

# Tiger-Cats Favorites To Nip Argos In Semi-Finals

HAMILTON (CP) — Hamilton Tiger-Cats, who haven't missed the Big Four football playoffs since Carl Voyles took over as coach in 1950, ruled Wednesday as slight favorites to knock off Toronto Argonauts when they clash in their sudden-death semi-final here Saturday.

The 3-to-2 odds or six points that bettors on the Tiger-Cats were laying took on greater significance as further talk of dissension among Argo players and coach Bill Swicki spread around Toronto.

It first started after linebacker Ken Foster was reported to have walked off the practice field and quit the team rather than take his turn in a tackling drill last week.

The exact situation in the Argo camp isn't too clear, but more evidence that everything isn't serene came Tuesday with confirmed reports that import tackle Billy Shipp had an argument with Swicki.

**DENIES DISSENSION**  
The dissension talk reached its highest peak when a unidentified Argo player was reported Wednesday in a Toronto newspaper interview to have said that the players

“have lost confidence” in Swicki and his ability to set up a defence that will work.

Swicki refused to comment on the player's statement other than to say that “if that player knows so much he shouldn't be playing; he should be coaching Notre Dame or the Cleveland Browns.”

# Says Nats Had To "Sell" Stars

NEW YORK (AP) — Washington had to “sell” Mickey Vernon and Bob Porterfield to the Boston Red Sox to raise cash for inheritance taxes, says John O'Donnell in a Washington-dated story in The Daily News.

O'Donnell writes: “To get the money to meet U. S. treasury demands, the owners of the Washington baseball club sold their stars to the Boston Red Sox, turned the dough over to the U. S. treasury and can expect—as they do—a whittling down of the Washington

gate receipts (oh yes, we know all about those stories that it was a no cash-deal).  
A spokesman for the Senators denied the story, repeating Tuesday's statement that no cash was involved in the deal.

He added that the inheritance taxes posed no problem for the Griffiths, since the will of Clark Griffith specifically provided for payment of these levies.

**TO VANCOUVER FOR DUTCHMEN**  
Kitchener-Waterloo will be represented in the Miss Grey Cup contest in Vancouver Nov. 26 by Miss Joan Hiker. The Kitchener girl was named Miss K-W Dutchmen in a competition sponsored by the K-W Quarterback Club.

# Dispute Is Dismissed

The dispute committee of the Maritime Rugby Association last night dismissed a protest of the Saint John Mariners on their game against the Acadia Hattersmen at Wolfville last Saturday.

The two teams met four times during the season. Each won two games and lost two with the victories each time coming on the home field. The advantage from the home gridiron and crowd will be with the Tiger-Cats Saturday.

# Senators Would Like To Deal With Yanks & Tribe

WASHINGTON (AP) — The new look on the Washington Senators isn't only going to involve new faces, it turned out Wednesday. It's also going to involve new 'ensions.

Calvin Griffith, the club's new president, said he's going to have both the left and centre field fences moved in, cutting some 20 feet off the home run distance in the most formidable ball park for distance hitters in the major leagues.

The distance into the left field corner is now 386 feet. Even a 20-foot reduction would make a home run quite a wallop.

At the same time, Griffith let it be known he's still plotting trades in hopes of adding more new faces before the start of the 1956 season.

# Rookie's Late Goal Gets N.Y. Tie With Montreal

NEW YORK (CP)—Rookie Guy Gendron's first goal of his National Hockey League career late in the third period Wednesday night gave the second-place New York Rangers a 1-1 tie with the league-leading Montreal Canadiens before 15,509 fans, the largest midweek crowd at Madison Square Garden in seven years.

Gendron, 21-year-old leftwinger who scored 24 goals for Providence of the American Hockey League last season, slipped the puck past Montreal goalie Jacques Plante from just outside the crease with only four minutes to go.

The tie gave the Rangers 16 points from 13 games and kept them within three points of the Canadiens, who have played two more games.

After a scoreless first period, the Canadiens took the lead midway in the second period when Bert Olmstead's 20-foot angle shot beat ranger goalie Lorne Worsley.

# Newspaper Predicts Brand New Look For '56 Football

By THE CANADIAN PRESS  
A Toronto Telegram prediction of a spanking new look in Canadian football for '56 has set sporting circles throughout the country buzzing with speculation.

Sports reporter Bob Frewin flatly forecast Tuesday that Lew Hayman, former part-owner of Montreal Alouettes and a major figure in Canadian football for the last 22 years, will be offered this winter the post of Big Four commissioner.

And, he said, East and West will join in an expanded 16-game schedule next season.

**"BEST MAN"**  
Reaction was immediate. From the East, Harry Sonshine, team manager of Toronto Argonauts, praised both ideas:

"Hayman is the best man to be the first commissioner. The 16-game schedule is absolutely necessary."

