

Former Island Couple Celebrate Golden Wedding Anniversary

The church hall of St. Andrew's United Church, Lacombe, Alta., was the scene recently of the golden wedding celebrations of Mr. and Mrs. R. L. Ramsay of Lacombe, when over 250 friends and neighbors turned out to honor the old-time couple.

Following a family dinner given by their daughter, Mrs. John McDonald of Lacombe, Mr. and Mrs. Ramsay received their many friends from 8:00 p.m. to 10:00 a.m. at the church hall.

Receiving the guests with the honored couple was Mrs. Ramsay's bridesmaid, Mrs. Ella Pellman of Edmonton.

Mrs. Ramsay's brother and sisters were on hand to assist in the celebrations. They were Mrs. Ella Pellman of Edmonton, Mrs. M.G. Christie of Bruderheim and J. Leslie Bernard of Edmonton. Many members of the Edmonton branch

A Hearing Aid is priceless ... but it is often overpriced!

USUALLY, the more you pay for something you buy, the better the quality. But this is not true when you buy a hearing aid! Prices range from about \$85—the price of a Zenith "Regent," "Royal" or "Super Royal"—to \$200 or more for other instruments. Zenith believes that no hearing aid need sell for more than \$85. Even if Zenith—with its impressive 33-year background in electronic—wanted to build a hearing aid to sell at \$150 or \$200 or more, we could not manufacture a better instrument or obtain more efficient materials than now go into the \$85 Zenith! Yes, only one price, \$85; only one quality—Zenith's finest. (Bone Conduction Devices available at moderate extra cost.) Zenith says to you "Hear better or pay nothing" ... and backs it up with an unconditional, 10-day, money-back guarantee!

FREE—Authoritative 24-Page Book

Its title: "Frauds and Facts"—and it will be mailed, postpaid, in a plain envelope. Write today to Zenith Radio Corporation of Canada, Ltd., Dept. KD5-B Canada Trust Bldg., Windsor, Ont., Canada.

Consult your classified telephone directory for local Zenith Hearing Aid dealer.

of the maritime association, of which Mr. and Mrs. Ramsay are members, were also in attendance.

Presiding over the tea table were Mrs. R. B. Layton, Mrs. M.G. Christie, Mrs. J. Leslie Bernard and Mrs. J. N. B. McDonald.

The wedding cake, attractively set at the "bride's" table was baked by Mrs. Ramsay's niece, Mrs. Ryerson Christie of Bruderheim.

Miss Barbara McDonald, granddaughter of the honored couple, was in charge of the guest book.

The hall was decorated with the many flowers that were sent to the couple, and congratulatory gifts and telegrams were displayed.

A short program of entertainment was presented towards the close of the evening, with Rev. H.P. Marston acting as chairman. John McDonald, son-in-law of the honored couple, was called on to introduce the out-of-town guests.

Dr. R. B. Layton of Edmonton, long-time friend of Mr. and Mrs. Ramsay, presented them with a silver tea service and tray, and a purse of money on behalf of friends and neighbors.

Included in the program were solo numbers by Mrs. Harold Alfke and Trevor Hookins; and a violin selection by J. N. B. McDonald.

Mr. and Mrs. Ramsay received many lovely gifts, including a chest of silver presented to them from the family, at the family dinner at the home of Mr. and Mrs. John McDonald held prior to the reception.

Both Mr. and Mrs. Ramsay are former Islanders. Mr. Ramsay's home was in Baltic, Lot 18, and his wife belonged to Darnley. They were residents of Lacombe, Alta. since 1906. They were wed in 1902 at Malpeque and went west to Lacombe four years later. For many years Mr. Ramsay successfully operated a "business known as Ramsay's Hardware."

During the couple's 46 years in Lacombe both have been active in community circles. Mrs. Ramsay has been particularly active in women's organizations of St. Andrew's United Church and is a life member of the Order of the Eastern Star. Mr. Ramsay is an old time member of Lacombe's Eureka Masonic Lodge. They have one daughter, Mrs. John McDonald of Lacombe.

Mr. Ramsay is 76 and Mrs. Ramsay at 69 are both in excellent health.

Island friends join their host of western friends in extending hearty congratulations to this worthy couple on having attained their 50th wedding anniversary.

EARLY EXPORT

Small exports of wood were made from Quebec to France soon after the colony was founded.

What's your dream?

WE ALL dream of the things we want... maybe a house... a refrigerator... a fur coat... or a business of our own. At any rate, something worthwhile.

