

Wouldn't Stay put Off.

One day as conductor Jones was running from Elmira, on the Erie road, he found among other passengers, a boy who had no money, who told him he was poor and alone in the world, and wanted to go out West where he thought that he could do better than he could at the East.

The conductor, of course, told him that he could not ride unless he paid his fare, "and," said he, "when we arrive at the next station, Corning, you must get off."

The boy promised that he would do so. On his passage through the cars, after leaving Corning, the conductor came across the boy again.

"Did I not tell you to get off at Corning?"

"Yes sir," said the boy, "and I did get off; but I got on again."

"Well sir," said the conductor, when we get to the next station I want you to get off and stay off."

"See her, sir, I thought I told you to get off and stay off."

The boy acknowledged that the conductor told him so; "and," said the boy "I did get off and was going to stay off, but just as the train was starting, you said, 'all aboard,' and I thought you meant me as much as anybody."

It is perhaps needless to say that the conductor acknowledged himself beaten and gave the boy a free ride to the end of the route.

The Great French Remedy, Dr. LeDuc's Periodical Pills.

For the cure of Leucorrhoea or White's E. or excessive or painful Menstruation, Green Sickness, Falling of the Womb, Catarrh of the Uterus or Vagina, Hysteria, Pain in the Back or Piles, or for the purpose of invigorating and giving tone to the Generative Organs, two pills should be taken twice daily, or in very enfeebled conditions, one pill three times a day. To effect cures in chronic cases it will be necessary to continue the use of the remedy for some months. A reasonable trial will create sufficient confidence in the remedy to insure its being taken until a permanent cure is effected.
