

Liberal Leader Deplores Action

Liberal leader Alex Campbell last night at a meeting in Murray River Community hall deplored the action of the government in appropriating to the Industrial Development Corporation an additional \$5,000,000 without first giving the Legislature a detailed accounting of the funds presently available and administered by the Corporation.

Mr. Campbell suggested to the meeting that probably the greatest disappointment to the Shaw administration was to find that the former leader A.W. Matheson and Dr. Lorne Bonnell were strongly supporting the new Liberal leader both inside and outside the Legislature.

which made it possible for the Government to make many of the Throne speech announcements.

The meeting was chaired by George Ferguson, M.L.A., and was addressed by Arthur MacDonald, M.L.A., Daniel MacDonald, M.L.A., Kier Clark, former M.L.A. and Frank Sigsworth, chairman of the Party Policy Committee and Sidney Green, representing the P.E.I. Liberal association.

BEEF BREEDERS

(Continued from page one)

Mr. Morris told the meeting that corn silage, the push-button feed that can be channeled by an electric motor from the silo to the feeder cattle, is the only way to produce beef, Mr. Morris said.

An acre of corn will produce twice as much beef as an acre of grain. You greatly reduce the labor, and you double the size of your farm in productive units, he added. Mr. Morris quoted from a number of test reports made by various American agricultural colleges, and referred at times to his own experience.

University of Illinois tests had shown one acre of corn will produce 2,422 pounds of beef. The beef they could get with grain was 760 pounds. There's no comparison, the Ontario man observed. Mixtures of corn and grain in varying amount gave a high production of 1,574 pounds, he reported.

"You must think of beef by the acre, he said. That's the matter of efficient meat-production. So far as quality is concerned the University got \$42.04 per hundred pounds dressed weight for the grain fed animals. They got \$42.50 for the ones fed on silage.

The vice-president's plaque for the area in the Atlantic region with the best safety record will go to the chaireur area again this year, which extends from Moncton to Riviere Du Loup and has headquarters at Campbellton. It has held the award four out of the five years it has been in competition.

A system plaque will go to Newfoundland's sleeping, dining and perior car department for their clean state. They had no lost time accidents last year.

The H.H. Hicks and W.E. Danter equipment department awards, presented annually for the best safety showing in region competition, will go to the Edmondston car department and Halifax motive power. Both departments had no injuries throughout 1965.

Moncton Shop Wins Award

MONCTON, March 16—Canadian National's motive power and car shops at Moncton turned in the best safety performance across Canada last year. The awards are based on the lowest number of injuries per million man hours worked.

It is the first time the two shops in Moncton have won the awards in the same year. In 1964, the car shop won the system plaque. Says A.I. Atkinson, safety and fire prevention officer for CN's Atlantic region, "everyone did an outstanding job."

Church Winners Are Announced

SUMMERSIDE — Trinity United Church winners for a public speaking contest among Prince County United churches, were declared here last night.

The winners in the various groups are as follows: Junior, Bruce Walmsley; Intermediate, Gordon Jenkins; senior, Tommy Bradshaw.

The local church competition was held following a dinner at Epworth Hall.

The program was chaired by Ernest Murphy and the judges were Carl Millar, Archie Clark, and Norman Hardy.

The Prince County competition sponsored by the United Church Men's clubs will be held April 13th here with the winners in the county finals competing in the provincial finals in Charlottetown on April 21st.

DEATHS

McENTEE — At 28 Elm Avenue on March 16, Joseph McEntee formerly of Fort Augustus, age 70 years. Resting at the Hennessey Funeral Home from where the funeral will take place Friday morning at 9 o'clock to St. Patrick's Church, Fort Augustus, for Requiem High Mass at 9.30. Interment in the church cemetery.

PALMER — At Searletown Tuesday, March 15, 1966, Frederick William Palmer, formerly of Summerside, in his 90th year. Resting at the Compton Funeral Home from where funeral will be held Saturday, March 19, at 2 p.m. Interment in People's cemetery, Summerside. Visiting hours Thursday and Friday, 2 to 4 and 7 to 10 p.m.

DUCK — At the Prince Edward Island Hospital, March 16, 1966, Mrs. Vernon Duck of York, aged 41 years. Resting at the MacLean Funeral Home until noon Friday, March 18, then to York United Church for funeral service commencing at 1.30 p.m. Interment in the church cemetery. Visiting hours 2-4 and 7-10 p.m.