If it's worthwhile wanting, it's worthwhile saving for. Here's a simple—and profitable—way to save. Buy Canada Savings Bonds. Depending on your pocket-book, you can buy \$50, \$500 or \$1000 bonds, which can be purchased on convenient terms through your company's Payroll Savings Plan, or at any branch of The Bank of Nova Scotia.

Take the first step towards making your dreams come true. Buy a Canada Savings Bond! As little as \$5.00 will start you on a \$100 bond.

Canada Savings Bonds (Seventh Series) yield 3.44% when held to maturity... and can be cashed at any time if you need the money. Ask for more details at any branch of The Bank of Nova Scotia.

The Bank of Nova Scotia

Your BNS Manager is a good man to know. In Charlottetown he is K. R. Elliott.

Roper-Cook Wedding

The Charlottetown Baptist Church was adorned with gladioli and autumn leaves for the wedding on Wednesday, October 22nd, at three o'clock of Florence Elizabeth, daughter of Mr. and Mrs. Edwin H. Cook, Parkdale, and Mr. Franklin Otto Roper, son of Mr. and Mrs. Russell C. Roper, Central Bay. The Rev. J. D. Davison performed the ceremony. The organist was Mr. Royston F. Mufford, A.R.C.O. Miss Audrey Horne was soloist. Preceding the ceremony she sang "I'll Walk Beside You", and during the signing of the register "Because."

Given in marriage by her father, the bride was attended by Miss Lydia Simms as bridesmaid, Mr. Harry Cook, brother of the bride, was groomsmen and the ushers were Mr. Charles Frizzell and Mr. Joseph Dunning.

The bride wore a white wedding gown with bouffant nylon tulle skirt and brocaded taffeta bodice fitted at the waist with a matching bolero. Her shoulder length veil was held in place with a seed pearl band. She carried a cascade bouquet of Better Time red roses.

The bridesmaid's dress was turquoise nylon with tulle skirt and brocaded bodice with pleated ruffle at neck and matching bolero. Her headpiece was of pleated nylon and she carried a nosegay of pink roses and carnations.

Mrs. Cook, mother of the bride, gown in bead-trimmed box office blue tulle crepe dress and natural Canadian wild mink neckpiece, wore a black velvet hat and corsage of pink roses. Mrs. Roper, mother of the groom, wore a dress of winter white woolen nylon with fur neckpiece, small feather hat and wine accessories. Her corsage was of Tallisman roses.

Fall flowers decorated the home of the bride's parents where the reception was held. Ushering the guests in the dining room was Mrs. Willard Kelly, and presiding over the tea table which was centred with a three-tier wedding cake were Mrs. H. B. Chandler and Mrs. V. L. Dingwell, aunts of the bride. Assisting were Miss Elizabeth Simms, Miss Vaunda Buell, Miss Joan Bulman, Miss Beatrice Jenkins, Mrs. Clive Cudmore, Mrs. W. A. Chandler, Mrs. R. L. Chandler, Miss Anita Love, Mrs. W. A. Burns and Mrs. Hollis Moore.

The toast to the bride was proposed by Rev. Mr. Davison and responded to by the groom.

Leaving later by motor on a trip through the Maritimes the bride was wearing a brown gabardine suit, gold velvet hat and matching accessories.

Prior to their wedding the bride and groom were the guests of honor at a number of social gatherings when they received lovely gifts from their friends.

Several Express Fear

Several speakers expressed the fear that Canada might lose a resource to the United States which she might later want.

R. D. Harbness of Montreal, saw no conflict between the two declarations. He said:

"There seems to be an inference that Canada is giving something away. If Canada is giving something away, the U. S. is giving something away, but there is no idea on either side that either, is going to give something away."

J. R. Munro of Edmonton said his delegation had been instructed to watch carefully the wording of any resolution which might have reference to the export of oil and gas. The words "insofar as possible" in the declaration had made it acceptable.

"However, if we start taking words out, then we will ask that the words natural gas and petroleum be taken out also."

The declaration was one of a long list of policy declarations and resolutions passed Thursday.

Other Declarations

Three other declarations from the joint committee of the Canadian and U.S. chambers were adopted, and will also go before the next meeting of the American Chamber.

They favored all possible steps urging removal of the U.S. embargo on Canadian livestock shipments "as soon as possible", recommended "the highest practical degree of standardization and co-operation in the production of military equipment and in defence programming," and pledged "moral and organizational support to the realization of the desirable goal of mutual understanding."

