☞ We invite the reader's attention to a graphic and admirably written description of the last battle in the Crimea. Several versions of that engagement have been given in all the Charlottetown papers, but the account inserted on our second page is decidedly the best we have yet read.

LIVERPOOL TIMBER REPORT.

St. John Pine Timber.—A parcel of 346 Logs, of 17⅜-inch average, at 21½d. per foot; and a cargo of 934 Logs realised 23d. for 18-inch average string. Of lower port the last parcel sold at 14d. per foot.

N. B. and N. S. Pine and Spruce Deals.—During the fortnight the arrivals have been many, and sales in some instances made at reduced rates from those previously obtained. The following cargoes have been sold since our last:

Chimborazo, do. Spruce (by private treaty)		8	12	6
(Pine, &c., at a reduction on the above rate.)

Elizabeth Holderness, from Richibucto,		7	13	0
Mary Ann Duffus, from Tatamagouche,	S. Battens,	8	10	0
	Deals,	7	15	0

There are many cargoes of Deals on the market unsold, and shippers must remember our remarks during the whole of this spring, to keep supply and demand more in unison, or the result will be any thing but remunerating for those engaged. During the month, the supply of this article has been enormous, and nothing short of analmost entire suppression of shipments will enable the importers to sustain the present low prices. Imported last year to date 1,813,189 pieces; imported this year to date, 2,552,876, or an excess of 29 per cent.—*A. F. & D. Mackay's Circular.*

M'LANE'S CELEBRATED LIVER PILLS

Are ranked among the most popular remedies of the day. That it will cure liver complaint, sick headache, and dyspepsia, is now beyond a doubt. Read the following testimony from a well known lady and gentleman of our own city.

New York, August 3, 1852.

Mr and Mrs Williams, No. 243 Seventh street, testify that they have both been suffering with liver complaint for about five years, during which time they have spent a large amount of money, and tried many remedies, but to no purpose. Finally, hearing of Dr. Lane's Pills they purchased four boxes, which they took according to the directions accompanying each box; and now pronounce themselves perfectly cured of that distressing disease.

P. S.—The above valuable remedy, also Dr. M'Lane's Clebrated Vermifuge, can now be had at all respectable Drug Stores in this city.

Purchasers will please be careful to ask for, and take none but Dr. M'Lane's Liver Pills. There are other Pills, purporting to be Liver Pills, now before the public.

OXYGENATED BITTERS.

Certificate from a well known citizen of St. Johns, New Brunswick.

Exchange Hotel, Boston, November 4, 1850.

Gentlemen:—It is with great pleasure that I inform you of the decided benefit I received from the use of the Oxygenated Bitters, which you recommended to me some four weeks since. You know that I was very much debilitated at the time, and unable to walk but a short distance without stopping to regain my strength. I had been sick so long, and was suffering under such a complication of diseases, I had no faith that any medicine whatever could do me much good. The effect of your Bitters upon my system was surprising. I was greatly improved in a few hours, and in three days felt comparatively well. I have since gained very rapidly in strength and flesh, and have every prospect of recovering my former health, which I never expected again to enjoy.

I have for some years past resided in the Province of New Brunswick. My health has been declining for two or three years past, and about nine months since I was prostrated by a severe fit of sickness, which which confined me to my bed for three or four months, during which time my life was despaired of by myself and friends; but by the skill and attention of my physicians (for which I can never be sufficiently thankful under Divine Providence) I recovered my health so far as to be able to visit Boston. I was not perceptibly benefited, however, by the change, until I commenced taking your Bitters. The seat of my disease was in the liver, accompanied by extreme prostration nervousness, and general debility, cold extremities and a very diminished circulation, which I was obliged to keep up by the use of alcoholic stimulants only getting temporary relief, and feeling worse when without them. Your Bitters immediately restored the circulation, giving tone and energy to the whole system. I consider myself in a better state of health now than I have enjoyed for three years past. I have used but one bottle of medicine as yet, but shall continue the use of them, fully believing, as I do, that they will restore me to perfect health. I am gentlemen, with much respect,

Your obedient servant, FREDERICK J. AYERS.

Holloway's Ointment and Pills an infallible Remedy for Blotches on the Skin.—Edgar Mortimer, aged 25, of Anapolis, N. S., was for five years a severe sufferer with blotches on the skin, the whole of his face, neck, arms, and hands, being disfigured with them like small pox; he consulted several very clever medical men, who told him it was the predicating symptoms of some disease, which alarmed him exceedingly, however, he took Holloway's Pills immediately, and rubbed the Ointment on the parts affected, and in two weeks the whole of the blotches disappeared, and his health was considerably improved. These remedies will cure the most deeply seated old wounds and ulcers, even of twenty years standing.

THE GREAT AMERICAN HAIR TONIC.

Bogles celebrated Hyperion Fluid, for the growth and preservation of the Hair, is well known to be without a rival on this continent Hundreds of imitations have started into an ephemeral existence since the introduction of this unrivalled Hair restorative, and their doom been sealed, whilst Bogless Hyperion Hair Fluid, with a popularity never attained by any other article, goes on 'conquering and to conquer.' There is no malady, which can affect the Hair but can be cured by this incomparable preparation. To ladies it is invaluable; and on children's heads it lays the foundation of a good head of Hair. It is now patronized by Her Majesty the Queen of Great Britain, and commands an extensive sale throughout Europe

Bogle's Electrick Hair Dye converts red or grey hair into a beautiful black or brown, the moment it is applied, literally dyeing the hair without staining the skin and leaves the Hair soft and glossy without injuring its texture in the least; a decided superiority over all other Hair dyes.

Bogle's Amole Shaving compound renders that usually unpleasant operation (shaving) a decided luxury.

Bogle's Hebeaiona removes Freckles and tan from the face in the shortest possible time, and is acknowledged to be the very best article for beautifying the complexion
