After a few short remarks from the gentlemen present, it was resolved that the same be organized and entitled the "St. Lawrence Base Ball Club." The following officers were elected: W. W. McLeod, Esq., President; J. A. Dogherty, Secretary; F. S. Hanford, Dr. Parker and W. A. O. Morson, Provisional Committee.

UNFAIR.—The Charlottetown *Patriot* of Monday publishes a slanderous statement to the effect that the witness, Cummings, in the McCarthy case had shown great reluctance to go to Shediac as a witness, and that he escaped from Deputy Sheriff Sweeney at Summerside, and goes on to state that Cummings was at Point du Chene last fall wearing McCarthy's rubber coat, which was recognized on him, and that as a consequence of this recognition he "mysteriously disappeared." Cummings had been at Shediac and given his evidence several days before the *Patriot's* slanders were published. —*Moncton Times.*

THERE was quite an excitement at Summerside yesterday over a report that was circulated to the effect that a woman, who is now living near Alberton, named Mrs. Parker, who says she is the wife of Annie Parker's brother. She also says that on the night of the 12th October last she was with her husband and Annie Parker in a house in Shediac, and that Timothy McCarthy came there. He forced his way into the house through a window, and her husband struck McCarthy, killed him and fled. She then came to Prince Edward Island. Some Shediac officials are now in search of this woman.

WE regret to learn that Capt. James McLean died very suddenly at Sydney, C. B., this morning. Capt. McLean was the only son of Mr. John McLean, of this city. He left this port on board his own vessel and was returning when he fell a victim to that terrible disease—diptheria. The vessel returned to Sydney and left him in charge of a physician. Late accounts reported him to be improving, but this morning his father received the sad news of his death. He was but twenty years of age. We tender our warmest sympathies to his bereaved parents.

A return cricket match of "Foreigners" *vs.* "Natives" will be played on the new ground in Victoria Park, on Saturday, June 1st. Wickets to be pitched at 2.30 p. m., sharp. The elevens are: "Foreigners"—Cathrae, Disney, Faulkner, Finlay, Higgs, Liddell, McArthur, McLeod, Mitchell, Morrison, Newbery. "Natives"—Hobkirk, F. S. Longworth, B. Davies, jr., S. D. Fitzgerald, N. McLeod, R. V. Longworth, J. A. Longworth, J. H. Yeo, E. H. Haviland, J. Moore, R. Weeks. We hope the "Natives" will give as good an account of themselves as they did the last match.

NEWS BY TELEGRAPH.

(Special Despatch to Examiner.)

LONDON, May 29.

The *Times* continues to dwell on the necessity of a British Protectorate for Turkey in Asia.

The *Pall Mall Gazette* yesterday took the same ground.

The peace feeling is not so buoyant to-day, doubtless caused by the apparent change in the attitude of Austria.

While England agrees to a Congress, Austria is making demonstrations unfavorable to Russia. No doubt is felt, however, that the Congress will meet.

A special says that Russia and England have accepted invitations to be represented at the Congress at Berlin, and an attempt is being made to arrange for two series of Conferences,—the first a Military Convention, in which the simultaneous withdrawal of both Russian and British forces will be the subject of debate; and the other to be held in the fall, for the purpose of revising all existing treaties.

The hopes that there will be a Conference are high; but shrewd observers and those best informed in political circles think that the probabilities of a definite settlement are on a decline.

ST. PETERSBURG, May 29.

The unofficial press is still incredulous about peace; and points out that while Austria and Russia were making negotiations to that end, England brought troops from India. Now England accepts the Congress, and Austria is making a demonstration threatening to Russia.

CONSTANTINOPLE, May 29.

The Sultan has ordered the reinstatement of ex-Sultan Murad at Teheregan Palace, and the release of Suavi Pasha's accomplice.

An Astonishing Fact.

A large proportion of the American people are to day dying from the effects of Dyspepsia or disordered liver. The result of these diseases upon the masses of intelligent and valuable people is most alarming, making life actually a burden instead of a pleasant existence of enjoyment and usefulness as it ought to be. There is no good reason for this, if you will only throw aside prejudice and skepticism, take the advice of Druggists and your friends, and try one bottle of Green's August Flower. Your speedy relief is certain. Millions of bottles of this medicine have been given away to try its virtues, with satisfactory results in every case. You can buy a sample bottle for 10 cents to try. Three doses will releive the worst case. Positively sold by all druggists on the Western Continent.
