To the Editor of the Herald.

SIR—I have read the letter of "Ixon" (McMahon, senior), which appeared in the Herald of this day's date, wherein he accuses me of a base, malicious, and wicked falsehood, in referring as I did to his son's character in the records of the Police Court, and says: "Mr. Frederick McMahon was never brought before the Police Court or any other Court in this Island, and I defy Mr. Welsh to prove it." The proof shall not be wanting. I have obtained from the City Clerk the following certified extract which will speak for itself: "NOVEMBER 6th, 1866.—Frederick McMahon was arrested by Police officers Richards and McCabe, at 8 p. m., for fighting in Sweeney's yard—discharged by Mr. Connelley Hearty—fined five shillings, and discharged."—[Extract from the Records of the City Marshal of Charlotte-town.]

FREDERICK MCGOWAN, City Clerk.

I might reply to "Ixon" (McMahon, senior), at great length, and take up his remarks in detail, but I deem a man who could deliberately write such untruths as are contained in the letter which appeared in the Herald of to-day, unworthy of further notice. I will simply leave the public to judge which of us is untruthful, and which false, "malicious and wicked."

Thanking you, Mr. Editor, for the space which you have afforded me,

I am, Sir, Yours, respectfully, W. WELSH.

Sept. 4, 1867.

P. S.—I may state that Mr. Owen and myself have sailed within the last ten years over two hundred vessels of various sizes, and no Captain in our employ has ever had to enter on his log book the record of a man or boy lost overboard; nor until Mr. McMahon's alleged case have any of our officers been charged with ill-using those under their oversight.

Ayer's Pills.

Are you sick, feeble and complaining? Are you out of order—your system deranged and your feelings uncomfortable? These symptoms are often the precursors of serious illness. Some fit of sickness creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and drive out the humor—purify the blood, and let the fluids move unobstructedly, in health. They stimulate the organs of the body into vigorous activity, purify the system from the obstructions which make diseases. A cold settles somewhere in the body, deranges the natural operations of that part. This, if not relieved, will react upon itself and the surrounding organs, producing general aggravation, suffering and derangement. While in this condition take Ayer's Pills and see how directly they restore the natural action of the system, and with it the boyant feeling of health. What is true and so apparent in this trivial and common complaint is also true in many of the deep-seated and dangerous diseases. The same purgative expels them. Caused by similar obstructions and derangements they are surely, and many of them rapidly, cured by the same means. None who know the virtue of these Pills will neglect to employ them when suffering from the disorders they cure such as Headache, Foul Stomach, Dysentery, Bilious Complaints, Indigestion, Derangement of the Liver, Costiveness, Constipation, Heartburn, Rheumatism, Dropsy, Worms and Suppression, when taken in large doses. They are sugar coated, so that the most sensitive can take them easily, and they are surely the best purgative medicine yet discovered.

Ayer's Aque Cure.

For the speedy and certain cure of Intermittent Fever, or Chills and Fever, Remittent Fever, Chill Fever, Dumb Ague, Periodical Headache or Bilious Headache, and Bilious Fever; indeed for the whole class of diseases originating in biliary derangement, caused by the malaria of miasmatic countries. This remedy has rarely failed to cure the severest cases of Chills and Fever, and it has this great advantage over other Aque medicines, that it subdues the complaint without injury to the patient. It contains no quinine or other deleterious substance, nor does it produce punition or any injurious effect whatever. Shaking brothers of the army and the west, try it and you will endorse these assertions. Prepared by DR J. C. AYER & CO., Lowell, Mass., and sold by all Druggists and dealers in medicine every where. W. R. WATSON, General agent for Prince Edward Island. [sep 4 2m]