MacLEAN — At the Livingston and MacArthur Nursing Home March 15, 1966, George A. MacLean of Lewes in his 86th year. Remains will be transferred this afternoon from the Cutcliffe Funeral Home to his late residence, Lewes, where they will rest until noon Friday, then to Caledonia Presbyterian Church, for funeral service commencing at 1.30. Interment will be in Caledonia cemetery.

HARDY — At the Prince Edward Island Hospital March 16, 1966, Mrs. Lily Hardy, of York, widow of the late Capt. W.E. Hardy, in her 92nd year. Resting at the Cutcliffe Funeral Home until noon Saturday, then to York United Church for funeral service commencing at 1.30. Remains will be placed in Cutcliffe receiving vault, later to be interred in York cemetery.

THERE is a great deal of activity behind the curtains just prior to the opening curtain. With the actors and actresses nervously pacing back and forth behind the curtain and the prop managers making certain that every little thing

is in its proper position. Then, when a performer can settle down long enough the lady with the masterful touch applies their make-up. Last night at Birchwood High School, Connie Maclean applies the powder and other ingredients onto the

face of Jack Blanchard who was only one of the cast of nine that performed in "Norah's Folly" presented by the Benevolent Irish Society. Looking on is Carolyn Toole, another member of the cast.

Benevolent Irish Society Delights Large Audience

By RICHARD WHITLOCK
The Benevolent Irish Society, celebrating its 141st anniversary, delighted a capacity audience with their presentation of "Norah's Folly", an Irish comedy in three acts directed by J. Pius Callaghan, C.D.A., at the Birchwood High School auditorium last night.

The play was performed under the distinguished patronage of His Honor, Lieutenant-Governor W.J. MacDonald and Mrs. MacDonald, the Premier and Mrs. Shaw and Charlottetown's Mayor Walter Cox and Mrs. Cox.

"Norah's Folly" will be presented again tonight at Birchwood High School, curtain at 8.15.

The play takes place in the dining room of Mr. and Mrs. Daniel P. Finnegan somewhere in the United States. The play, appropriately titled "Norah's Folly," orbits on the character of Mrs. Finnegan, an incurable romanticist, portrayed very efficiently by Corena Steele. Her husband Daniel is Jack Blanchard.

Other members of the cast include: Kelvin Dowling as Dr. Gerald Niles (Jerry); Jim My Poulton (Limpy Lannegan an ex-convict); Brenda Howatt (Sylvia Allen a friend of Norah); J. Pius Callaghan, (Officer Shea); Elsie Doyle as Aunt Emma, Miss Emily Paisley; Carolyn Toole, (Florence Ainslee); Eileen Murray (as Stella, Norah's maid).

The play opens with Norah finished in 60 days, instead of 130 as is the case now. "We'll have tranquillizing drugs in the silage, we'll quieten him down, make him stand still," he explained.

The doctor explained that Urea is not a protein in itself. Urea is approximately six times as potent as a source of crude protein as soybean meal, for example, but the nitrogen in Urea has to be subjected to the bacteria in the ruminant's stomach before the protein is available to the animal.

Calrea-urea and limestone is used at the rate of 20 pounds per ton of corn silage will raise the protein content to the desired level," he explained.

The mixing must be done at ensiling time, and thorough mixing is important, Dr. MacAskill explained.

DRUGGED STEER
Looking to the future Mr. Morris predicted the steer will

Enmore Resident Is Assessed \$50

SUMMERSIDE — A resident changed his plea to guilty when he appeared before Magistrate W. Chester S. MacDonald in Prince County Court yesterday on a charge of failing to give information following an accident at Tyne Valley. He was assessed a fine of \$50 on the offence.

A charge of leaving a vehicle in a dangerous position on the highway against Vernon Lawrence Gallant of Wellington was dismissed by Magistrate MacDonald on the grounds of insufficient evidence.

Harold James Hickox of Fredricton was fined \$10 and costs for failing to have his vehicle registration transferred.

Leo Joseph Perry, Carleton and Thomas Gallant, Borden, were each fined \$10 and costs for leaving rubbish in view of the highway.

Tyrone MacDonald of Summerside was assessed a fine of \$20 and costs for speeding.

Matthew Duncan, David MacAusland, Ronald Livingstone, Gary MacKinnon, Robert O'Neill, Roger J. Richard, all of Summerside, and John MacDonald, St. Eleanors, Judy Yeo, Belmont, and Leo F. Pineau, RCAF station, were each fined \$10 and costs on separate charges of speeding.

