

PRESENTED WITH BOUQUET

During the recital presented by her pupils at Zion Church Hall last night, Mrs. John Lea-Morgan was presented with a bouquet of flowers on behalf of the Zion Brownie Pack. The presentation, made by Miss Barbara MacKenzie, was in recognition of Mrs. Lea-Morgan's instruction which helped the Brownie group to win Class 44B at the 1958 Musical Festival which concluded last May.

Freetown Man President Artificial Breeders' Club

Frank Jardine of Freetown was elected president of the Prince Edward Island Artificial Breeders' Association at the annual meeting held last night in Charlottetown.

Other officers elected were: Glen MacLaren, New Perth; sec'y treasurer, Dr. George C. Fisher, Committee for the three counties, Kings George MacPherson Kilmuir; Queens, Parker Newson, Kingston; Prince Wilbur Wright, Bedeque.

The guest speaker for the occasion was Dr. K. F. Wells, veterinary director general, Canadian Department of Agriculture. Dr. Wells traced the history of artificial breeding, noting the developments in technique that have taken place. He also gave a brief insight into present experiments and possible future expansion in this field of veterinary work.

Also speaking at the meeting was Hon. Eugene Cullen, Minister of Agriculture. Mr. Cullen thought the veterinary situation should now be somewhat relieved in view of the fact that most of the doctors participated in the

T. B. and Bangs disease test during the past three years. This test is now over.

The minister appealed to the breeders to sell good stock to 4-H members who are seeking calves. He said a poor animal placed in the care of a boy or girl was a most discouraging thing and could have very damaging results for the future of the recipient.

During the meeting a motion was moved by Elmer Waugh of the East Prince Breeding club asking that a veterinary be provided to treat cattle having trouble with conception.

Guests at the meeting included Dr. H. E. Knapp, director of veterinary services for the Atlantic Provinces; Dr. G. Moore from the Artificial Breeding Unit at Fredericton, N. B.; Dr. R. S. MacDonald, director of animal health, Federal Department of Agriculture; Dr. M. I. Lowery of the Federal Meat inspection branch.

DR. K. F. WELLS

P. E. I. Wolf Cubs Leave For Camp

Eight P. E. I. Wolf Cub leaders left yesterday morning for Lone Cloud Island, Miller's Lake, N. S. where they will attend an advanced training course in Wolf Cub programming.

In the group were Helen Harley and Joyce MacNutt, Slemmon Park; Joyce LeClair and Mary Gallant, North Rustico; Lois Brown, Parkdale; William Costello, Charlottetown; Charles Boudreau, Southport.

Mrs. Dorothy MacDonald, of the Basilica Pack, who represents P.E.I. on the instructional staff, accompanied the trainees. The course concludes next Saturday.

Red Poll Ass'n Members Meet

At a meeting of the executive of the Red Poll Breeders' Association at Upton Crest Farm Monday afternoon, it was learned that the association plans to import frozen semen from two outstanding Red Poll bulls that have entered recently the Central Ohio Breeding Association bull stud in Columbus, Ohio.

These bulls are proven for type and milk production. Red Poll members will be notified when this semen is available.

Mr. Harding Boulter, president, presided.

Well Known City Man Dies

Funeral services for the late Thomas H. White of 160 Queen Street will be held from the N. D. MacLean Funeral Home on Wednesday afternoon at two o'clock.

Mr. White died early yesterday morning in the City Hospital. He was 69 years of age.

Born in Fredericton, N. B., he was the son of the late Mr. and Mrs. Thomas F. White. Mr. White came to Charlottetown in 1912, when his late father established a restaurant and confectionery business on Grafton Street that same year. He remained in that location until 1934 when he moved his business to Queen Street at the present site of the Island Grill. He remained in business there until his retirement in 1955.

An active member of both the nights of Pythias and the Progressive Conservative party, Mr. White was also an avid sports loving fan participating in both boxing and gymnastics during his younger years. He coached the navy boxing team from HMCS Queen Charlotte in 1942.

Mr. White is survived by his second wife, the former Bertha MacAlear of Charlottetown, and one daughter Leslie, (Mrs. Bruce Moore) of Sydney, N.S. His first wife, the former Gladys Watson of Saint John, N.B., predeceased him in 1939.

Also surviving are two sisters, Margaret, (Mrs. J. A. Major) MacKenzie of 11 Grafton Street and Miss Jean White of the same address. A brother Harry, died in November 1956, in Saint John N.B.

Prize Winners At North Rustico

At the closings of the North Rustico school and the Stella Maris High School prizes of ten dollars each were presented by Miss Lena McLure in memory of her father, Mr. Winfield Chester Scott McLure.

The prizes were won by Miss Norma Stevenson, pupil of Mrs. Roy Woolner, North Rustico School, and Miss Mary Wilhelmina McQuaid and Mr. James Donald Gallant, pupils of Sister St. Mary Sixtus at the High School.

The topic upon which the pupils wrote was a human interest story on the life of Chester McLure. All essays presented were of a high standard.

Justice Tweedy Is V-President

Mr. Justice George J. Tweedy was elected Maritime District vice-president of the Association of Canadian Clubs at the National Biennial conference held in Quebec during the week-end.

Dr. C.J. MacKenzie of Ottawa was elected president and succeeds External Affairs Minister Smith. Miss J. Bonenfant was elected vice-president of Quebec.

