NEWSLETTERS are published bi-monthly on recycled paper. Articles, notes, reports, drawings, etc. are welcomed from members and non-members. If you have seen anything unusual, please share it with us. It is important to have your observations recorded so that others may learn from them. "Today's notations become tomorrow's history". All contributions should be send to:  
Dan McAskill, Newsletter Editor  
Natural History Society of Prince Edward Island Ltd.  
Charlottetown RR # 5, Donagh, P.E.I. C1A 7J8

The next newsletter deadline is November 7, 1992.

Illustrations: The Society extends a special thanks to Jacqueline Badcock who prepared the drawing on the cover and the illustrations of the hummingbirds, the Downy Woodpecker, the binoculars, and Black-headed Gull on pages 9, 10 and 13. The Natural History Society gratefully acknowledges support from the Department of Tourism and Parks and the Department of Education which enables distribution of newsletters to schools and libraries and to members.

The Natural History Society is an affiliate of the Canadian Nature Federation and has representation on the board of the Island Nature Trust. The Society is a registered, non-profit organization (Part 2, Companies Act). Tax receipts are issued for donations to the Society and these funds are used to further the work of the Society.

Reprinting: Editors of other newsletters and teachers wishing to copy classroom materials are welcome to reprint articles from the Island Naturalist (except when copyrighted). Due acknowledgement must be provided to the Island Naturalist, the author and the illustrator.

THIS MONTHS COVER

The prickly, fleshy fruit cover for the hazelnut (*Corylus cornuta*) nutlet is depicted on this issue's cover. These tiny prickles deaden the sensation in your fingers so picking the Island's version of the Christmas filbert is often done with light gloves. The nuts are excellent once dried.