Elmer J. Arsenault, Coleman, was fined \$10 and costs for failing to stop at a stop sign.

WESTERN FUNERALS

SMITH FUNERAL — The funeral for Mrs. James Smith was held Wednesday, March 15, from the MacLean Funeral Home where a short service was conducted by Rev. G.G. Wright, then to Bideford United Church where service was conducted by Rev. Keith Whitney. Pallbearers were: Donald MacFadyen, Daniel Baker, Wilson MacDonald, Thomas Bambrick, Charles Bambrick and Alvin Beagan. Interment took place in the church cemetery.

INDUSTRIAL

(Continued from page one)

As the discussions progressed it was revealed that the leader of the opposition was confusing one aspect of the industrial development program with another. The auditor's report was speaking of an aspect of industrial loans and Mr. Campbell was confusing it with the activities of the Industrial Corporation.

QUESTIONS UNANSWERED

Mr. Campbell queried the government on the reason why questions on industrial development asked 15 days ago were still unanswered by the government.

The premier said, "there isn't a table large enough to hold the information. A large amount of information is being prepared and will be presented before the legislature is over."

Hon. Andrew MacRae, minister of agriculture and a member of the board of directors of the Industrial Corporation, assured the members of the opposition that all the applications received by the corporation for financial assistance are carefully screened through the banks and other financial institutions. He explained that it was often necessary for the corporation, because of the intensive competition for industrial plants to act quickly and this he offered as reason why the money should be voted for, "we must have the money on hand to take advantage of the opportunities which develop," he said.

Mr. Campbell expressed his pleasure that the minister of agriculture was able to discuss industrial development without losing his temper. Prior to this one or two members of the opposition had resorted to shouting their objections and accusations at the opposition.

WHAT ABOUT NEW GROUP?

Mr. Campbell raised the question that if the Industrial Corporation was to get this money for industrial expansion, what had happened to the Industrial Enterprises Corporation, a group which was supposed to take the gram away from politics?

Hon. Lloyd MacPhail, minister of industry and the promoter of the bill, explained that the new group was getting organized and

Hon. Andrew MacRae, minister of agriculture and a member of the board of directors of the Industrial Corporation, assured the members of the opposition that all the applications received by the corporation for financial assistance are carefully screened through the banks and other financial institutions. He explained that it was often necessary for the corporation, because of the intensive competition for industrial plants to act quickly and this he offered as reason why the money should be voted for, "we must have the money on hand to take advantage of the opportunities which develop," he said.

Mr. Campbell expressed his pleasure that the minister of agriculture was able to discuss industrial development without losing his temper. Prior to this one or two members of the opposition had resorted to shouting their objections and accusations at the opposition.

WHAT ABOUT NEW GROUP?

Mr. Campbell raised the question that if the Industrial Corporation was to get this money for industrial expansion, what had happened to the Industrial Enterprises Corporation, a group which was supposed to take the gram away from politics?

Hon. Lloyd MacPhail, minister of industry and the promoter of the bill, explained that the new group was getting organized and

ped vehicle. A second charge of failing to transfer registry was adjourned to March 23.

Joseph Donald Chaisson's St. Louis was fined \$10 and costs for operating an improperly equipped vehicle. For turning a vehicle from a direct course when such movement could not be made with safety James Linton-Lidstone, Knutsford was fined \$10 and costs.

Joseph Valmont Gaudet, St. Louis was fined \$10 and costs for driving an improperly equipped vehicle and given a warning on a second charge of the same offense.

For failing to bring in a vehicle for re-inspection, Wilfred Joseph Gaudet, Tignish was fined \$10 and costs.

A Tignish run resident was fined \$20 and costs for unlawful possession of intoxicating liquor.

INDUSTRIAL

(Continued from page one)

As the discussions progressed it was revealed that the leader of the opposition was confusing one aspect of the industrial development program with another. The auditor's report was speaking of an aspect of industrial loans and Mr. Campbell was confusing it with the activities of the Industrial Corporation.

QUESTIONS UNANSWERED

Mr. Campbell queried the government on the reason why questions on industrial development asked 15 days ago were still unanswered by the government.

The premier said, "there isn't a table large enough to hold the information. A large amount of information is being prepared and will be presented before the legislature is over."