From the West, Don Mackenzie, President of British Columbia Lions of the Western Interprovincial Football Union, commented:

"Better still would be an overall commissioner for the two leagues. We haven't given the interlocking schedule much thought, and it would have to be given a great deal of thought."

Frewin said the new schedule scheme—under unofficial consideration throughout Canada for some years—would involve teams from the East and the West playing four to five games against op-

# Moncton Downs Capitals; Beavers Defeat Ramblers

MONCTON (CP) — Cellar-dwelling Moncton Hawks snapped a four-game losing streak to whip third-place Fredericton Capitals 5-3 Wednesday night in the Atlantic Coast Senior Hockey League.

Right winger Orin Carver directed the Moncton attack, slamming home a pair of tallies. Other Moncton markers came from Fred Weaver, Ivan Houle and playing-coach Bert Hirschfeld.

Fredericton marksmen were Bill McDonagh, Joe Lepine and Bernie McDonald.

Moncton lead 2-0 at the end of the first. The teams divided four tallies in the middle period and each got singles in the final.

The game produced close checking but only four minor penalties were called, all but one to Capitals' defenceman Carl Bloom.

Playing-coach Hughie Campbell yanked Fredericton goaltender John (Plummer) Craig with 57 seconds left in favor of an extra attacker.

Doug McPhee almost tied the game with a close-in shot, but Orin Carver wrapped it up with one fired into the empty net.

The victory closed the gap between Fredericton and Moncton to two points.

First period: 1. Moncton, Hirschfeld (Carver, Leduc) 3:46; 2. Moncton, Weaver (Houle, Lacroix) 9:21. Penalties: Bloom 13:27, Weaver 13:51.

Second period: 3. Moncton, Houle (Sinnott, Weaver) 3:04; 4. Fredericton, McDonagh 2:04; 5. Moncton, Carver (Hirschfeld, Leduc) 9:41; 6. Fredericton, Lepine (Leclerc) 19:17. Penalty: Bloom 17:29.

Third period: 7. Fredericton, Macdonald (McPhee, Leclerc) 5:41; 8. Moncton, Carver (Sinnott, Bowness) 19:58. Penalty: Bloom 16:32.

Stops: Craig ..... 7 7 6-20; Pidsodny ..... 8 5 9-22.

SAINT JOHN, N. B. (CP)—A 4-2 win over Amherst Ramblers Wednesday night left Saint John Beavers only one game below the leading Ramblers in the Atlantic Coast Senior Hockey League. It was the second Amherst loss of the season on Saint John ice.

Beavers outgated the visitors 2-1 in the first period and this scoring pattern was repeated in the second. The last was scored by Wally Kullman and Gerry Smith.

The semi-final on the same card was action-packed from bell to bell as Nick Melnick of Glouce Bay knocked out Hickey (Kid) Nickerson of Charlottetown at 2:58 of the third round.

**OUTSTANDING ATHLETE**  
Edward Brooke, Montreal fencer, was awarded the Norton H. Crown Trophy as Canada's outstanding athlete of the year by the Amateur Athletic Union of Canada at its annual meeting in Saskatoon.

# Winnipeg & Eskimos Play For 44th Time Tomorrow

WINNIPEG (CP)—The two football teams that have met more than any others in Canada clash again here Friday afternoon in the first game of a best-of-three series to decide the 1955 Western Interprovincial Football Union title.

Since 1949, when Edmonton Eskimos rejoined the WIFU, they have taken on the Winnipeg Blue Bombers 43 times, 13 of them in playoffs. If records mean anything, the odds are that the Eskis will defeat Winnipeg.

Edmonton holds a 17-12 edge over Bombers in league play but only a 7-6 margin in playoffs. One game was tied, in 1952.

A five-inch snowfall fell Wednesday over the tarpaulin covering the cold-hardened gridiron in Winnipeg Stadium but officials said they will have it cleared by Friday.

**SHERMAN WORRIED**  
Coach Al Sherman of Winnipeg is a little worried about how his club will perform on Friday. The Bombers are still tired from their semi-final series with the rugged Saskatchewan Roughriders.

Bombers won the two-game, total-point affair 24-18 and picked up some bumps and bruises. Among those not walking too well Wednesday were linemen Floyd Harrawood and Dick Huffman.

As for the Eskimos, Sherman said they have had plenty of time to work on plays. And he added that any one of the Eskis is a big threat to Winnipeg.

When the teams meet Friday, there will be 17 WIFU all-stars playing—11 of them for Edmonton.

Second game of the series will be played in Edmonton Nov. 16 and a third game, if necessary, also in Edmonton Nov. 19.

First period: No scoring. Penalties: Bellevue and Gadsby 2:48; Geoffrion 3:10, Bathgate 7:03.

Second period: 1. Montreal, Olmstead (St. Laurent, Geoffrion) 13:46. Penalties: Harvey 9:34 and 17:38.

Third period: 2. New York, Gendron (Pontinano, Murphy) 16:00. Penalty: Geoffrion 13:30.
