

# Carrroll, Whitlock, Carver Pace Royals 10-8 Victory

Parkdale Royals once again took over top spot in the Island Senior Hockey League by outlasting Summerside's P.E.I. Aces 10-8 in the highest scoring game of the young hockey season at the Sports Arena last night.

A solid crowd of some 600 fans sat in on the tilt that followed a crazy quilt pattern in a scoring way and broke out into roughhouse in a wild third period.

The Royal's big scoring line of Coach Angie Carroll Roy (Buck) Whitlock and Allie Carver demolished the Aces as they turned in their biggest scoring effort of the year.

Carroll earned himself seven points firing two goals and helping on five others while Whitlock and Carver each triggered three goals. The line picked up 17 points.

**GAUDET GETS 3**  
Other Parkdale efforts were scored by the coach's brother Dick Carroll and his linemate young Freddie Burke.

Claude Gaudet was the Aces ace marksman with a trio of goals. Coke Grady hit twice for the Aces while singles went to Benny Grady, Greg Deighan and Ronnie Gallant.

After a mild and somewhat slow first period there were

times when the fans couldn't be sure who was ahead as the goal started to come thick and fast. With Whitlock and Carver scoring for Royals and Coke Grady for Aces, the Aces took a 2-1 lead into the second period. As the minute hand on the big clock crept close to the half-way mark the fun began.

Gaudet knotted the count only to see Dick Carroll put Royals one up three minutes later. Deighan tied the score at 3-3 and that was the signal for the Aces to start to role and the Royals' defences to come apart.

Benny Grady got a gift goal at the 18 minute mark and 55 seconds later it was 6-4 Aces in front, as Summerside whipped in two more goals and the Royals one in a space of 33 seconds.

The two teams piled in eight goals in the final period as all thought of defence was forgotten. Royals got six of the markers with Whitlock firing the winning at 12:47 and Angie Carroll the clincher in the last minute of play.

A final period display of fireworks kept referees Jack Ready and Walter Lawlor on their toes. The first blow-up came when Kip Ready and Greg Deighan tangled. Both got major

penalties for his part in the melee while Deighan got a minor and major. Dunn was given a minor, major and misconduct.

Next action in the loop takes place tonight at Summerside with Perfection Penguins visiting Civic Stadium.

## Fullmer, Webb Keep Battle Plans Secret

By JACK STEVENSON  
LOGAN, Utah (AP) — Champion Gene Fullmer and challenger Ellsworth (Spider) Webb kept their battle plans strictly secret Thursday on the eve of their 15-round bout for the National Boxing Association championship.

This northern Utah town was chosen for the fight since it is relatively near both West Jordan, Utah, Fullmer's hometown, and Pocatello, Idaho, where Webb boxed at Idaho State College.

Also the Utah State University fieldhouse with its seating capacity of 7,000 was available for the nationally televised scrap starting at 11 p.m. AST.

Neither fighter expects any trouble making the 160-pound weight at this morning's weigh-in. Webb, at five-feet-nine holds a one-inch-height-advantage and three inches in reach. Both boxers are 28 years old.

Webb has stopped four straight foes — Joey Giardello, Terry Downs Bobby Boyd and Neal Rivers since losing a 10-round verdict to Fullmer Sept. 11 last year.

**CHAMP FAVORED**  
The champion, favored at odd 7-5 to retain his crown, won the title by stopping Carmen Basilio in the 14th round last Aug. 28.

In that one, Fullmer counter-punched and showed better boxing than he had in previous

fight. Gene's strategy today is expected to be his usual punishing body attack.

Advance ticket sales are at the \$70,000 mark with a gate of \$90,000 anticipated. Fullmer collects 40 per cent of the gate and the same percentage of the \$100,000 television money while the challenger receives 20 per cent of each.

Utah's new boxing commission appoints the referee and two judges with the 10-pound must scoring system in effect. The winner of each round gets 10 points and the loser nine or less depending on his showing.

Webb, a Negro who fought on the 1952 Olympic team, has won 33-19 by knockout—and lost four since turning pro. He never has been stopped.

## Kerby Farrell To Pilot Bisons

ST. PETERSBURG, Fla. (AP) — Kerby Farrell Thursday signed a one-year contract to manage the International League champion Buffalo Bisons again next season.

It will be his second year as manager of the Bisons. He was named the league's manager of the year this season.

was of the opinion that this feature racing event should be extended over a 2-week period with night racing only.

## Chamberlain Sets Another Record

PHILADELPHIA (AP) — Towering Wilt Chamberlain last week reached another milestone in his thus-far sensational National Basketball Association career.

The Philadelphia Warriors' seven-foot, one-inch star broke a Convention Hall record for individual scoring Nov. 26 by dumping in 49 points to boost his club to a 143-130 victory over Boston Celtics.

The Warriors' total points also established a club record.

Chamberlain, whose 43 rebounds against New York Knickerbockers Nov. 11 set a Conventional Hall record in that department, wiped out the 1956 hall scoring mark of 46 by Bob Pettit of St. Louis.

His highest output this season was 55 points — on the road Nov. 12, against Cincinnati.

A record 12,343 fans paid to

watch Chamberlain against Boston Nov. 26. It was the second successive sparkling performance against the Celtics in as many nights for Chamberlain, the All-American from Kansas who has been nicknamed The Stilt.

