the bundle.

One day last week, three brothers—all boys, and living in Buffalo—went into an orchard and ate freely of unripe apples. The next day they all lay dead in the room together, having been attacked with cholera in its most virulent form.

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,

FOR THE CURE OF

Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and

CONSUMPTION.

DO NOT NEGLECT IT.

Consumption can be and has been cured,

in thousands of cases, by this only certain remedy,

JUDSON'S CHEMICAL EXTRACT OF CHERRY AND LUNGWORT,

and no remedy has ever before been discovered that will certainly

Cure Consumption.

The most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated and the case so utterly hopeless, as to have been pronounced by Physicians and friends, to be past all possibility of recovery, and at times thought to be dying, have been cured by this wounderful remedy, and are now as well and hearty as ever. It is a compound of medications which are peculiarly adapted to and essentially necessary for the cure of

COUGHS AND CONSUMPTION.

Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men and the inventions of kind and sorrowing friends and Nurses, have failed to give the smallest relief to the *Consumptive sufferer.*

THOUSANDS OF CONSUMPTIVE

persons have been deceived repeatedly in buying medicines which were said to be *infallible* cures, but which have proved only palliatives, but this medicine is not only a palliative but *a cure for ulcerated lungs.* It contains no deleterious Drugs and one trial will prove its astonishing efficacy better than any assertions or certificates in curing consumption and all diseases of the Lungs, such as *Spitting of blood, Coughs, pain in the side and chest, night-sweats,* &c. &c.

About 1000 certificates of almost *miraculous* cures, performed by this medicine, from some of the first Doctors, Clergymen and Merchants, have been sent us for this medicine, but the publication of them looks too much like Quackery, [we will show them to any person, calling at our office.] This medicine will speak for itself and enough in its own favour wherever it is tried.

Caution—This medicine is put up in a large bottle and you must find the name of Judson & Co., Proprietors, New York, on the splendid Wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9 John St. New York.

To Owners of and Dealers in Horses.

CARLTON'S FOUNDER OINTMENT,

For the cure of Founder, Split Hoof, Hoof-bound Horses, and contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts , Kicks, &c. on horses.

CARLTON'S RING-BONE CURE.

For the cure of Ring-bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.

CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.

The changes of weather and season, with the change of use and feed, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disorder of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow water, Heaves, Worms, Botts, &c. All of which will be prevented by giving one of these powders, and will at any time, cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, cleanse the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore has the same effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from or producing a bad state of the blood, are speedily cured by them.

Remember and ask for CARLTON'S CONDITION POWDERS, and take *no others.*

CARLTON'S NERVE AND BONE LINIMENT FOR HORSES,

and for the cure of all diseases of man or beast that require *external* application, and for *contracted cords* and *muscles*, strengthens *weak limbs*, and is also *used* for *sprains, bruises, saddle galls, swelled legs,* sores of all kinds on horses.

CARLTON's articles for Horses and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure in ninety-nine cases out of one hundred of any of the above complaints. They have been used by Farmers, livery-men, stage proprietors and others with the most marked and decided success.

Caution.—None can be genuine *unless* you find the name of J. Carlton Comstock, on the Wrapper of each article.

COMSTOCK'S VERMIFUGE.

This is the most extraordinary remedy for Worms ever used; it effectually eradicates Worms from both Adults and Children. It cannot harm the most delicate infant or strongest Adult, and never fails to completely root out and destroy all kinds of Worms. The cost, 25 cents per bottle, puts it within reach of all, and all parents who are without it, are wantonly exposing the lives of their children to those fell destroyers of youth, "Worms." Look for the name of Comstock & Brother, proprietors, on the Wrapper of each bottle.

To the Old and Young!! Ho! ye Red Heads and Grey!!!

PHENOMENON IN CHEMISTRY!!!!

EAST INDIA HAIR DYE.

COLORS THE HAIR, AND WILL NOT THE SKIN.

This dye may be applied to the hair over night, the first night turning the lightest RED or GREY HAIR to a dark brown, and by repeating a second night, to a bright jet black. Any person may, therefore, with the least possible trouble *keep* his hair any dark shade or perfect black; with a positive assurance that the dye, if applied to the skin *will not* colour it. By an occasional application, a person turning grey will never be known to have a grey hair. Directions complete with the article. There is no colouring in this statement, as one can easily test.