On radio and television it was stated in a resolution that "certain rights and freedoms are being denied the people of Canada" and the government was asked to "ensure these rights by withdrawing from the Canadian Broadcasting Corporation discretion to license private radio and television transmitter operation by transferring such authority to an independent body for licensing and regulations purposes."

Another resolution "views with apprehension the great extent to which parliament provides for the exercises of its legislative, administrative and judicial powers under orders-in-council or by officials or boards," and urged the government "to refrain from so delegating the powers of parliament beyond the minimum degree which is consistent with good government, and in no case to deny access to the courts."

A federal-provincial conference was urged with a view to uniform legislation throughout Canada concerning daylight saving time.

TORONTO, Oct. 3—(CP)—Don Jall guards today found one jail bar sawn through and another partially cut. Both were carefully camouflaged. C. F. Neelands, acting deputy-minister of reform institutions, said the bars were cut some time ago.

HISTORIC COLONY

Ireland was an independent republic before it joined with Norway in the 12th century.

Commerce Chamber Adopts Policy Of Energy Exchange

By Forbes Rhude
(Canadian Press Business Editor)

TORONTO, Oct. 26—(CP)—The Canadian Chamber of Commerce, after stiff debate Wednesday passed a policy declaration looking towards increased exchange of energy across the Canada-United States border.

The declaration reads:

"Insofar as it is possible and with due regard to the necessity of alleviating regional hardships or meeting local requirements, energy consumers in each country should be placed in a position to obtain their needs from the most economically-sound source."

"The effective use of natural gas, petroleum, hydro power, coal and other forms of energy should be studied with that object in view."

"For instance, an assurance of an adequate supply of natural gas to the Pacific Northwest States from the Canadian West might be reciprocated by an assured supply to the Canadian East from U. S. sources."

"Where tariffs on petroleum or other forms of energy constitute a handicap or deterrent to investment in production, distribution or trading facilities, they should be progressively removed."

The declaration came from the joint Canada-U. S. committee of the Canadian Chamber and the Chamber of Commerce of the United States.

H. H. Stevens of Vancouver led a fight to delete "water-power" from the declaration, and received strong support from a number of delegates although only a few raised their hands in support of the deletion when the vote was taken.

Mr. Stevens said including of "water-power" might put the chamber in the position of favoring a proposal by American Aluminum interests that water-power from Northwest British Columbia and the Yukon Territory, should be diverted for use in Alaska.

Further, he stated, it conflicted with another chamber policy declaration, also adopted Thursday, which said:

"In respect of the use of international waters, or of energy created from waters in Canada but proposed to be used elsewhere; or of the potential economic threat, by competition or tariff of the goods produced by the use of such energy, the primary rights of Canadians of this and succeeding generations shall be fully recognized, protected and preserved."

BONSHAW BAPTIST W. M. S.

The October meeting of the Bonshaw Baptist W. M. S. met with Mrs. James Gordon, Appin Road, on Wednesday evening, October 1st, with a good attendance of members and visitors.

The meeting opened by singing "Blessed Assurance". Scripture reading, John 14th chapter was read and respectively followed by prayer by Mrs. E. C. Holm.

The minutes of September meeting were read by the secretary, and roll call was answered by any Biblical verse. Roll call for November to be answered by a verse from Bible containing the word praise.

Missionary News items were read by the president, Mrs. J. Gordon, and Mrs. E. Holm. A duet was sung by Donnie and Marjorie Gordon, and the Old Rugged Cross.

TORONTO, Oct. 26—(CP)—A pushbutton pressed in England Friday set off a siren signalling the start of the second century of trading at the Toronto Stock Exchange.

The button was in the council room of the London Stock Exchange.

Some 450 visiting North American and British stockbrokers gathered for the ceremony.

The usually noisy trading floor was crowded but quiet as D'Arcy M. Doherty, exchange president, welcomed the visitors and made the first sale of the second century of the London, England, Stock Exchange.

The Stock Exchange ticker tape, which had been carrying congratulatory messages from all over the world since 9 a.m., read "CP 1. 30 3-4—100 shares of Canadian Pacific Railway stock at \$90.75 each."

After the ceremonial sales, the trading floor resumed its normal bedlam as traders started to buy and sell shares of the more than 1,000 listed companies.

Perhaps in honor of the anniversary, market prices improved slightly today after a general downward trend for more than six weeks.
