

Bruins Invade Montreal

By JIM CULLEN

The Boston Bruins will invade the Montreal Forum tonight to battle with the slumping Canadiens. The Bruins topped the Canadiens 4-1 on home ice Thursday night. They were led by Bobby Orr and Ken Hodge. Bobby Orr scored the winning goal in the second period.

Forbie has never been known as a goal scorer in the National Hockey League, but we think could easily be a two-goal a year man if given the proper chance. Kennedy has a goal in one of the more aggressive players in the NHL. This columnist feels the only reason he isn't scoring more is because of the role he has been assigned with the Beantown outfit.

Forbie has more representative in hockey's greatest league as a defensive checker and the Boston brass apparently figured the speedy blueliner would be most effective in a penalty killing role for the Schmidt coached forces.

Forbie accepted his role gladly and is giving 100 per cent to his job. We think he has been doing an excellent job and we have heard that the Boston coach thinks Forbie is one of the best penalty killers in the business.

Unfortunately, a penalty killer is very seldom among the top scorers in the league because his job is to cover up for someone else's mistakes.

George Stewart, who recently returned from a trip to Boston said Thursday night that he was giving the Bruins an irregular shift in their last few contests and we think if the Charlotteville performer gets enough ice time it won't be long before he starts blinking red lights. Kennedy has already amassed more goals, more assists and more penalties than any other Islander who has played in the National Hockey League.

When asked what he thought of the trouble with the Bruins was that Stewart said last night that he was giving the Bruins a good game. He said he was getting a good share of the play, but they just can't seem to finish off their plays. A win for the Bruins tonight would have them five points at the bottom of the league standings. Bid luck to the Bruins and to Forbie.

Ted Bits From Here And There

The Eastern Canada Fivepin Bowling Championships will be played at Guelph, Ontario, April 17 at the Ontario Bowling Club. The winners will compete with the Western Canada champions for the Canadian Bowling Championship at Kitchener, Ontario, in 1965.

Rogers Hardware Bangers with Norman Hawk Larter at the helm will get their first taste of league competition in the Charlottetown and District Junior hockey league this Sunday afternoon. The Larter coached team will be competing against the St. Dunstan's Juniors who are fresh from a 7-4 victory against the Prince of Wales Westmen in their first game of the season. The Rogers Hardware Bangers will play and should give the Saints quite a battle for the decision. Action is scheduled to get underway at 7:30 p.m.

Old Hat, only twice out of the money in a busy 16-race season has received the unanimous vote of the Thoroughbred Racing Association board of selection as the best handicapper since 1964. The five-year-old is a daughter of Boston Doge and Feather. She was owned by the late J. P. Handicap, Keeneland's Spinster and the Falls City at Churchill Downs. She was trained by the late J. P. Handicap, Keeneland's Spinster and the Falls City at Churchill Downs. She was trained by the late J. P. Handicap, Keeneland's Spinster and the Falls City at Churchill Downs.

Eric Walsh, 29-year-old jockey from North Sydney, N.S., will ride the leading colt in the 1964-65 season. Walsh rode three winners at Toronto's Greenwood race track. Walsh rode winners in the first two races, finished out of the money in the third and came back to win the fourth. He married the former Patrick Gismonti, 21, of Buffalo.

Frank Clark's negotiations with the Toronto Argonauts of the Canadian Football League have apparently broken down. The Toronto Argonauts offered Clark a contract for next year, but he asked for \$8 hours to talk with the Toronto club. Rogers Hardware officials have stated that they will not open if Frank decides he wants to stay in the Ottawa area.

Referee Paul Dojacek will head a team of six officials for two of the Grey Cup games between the Hamilton Tiger-Cats and the Toronto Argonauts. The officials are: Referee Paul Dojacek, Line Judge Seymour Wilson, Hamilton, Taylor Patterson, Regina, Ray Boucher, Ottawa, Al Dryburgh, Winnipeg, and Bob Shepherd of Toronto.

Boxing is Dying In Great Britain

By DOUG MARSHALL
LONDON (CP)—It isn't the charges that boxing is medieval that are sending the sport into a slump in the British experts say. It isn't really the fact that it's the affluent society.

These days professional boxing is sick in every country of the world except the poorer parts of Latin America, Africa and the Far East.