He connected for 45 points and grabbed 35 rebounds the night before. Philadelphia basketball fans think Wilt is the greatest, but as far as he is concerned:

"I've got a long way to go. I believe I'm improving and getting experience."

In 17 games so far this season Chamberlain has potted a total of 615 points for second place, but averaged a pace — setting 36.2 points per game.

## Penguins Visit S'ide Tonight

Lorne Hennessey's Perfection Penguins will be at Civic Stadium tonight and the P.E.I. Aces will be out to even the score with them for the 6-4 defeat handed to Hogan's boys before the home towns fans in the first game of the season. The Aces realize that their work will be cut out for them for the Penguins have been beaten only once this season, a close 7-4 defeat at the hands of the first place Royals.

A win over the birds — from Charlottetown will be a real morale booster for the Aces, and they will certainly give everything they have to accomplish this feat. The Jack Kane-Merrill Pineau-Apps Arsenault production line is the most to be feared and the red shirts will be playing strict attention to this high flying trio tonight.

These two teams put up a fine brand of hockey the last and only time they met, and fans have every right to believe that another bang-up contest is in store for them tonight.

## Horsemen's Banquet Held Last Night At Clover Club

"As time goes by transportation gets better and providing we give harness racing the credit it deserves more people will visit Prince Edward Island". Acting Premier Hon. R. R. Bell told horsemen at a banquet tendered by Frank 'Duck' Acorn at the Clover Club last evening. "I also believe", he continued, "that there is not another place in Canada or the United States where horse racing is kept so clean."

shotgun and a hunting jacket, for his good work over the past racing season by Col. Dan MacKinnon (right, on behalf of the horsemen at a banquet held at the Clover Club last evening.

reimburse who pilots the Stanley Mayhew stable, was presented the British Consols trophy by W. J. 'Bill' Brown, representing H. C. Fortier of the Macdonald Tobacco Co.

Also called upon to say a few words were Cecil Stewart, president of the Exhibition Association and Opposition leader A.W. Matheson, QC.

Main subject of discussion at a meeting of the horsemen immediately following the banquet was the proposal of a Maritime free-for-all circuit which would see a top event held at regular intervals on Maritime tracks.

Frank Acorn, chairing the meeting, read a letter sent in by a mainland horseman which had a list of suggestions pertaining to the success of such a circuit. Questions also were asked and suggestions made by those in attendance.

One of the highlights of the meeting was a suggestion by George Gregory, a Charlottetown horse-owner, that Old Home Week was too early in the season. He

## SPORT ECHOES

By NORMAN MacDONALD

After suffering one set-back from the Aces, the Royals of Charlottetown rebounded quickly and now seem to be the choice of the experts for the "team to beat" in the new Island senior league. Their 6-2 victory over the Aces was quite convincing though Hogan's boys never looked more sluggish and uninspired than they did in absorbing that beating. The Royals followed up

## Hunters' Corner

(Continued from Page 8) doing any betting on having any luck. I have had several offers to go on hunts that paid off but time was a factor that made me decide to refrain from accepting. My partner has picked up six lovely geese on four trips out. I had 'cased' one field on a Sunday afternoon and figured it for a sure bet, or as sure as such a bet can be, but the Hillsboro Bridge closing at 8:30 a.m. put a crimp in my style.

## GOT THE SLIP

My second trip was pleasurable even if the geese gave me the slip. It was a sharp dawn but the rising sun drove the bile out of the air. In the lightening dawn a family of ravens kicked up quite a rumpus in a swamp behind me. It sounded like they were quarrelling over a kill or choice find. There were 7 in the flock for they came to give the geese decoys a look-see at sun-up. I felt quite pleased with my hide for they sealed over the fence about 20 feet up a few yards to my left. They hung over the decoys for a minute or more trying to figure out why geese should remain so motionless and I believe had a notion of trying for a meal. Just to see what would happen I stuck my head up. I never saw such diving and put on. They vomited out of range in seconds. It's seldom one catches those babies with their landing gear down.

A big red fox, his black brush trailing the ground, trotted home after a night's hunting. Before he entered a swamp he stopped every few yards to investigate some enticing event. It made a pleasant interlude even if he was at 200 yard range. A few minutes before the geese gave me the slip another pair of ravens investigated the decoys closely. They also had ideas of starting something but eventually take a shot at them for fear the geese were on their way. When this cause was removed not a raven made a call. Do you know I verily believe that a family of ravens will attack most anything that moves. Farmers have reported loss of lambs from raven attacks. As I picked up the decoys a pair of Mourning Doves, clear cut against a blue sky, flew past. They are members of the pigeon family and resemble streamlined pigeons. On the whole it wasn't a wasted morning.

## FUTURE STAR

Cheer up, Summerside fans. If we get trimmed this year, better days are ahead. Wait about six or seven years and there'll be a fellow by the name of Errol Thompson playing with Summerside. This young St. Eleanor's paperweight scored 33 goals in two games, and though under age has been promoted to the Pee Wees. Trouble is if he keeps up this terrific pace, he'll be public enemy no. 1 at an Island hockey league meeting. It might be considered a felony if he is caught with a hockey stick anywhere in the town of Summerside or vicinity.
