

Russian Nihilism.

Russian Nihilism has of late been developing new activity. Indeed, all the indications point to the conclusion that Nihilism is to-day a stronger force than ever beneath the surface of Russian society.

We can well understand the state of prostration into which the Czar and the Imperial family are said to have fallen. The most fearful thing about the Nihilist is that he is a man of the future.

A Two-Minute Sermon to Young Ladies.

Ladies—caged birds of beautiful plumage, but sickly looks; pale pets of the parlor, who vegetate an unhealthy atmosphere, like the potatoe germinating in the dark cellar—why do you not go into the open air and warm sunshine, and add lustre to your eyes, bloom to your cheeks, elasticity to your steps and vigor to your frames?

The most beautiful woman at Mrs. Astor's ball, says a New York letter writer, was decidedly Miss Langdon the admired belle.

Charles Beach says that he once searched the pockets of Horace Greely's historic white coat, in which he found more than 200 business cards, which had been given him from time to time during the many years he had worn the coat.

A Vermont physician who found a neighbor in the road to drunk and walk and invited him to crawl into his

sleigh, was astonished by the query:— "Say, Doctor, my family physician is Dr. —; do you think your carrying me home will make any difference?"

A Two-Minute Sermon to Young Ladies.

Ladies—caged birds of beautiful plumage, but sickly looks; pale pets of the parlor, who vegetate an unhealthy atmosphere, like the potatoe germinating in the dark cellar—why do you not go into the open air and warm sunshine, and add lustre to your eyes, bloom to your cheeks, elasticity to your steps and vigor to your frames?

run up a hill on a wager, and down again for fun; roam the fields, climb the fences, leap the ditches, wade the brooks, and after a day of exhilarating exercises and unrestrained liberty to go home with an appetite acquired by healthy enjoyment. The beautiful and blooming young lady—rosy-cheeked and bright-eyed—who can darn a stocking, mend her own frock, command a regiment of pots and kettles, and be a lady when required, is a girl that young men are in quest of for a wife. But you pinning, screwed-up, wasp-waisted, doll-dressed, consumption-mortgaged music-murdering, novel-devouring daughters of fashion and idleness, you are no more fit for matrimony than a pullet is to look after a brood of fourteen chickens. The truth is, my dear girls, you want less fashionable restraint and more liberal action; more kirchen and less parlor; more leg exercise and less sofa; more frankness and less mock modesty. Loosen your waist strings and breathe pure atmosphere, and become something as good and beautiful as nature designed.

AYER'S PILLS.

A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A Sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are a constant recommendation. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly remove my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."

W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numerous instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. FOR DYSPEPSIA they are invaluable."

J. T. HAYES, Mexico, Texas, June 17, 1882.

The REV. FRANKLIN L. HAYES, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicines of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