Boxing, it seems, is something that flourishes when times are tough. It is an inexpensive and an exciting spectator sport that manufactures folk heroes (or generations that have little else to cheer about).

This is the argument, which is being made in England where, since 1945, boxing has been disappearing as fast as bingo halls go up and even new car owners mean boxing less.

Since 1950 the number of professional boxers has dropped to 163 a year from 793. During the last five years the number of professional boxers has thinned to 509 from 643.

"Boxing will be dead within 20 years," predicts British lightweight Terry Downes who has been boxing since he was 14.

Other boxing men wouldn't go that far but they're all pessimistic. Birmingham promoter Alex Griffiths says he has been successful in promoting big boxing sessions. Norfolk promoter Ralph Butler has switched to boxing "because it has more color, more action and, above all, people come."

Teddy Walsh, secretary of the British Boxing Board of Control, agrees that fewer and fewer young men are prepared to go through the training and fighting and risking injury just for a few pounds a week or more or as unskilled laborers on any building site in the land.

ARENA NEARS COMPLETION

Shown above is the new indoor rink that is being built in Tignish for the youth of that area. This building, measuring 220 by 110 feet has a surface area of 180 by 78 feet with large, spacious promenade all around. There has been a great need for an indoor rink in Tignish for a good number of years and this magnificent structure will be a well sited area.

B.C.'s Ready to Reveal Battle with Hamilton

By DENNIS ORCHARD
TORONTO (CP)—It's the British Columbia Lions, ready and healthy, against the Hamilton Tiger-Cats, proud and tough, in the Grey Cup today.

It is a match of passing plays, which will probably not be able to pass unless they prove they can run.

It is a struggle between the best defences of the Eastern and Western football conferences, threatening to break down scoring threats and bring on the kicking teams.

It will be a rare and perhaps windy October day for the players and 32,655 fans at the 1 p.m. EST kickoff.

But the CNE stadium field is certain to be firmer and drier.

Sport in King's Souris Girls Down Morell Some Show Real Promise

By ED CLINTON
Souris, Bureid. The Guardian witnessed our first volleyball game on Oct. 18, 1964, the other day. The game was Souris Regional Girls played against Morell Regional.

And poor hosts they proved to be. They beat Morell in all three matches, 15-10, 15-10, 15-10, and 16-14, with the latter match being the only close affair.

While both teams worked more or less as units, some outstanding players did stand out. Young Sharon MacDonald played outstanding ball for Souris, and at times came up with a deadly service. She was also good at returning serves. Marcia Dixon, Beverly MacIntosh, and Anita Galant also played noteworthy games. Some of the others playing well, but the aforementioned seemed to stand out.

Kay Murphy, one of Morell Regional's best players, was again proved how adaptable she was, as she was one of her team's best players. She showed, with one bad exception, a real team service, and was good at returning serves. She showed, with one bad exception, a real team service, and was good at returning serves.

Both teams are registered for provincial play-offs which are expected to get underway soon. They are the only two teams in this county to register. It is doubtful, if either team can come through the Island playoffs which are expected to get underway soon.

They are the only two teams in this county to register. It is doubtful, if either team can come through the Island playoffs which are expected to get underway soon.

Basketball is slowly getting underway. Reports indicate that Morell and Souris girls are holding trial workouts, while Morell and Souris are a step behind. The girls are expected to start as yet. Last year three successful leagues were in operation. The Souris girls were evenly matched, but, if it operates this year, early reports show that Morell might prove to be too strong for the teams from Souris and Morell.

They are the only two teams in this county to register. It is doubtful, if either team can come through the Island playoffs which are expected to get underway soon.

Harry McBrien Hopes For An Easier Grey Cup

By JACK SULLIVAN
Canadian Sport Sports Editor
If anything untoward happens during the Grey Cup football game today, you can bet that Harry McBrien won't be running around trying to smooth things out.

Harry likely will be the Canadian National Amateur League with British Columbia Lions and Hamilton Tiger-Cats. He is a former player and coach and is a member of the Grey Cup committee.

Saints Trounce Acadia Axemen

Rea Clarke added singles in a losing cause. He eventually got the message. "But that wasn't all."

"I'd arranged beforehand to have a taxi pick me up at the stadium for the game. It shows up all right, but who do you think grabs it?"
