Montague Fire Brigade Holds Regular Meeting

On Thursday night March 1st, the members of the Montague Volunteer Fire Brigade, held their regular meeting in the Fire Hall. The members of the fire committee of the Town Council were to have met with the brigade for discussions on various matters but, unfortunately were unable to attend. Several new members were welcomed to the brigade by the Fire Chief Murray Johnston and were outfitted with rubber clothing which had recently been procured. Asst. Chief F. Dougals Coffin, reported that an order has been placed for 200 feet of fire hose. When received this hose will greatly enhance the fireman's efforts in fire fighting. All fire fighting equipment was carefully checked and found to be in good condition. However there are some pieces of equipment which members feel should be provided as soon as possible. Chief Johnston will make an application for these at the next meeting of the Town Council.

Chief Johnston then spoke at length on the matter of eliminating fire hazards in the town. He stressed the importance of making the citizens more fire-conscious and it was the opinion of the members that one way of doing this would be for the fire brigade to make a thorough search of the town for fire hazards. By visiting the citizens and pointing out in their homes various hazards of

Death Of Well Known Geo'town Citizen

GEORGETOWN CITIZEN
The death occurred at the Charlottetown Hospital on Thursday, March 1st, of Joseph Aeneas MacPhee of Georgetown in his 60th year. The late Mr. MacPhee was well and favourably known throughout the Province. In his position of Canadian National Railway Locomotive Engineer his work took him to all sections of the Province, in all of which he made a host of friends.
He was a veteran of the First World War, serving in France. Following the war he joined the service of the Canadian National Railways. He later obtained a leave of absence from the Railway and became a member of the Prince Edward Island Provincial Police and later a member of the Royal Canadian Mounted Police. Some years ago he resumed his railway duties.
He leaves to mourn his wife, the former Rose MacDonald, of Georgetown. Two daughters—Eleanor, Mrs. Howard S. MacLean, of Georgetown and Katherine, Mrs. Ward Dryden of Airdrie, Saskatchewan and three sons—Frank of Cobalt, Ontario and Albert and Allan both at home. Mrs. Dryden and Frank arrived in Georgetown some time ago, to be present during their father's illness.
The funeral was held on Monday, March 5th, at 9:30 a.m., to St. James Church, where Rev. O. Kiggins celebrated Requiem High Mass. The members of the Georgetown Branch of the Canadian Legion paraded in a body and following the religious service at the grave the usual Legion service was held with Comrade Vice-President, Harry Yostson reading the ritual. Bugler Smith of Charlottetown sounded the Last Post and Reveille.
The Department of Veterans Affairs at Charlottetown was represented by District Administrator, B. H. Conrad and Mr. Lawson Jenkins. The pallbearers were—John C. Gotell, Joseph Johnson, George MacCormick, Gordon Ross, Philip Boudreau and Charles Fraser. Interment was in St. James Church Cemetery.

Montague Meteors Score 7-4 Win Over Georgetown

Coming from behind a two-goal deficit Montague Meteors put on a terrific power play in the second period to tie the score and go on to defeat the Georgetown Eagles 7-4 in the first game of the Southern King's hockey finals played at Montague last night.
Although the first period was slow and ragged, the second period brought a burst of fireworks with each team attacking and checking at will. The Meteors put on some class in these two periods to outplay the visitors with long passes which brought them to the net after time, and which also brought in the scores.
Power opened the scoring for the locals with a corner shot which completely fooled the goalie. This was tied a few seconds later by MacNeil, and Georgetown then got two more before the period ended.
In the second session the locals quickly tied the score, with MacLean and Campbell doing the honors. Landry then put Georgetown one up, which Power again tied.
In the last period it was all Montague with three goals scored from Clements, Doug George and Power. The feature goal of the evening was the one scored by George which was backhanded from the blue line through a maze of players into the net.
The last period became quite rough with considerable hitting and tripping. It is hoped that the next encounter in Georgetown will ease off in roughness which may probably result in better hockey.

Truck Carries Frozen Fish From Montague

Although several refrigerator trucks have been seen in Montague, none have been as large as the one which left the town yesterday afternoon. Capable of handling a freight car load of produce, the truck, owned by Mr. L. E. Inman, Borden, is specially built with a self-contained refrigerating unit attached to the front of the trailer, so that any perishable goods may be transported.
Yesterday the truck left here with the trailer carrying 25,000 pounds of frozen fish. Accompanying the truck was another smaller truck carrying 12,000 pounds of frozen fish. The two trucks were en route to Boston and New York markets.
The fish have been loaded by the Montague Cold Storage which has already sent three truck loads to similar markets, and intends to load another later on in the week, providing roads are passable.
Mr. Leon Johnston, manager of the Cold Storage, has been instrumental in starting a new method of shipping frozen fish from Montague, thereby providing employment for a number of men during the fall and winter months.
