N. Y. Stocks

NEW YORK (AP)—Prices wilted again on the stock market Tuesday, this time for the biggest decline since May 10.

For the most part, the performance was a slow settling-down process, with increased activity in two bursts of selling. Volume lessened whenever prices firmed.

Pivotal issues declined from about 1 to 4 points and were slightly improved at the close from their worst of the session.

Once again, Wall Street observers ascribed the drop to technical reasons in the absence of any bearish news of consequence while the session was in progress.

The Associated Press average of 60 stocks fell $2.40 to $181.10, its lowest point since March 1 when it stood at $180.10. Industrials were down 3.70, rail s$2.20 and utilities 30 cents.

Volume was at a moderate 2,290,000 shares, compared with 1,940,000 Monday. There were 128 lows for the year and only eight highs.

The day's most active stock was Fruehauf Trailer, unchanged at 32⅞ on 40,900 shares.

Prices on the American stock exchange declined in active trading. Volume totalled 910,000 shares compared with 750,000 Monday.

Among the losers were A and P, Mesabi Iron, St. Lawrence and Woodley Petroleum.

Canadian issues were mixed on the New York exchange. Aluminium Ltd. was up 1¼ and Distillers Seagram gained ⅛. International Nickel fell 1&. Hudson Bay Mining and McIntyre both lost 1.

Canadian stocks were unchanged to lower on the American exchange. Preston East Dome added ⅛. Fargo Oil and Jupiter Oils both dropped 1-16, Scurry-Rainbow Oil fell ⅛ and Shawinigan was off 1.

Montreal Stocks

MONTREAL (CP) — Sharp declines were evident Tuesday in most sections of the Montreal and Canadian stock exchanges at the close of moderately active trading. Losses occurred at the opening as local issues moved to the lower levels established by New York yesterday.

The mines were irregularly softer, with most losses in a ten cent range. Bouzan was a feature, up 20 cents. Douvan, Merrill Island, Westville, New Jaculet and Fundy Bay were weaker.

R.C.M.P. Place Seventh Name On Their Most Wanted List

OTTAWA (CP) — The RCMP Friday placed a seventh name on their list of most-wanted men—James Allen Robbins, 36-year-old seaman who escaped from the penitentiary at St. John's, Nfld., last Jan. 10.

Robbins had been serving a two-and-a-half year sentence for robbery with violence.

The RCMP said Robbins, second new man put on the list this week. "is considered dangerous and caution should be exercised in ef ecting his arrest."

Police said recent indications are that he may have travelled to Ontario and he "may be arrested anywhere in Canada without a warrant."

Addition of his name brings the RCMP most wanted list to seven men.

ESCAPED OVER WALL

Police describe Robbins as English-born, six feet tall, weighing 175 pounds and with a fair complexion and blue eyes. He escaped from the St. John's penitentiary by climbing the wall.

Only last Monday the RCMP added the name of Anthony Hart (Tony) Gregson, 30-year-old miner-prospector sought for the theft almost two years ago of gold bricks worth $50,000. Police said he substituted boxes filled with lead for the gold aboard a plane bound from a northern mine to Yellowknife, N.W.T. in 1954.

Last week the name of Edwin (Eddy) Matthew McDonald of Toronto, 31-year-old brother of notorious criminal Donald (Mickey) McDonald who now is presumed dead, was placed on the list. He failed to appear in a Toronto court to answer a charge of unlawful possession of drugs.

POLICE URGE CAUTION

Police warned that McDonald may be armed and caution should be used in arresting him.

Others on the list are:

William Adams, alias Wasley Scmborski, alias Joe Lacheau, 33, salesman, machinist and crane operator, wanted for murder.

Daniel William O'Connor, alias Mike Clancy, alias Bob Collins, 28, wrestler and swimming instructor, wanted for the attempted murder on an RCMP constable at Keremeos, B.C., in May, 1953.

Louis Allen Molnor, alias Ward, 33, salesman, wanted for armed robbery of $16,794 from the Dominion Stores, Cornwall, Ont., in November, 1953.