These facts are warranted by the gentleman who manufactures it, who is the celebrated Chemist, Dr. COMSTOCK, author of Comstock's Chemistry, Philosophy, and other works, and School Books, well known and widely celebrated by the public.

Deafness.

Use Dr. LARZETTE's ACOUSTIC OIL, for the cure of Deafness Also, all those disagreable noises, like the buzzing of insects, falling of water, whizzing of steam, which are symptoms of approaching deafness. Many persons who have been deaf for ten, fifteen or twenty years, and were subject to use ear trumpets, have after using one or two bottles, thrown aside these trumpets, being made perfectly well. It has cured cases of ten, fifteen, and even thirty years standing of deafness.

HAY'S LINIMENT FOR THE PILES.

The worst attacks of the Piles are effectually and permanently cured in a short time by the use of the genuine Hay's Liniment. Hundreds of our first citizens throughout the country have used this liniment with complete success.

HERE IS YOUR REMEDY!
HOLLOWAY'S OINTMENT.

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of 70, Saint Mary's Street, Weymouth, dated May 15, 1851.

To Professor HOLLOWAY,

SIR,—At the age of 18 my wife (who is now 61) caught a violent cold, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep. Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements, and advised her to try your Pills and Ointment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or scar, and her sleep sound and undisturbed. Could you have witnessed the sufferings of my wife during the last 43 years, and contrast them with her present enjoyment of health, you would indeed feel delighted in having been the means of so greatly alleviating the sufferings of a fellow creature.

(Signed) WILLIAM GALPIN.

A PERSON 70 YEARS OF AGE CURED OF A BAD LEG, OF THIRTY YEARS' STANDING

Copy of a Letter from Mr. Wm. Abbs, Builder of Gas Ovens, of Rushcliffe, near Huddersfield, dated May 31, 1851.

To Professor HOLLOWAY.

SIR,—I suffered for a period of thirty years from a bad leg, the result of two or three different accidents at Gas Works; accompanied by scorbutic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated; yet, in opposition to that opinion, your Pills and Ointment have effected a complete cure in so short a time, that few who had not witnessed it would credit the fact.

(Signed) WILLIAM ABBS.

The truth of this statement can be verified by Mr. W. P. England Chemist, 13, Market Street, Huddersfield.

A DREADFUL BAD BREAST CURED IN ONE MONTH.

Extract of a Letter from Mr. Frederick Turner, of Penshurst, Kent, dated December 13, 1850.

To Professor HOLLOWAY,

DEAR SIR,—My wife had suffered from Bad Breasts for more than six months, and during the whole period had the best medical attendance, but all to no use. Having before healed an awful wound in my own leg by your unrivalled medicine, I determined again to use your Pills and Ointment, and therefore gave them a trial in her case, and fortunate it was, I did so, for in less than a month a perfect cure was effected, and the benefit that various other branches of my family have derived from their use is really astonishing. I now strongly recommend them to all my friends.

(Signed) FREDRICK TURNER.

A WONDERFUL CURE OF A DANGEROUS SWELLING OF THE KNEE.

Copy of a letter from John Forfar, an Agriculturist, residing at Newborough, near Hexham, dated May 15, 1850.

To Professor HOLLOWAY,

SIR,—I was afflicted with a swelling on each side of the leg, rather above the knee, for nearly two years, which increased to a great size. I had the advice of three eminent Surgeons here, and was an inmate of the Newcastle infirmary for four weeks. After various modes of treatment had been tried, I was discharged as incurable. Having heard so much of your Pills and Ointment, I determined to try them, and in less than a month, I was completely cured. What is more remarkable I was engaged twelve hours a day in the Hay Harvest, and although I have followed my laborious occupation throughout the winter, I have had no return whatever of my complaint.

(Signed) JOHN FORFAR.

AN INFLAMMATION IN THE SIDE PERFECTLY CURED.

Copy of a Letter from Mr. Francis Arnot, of Breahouse, Lothian Road, Edinbro', dated April 29th, 1851.

To Professor HOLLOWAY,

SIR,—For more than twenty years my wife has been subject, from time to time, to attacks of inflammation in the side, for which she was bled and blistered to a great extent; still the pain could not be removed. About four years ago, she saw in the papers, the wonderful cures effected by your Pills and Ointment, and thought she would give them a trial. To her great astonishment and delight, she got immediate relief from their use, and after persevering for three weeks, the pain in her side was completely cured, and she has enjoyed the best of health for the last four years.

(Signed) FRANCIS ARNOT.
