Addresses And Presentations To Rev. Mr. Mercer

The following addresses were read during presentations to Rev. Wm. T. Mercer at the close of the Sunday worship services on December 30th, at Mt. Stewart and Bristol.

Mr. Mercer thanked the Mt. Stewart congregation for a gift of money representing the contributions of his church families and others, and the Bristol congregation for a beautiful Tuscan Craft, trillite bronze floor lamp.

On both occasions Mr. Mercer recalled many of the delights of the ten and one half years he had been privileged to serve, what he considered to be an excellent class of people. "If," he said, "I have been a help to anyone in any way I consider that God has blessed me by using such a weak and wavering servant."

He said: "It is my wish and prayer that you may enjoy much success in righteousness as individuals and as a church group. May God's richest blessing be evident in all your experiences."

Gifts were also received from the Ladies Aid, Mt. Stewart; the Choir, Mt. Stewart; the Y. P. U. Mt. Stewart; the W.M.S., Mt. Stewart; and a Sweetheart Electric Clock from Mrs. Jonathan Affleck and Bruce; a home hooker from Mrs. George Leard and Mrs. Harold Affleck; a goose from Mr. and Mrs. John Pigott, scenic pictures from Mr. and Mrs. MacLeod Douglas, Mr. and Mrs. Roy Farquharson, Mr. and Mrs. H. W. MacKay. These things were acknowledged by Mr. Mercer and when he received the gifts of the congregations, and he thanked them all for their co-operation, respect and kindness during his ten and a half years of service with them.

Addresses "Mount Stewart, December 29, 1951. "To Rev. William T. and Mrs. Mercer, "Mount Stewart, P.E.I. "We the members and adherents of St. John's United Church, Mt. Stewart having learned that you were severing your pastorate with us for a new field and after being with us for almost eleven years, we cannot permit this opportunity to pass without showing you, (even in this small manner) the love and respect we hold for you and your family.

"We shall always remember you as our Pastor who did things for our church. Through your untiring efforts St. John's Church had a real face lifting, both within and without, and as a result today we have a church that may well be considered one of the most foremost rural churches within the province, and we owe this to your personal leadership in the planning and directing of the entire work, and actively engaging with our own men of the congregation, who gave so freely of their time and talents, so as to bring it to such a successful completion.

"We shall also remember you as a talented preacher of God's Word. Few Ministers within the confines of the Maritime Confederation are so endowed with the power of such a graceful and fearless presentation of God's Truths. Your sermons and admonitions have been of the highest order.

"At this time we shall ask you to please accept this envelope, which is a small symbol of our gratitude to you and Mrs. Mergement, for your kindness to us during your pastorate here.

To End Annoying Cough, Mix This Recipe, at Home

Here is the well known old recipe which thousands of housewives have found to be a dependable means of breaking up winter coughs. It takes but a moment to prepare and costs very little, but it does give quick relief.

From any drugist, get a 2 1/2 ounce bottle of Pinex. Pour this into a 16 ounce bottle and fill the bottle with granulated sugar syrup, made with 2 cups of sugar and 1 cup water, stirred until dissolved. No cooking needed—it's easy. (Or use corn syrup or liquid honey, instead of sugar syrup.) Thus you make 16 ounces of medicine, and you get four times as much for your money. It never spoils and children love its taste.

This home mixture soothes the irritated throat membranes with surprising ease. It loosens the phlegm and eases soreness promptly. Pinex is a special compound of proven ingredients, in concentrated form, a well known and reliable soothing agent for winter coughs. Money refunded if it does not please you in every way.