Bank Directors To Meet Leading Businessmen Here

The Board of Directors of the Bank of Canada and the Industrial Development Bank will be in Charlottetown on Monday, June 30th, in the course of a visit to a number of centres in the Atlantic Provinces. These visits follow on a decision to schedule the regular June meeting of the Industrial Development Bank in Saint John and the Bank of Canada meeting in Halifax.

This is in line with an established practice that on some occasions meetings are held in centres other than Ottawa to enable directors from various parts of the country to form on-the-spot impressions of business

conditions. This will be the second occasion when meetings were scheduled in the Atlantic Provinces, the first being in 1950. Similar meetings were held in Western Canada in 1948 and 1956.

The visit to the Atlantic Provinces began today at Fredericton, N. B., continuing on to Saint John. The directors will be in Halifax on Wednesday, proceeding to St. John's, Newfoundland on Thursday, June 26th, and then to Corner Brook on Saturday, June 28th. The group will arrive at Charlottetown late June 29th, from Corner Brook. The tour concludes at Charlottetown on June 30th.

There are no special functions planned for these visits although an informal luncheon will take place in each centre which will enable the directors to meet leading businessmen.

Accompanying the directors will be J. R. Beattie, Deputy Governor of the Bank of Canada D. G. Marble, general manager of the Industrial Development Bank, and L. F. Mundy, who is secretary of both bank institutions.

Canada's

(Continued from Page 1)

10-year period shows average profit small and dropping from 3.7 to 3.1 per cent of sales, and now less (except higher for the year 1950) and an alarming large per cent of companies are now failing to make a profit.

"Surely we must stop, look and think of this challenge. It is my belief and it is the thinking of our Canadian Chamber of Commerce that efficient productivity is the key to our continuing prosperity and our defence against the cost-price squeeze. We must increase our engineering skills, our research and technological developments. This calls for business leaders to give more thought and help to our educational institutions.

INCREASE EFFICIENCY

"We must increase efficiency of management and efficiency in Government, create a desire for the worker to be interested and industrious in his or her work. We will require co-operation between labour leaders and management and a realization that labour, management, capital and capital are a team which must work and pull together for our economic welfare and in the interests of all, which is indeed enlightened self-interest.

GORDON REPORT

"To quote from the Gordon Commission report "we shall have our dull periods in the future as well as our bright ones, but given leadership, flexible policies, the willingness to change policies as occasion demands, Canadians have every reason to look forward with optimism and confidence to the continued economic development of our country and to a rising standard of living in the years to come."

"Challenging times, but looking back along the road, we see our pioneering stouthearted, courageous pioneers asking for naught but freedom to build a home and help build a country which they and their children may well be proud of, and they did. My prayer is, as yours must be too, that we in our day with vision, resourcefulness and skill, with faith and courage will meet the challenge of our time and build well this land."

OLDEST IN CANADA

The National President noted that the Maritime Provinces was the oldest regional Board of Trade in Canada formed in 1896. He recalled that the organization was responsible for establishing the Maritime Transportation Committee which he said has saved the people of the Atlantic Provinces many thousands of dollars in respect to freight rates and other transportation matters.

He termed the formation of APEC as "an excellent move." He said it was doing great work for the common good and the development of the region as a whole. The establishment of Atlantic House in London was seen as a forward step which would tend to create outlets for products manufactured or processed in the Atlantic Provinces.

NASSER MEETING TITO

CAIRO (Reuters) — President Nasser of the United Arab Republic of Egypt and Syria will leave Saturday for a visit to Yugoslavia at the invitation of President Tito, it was announced Monday.

Reports On Annual I. O. D. E. Meeting Held At Halifax

With the Regent, Mrs. W. E. Massey presiding, the Royal Edward Chapter of the Imperial Order Daughters of the Empire, held its monthly meeting in the National Film Board office in the Dominion Building, yesterday afternoon. It was the last meeting until September.

Most important item on the agenda was the report by Mrs. Massey of the national annual meeting of the I.O.D.E. held at Halifax, several weeks ago. Mrs. Massey was pleased to report that during the meetings Mrs. B. Earle MacDonald was appointed National Councillor for Prince Edward Island. Mrs. Massey's report was detailed and interesting.

All the P. E. I. Chapters were represented at the meetings, including two from Summerside and one from each of the Charlottetown Chapters. The delegates were lavishly entertained and the business sessions were enjoyable and informative. Pageantry played an important part in the National gathering with more than ninety standard bearers in white evening dress forming an inspiring procession, at the formal opening in the Queen Elizabeth High School. The standard bearers were followed down the aisles of the auditorium by the National Executive, the Lieut. - Governor of Nova Scotia and the Mayor of Halifax.

The standard bearer for the Province of Prince Edward Island was Mrs. G. Greenough, wife of the Superintendent of the P.E.I. Railway.

The island delegates had the honour of having as their lunch guests, Mrs. Richardson, the National President of the I. O. D. E. and Mrs. Leggett, Organizing Secretary. The luncheon was arranged by Mrs. B. Earle MacDonald.

At the beginning of yesterday's meeting a one minute silence was observed in memory of the Hon. Regent, Mrs. Blanchard who passed away recently. Mrs. C. H. B. Longworth was elected Hon. Regent in place of Mrs. Blanchard. Mrs. Longworth thanked the members for the
