Cleaver's Floral Pomades for the hair, Saponaceous Tooth Powder, Glycerine Shaving Squares, Cosmetiques, &c. For Family Use, the following Soaps, in 1 lb. Bars—Family Brown Windsor, Almond Glycerine, Family Honey Soap, Rose, Elder Flower. Dr. Chambers' Castor Oil Pomatum, Marrow Oil, Bears' Grease, Bears' Marrow. Crystallized Cream. Lavendar Water, Eau de Cologne, Viole Powder.

CAUTION.—Owing to the recent introduction of Soap made from Cocoa Nut Oil, F. S. Cleaver feels it incumbent on him to remark that he entirely abstains from the use of that pernicious article in any Soap bearing his name, the only advantage of which is to enable the maker to produce soap at less cost, and with a smooth and ivory-like appearance, which treacherous and superficial qualification is to be avoided; as a soap so made possesses a much more powerful alkali than genuine English-made soap; and like many other things, beautiful to behold, leaves its sting behind, by causing a severe irritation to the skin—particularly if used for shaving. It likewise produces a faint, sickly, and disagreeable smell, as the hands of any person who has used it can testify.

Buckeye Mower and Reaper,

TO OUR PATRONS IN P. E. I.

IT is now four years since we began shipping Machines to your Island, and from our large increase of sales each season are assured that our efforts to furnish you with the "best Mower and Reaper in the world," have been appreciated, and with this encouragement we have endeavored to study more particularly your requirements, and each year build our Machine more especially adapted to your country.

We have this year attached a Self-raking Reaper to our Machine, and can now offer you "the most perfect combined Mower and Reaper" manufactured in America, or in any other country. This Machine differs in many respects from all others, and is particularly adapted for cutting lodged grain. By a very simple device the points of the guard-fingers can be dropped at the option of the driver, picking up everything, and making all smooth work. It will cut several inches lower than our Reaper last season. Improvements have also been added to the Mower.

Other Machines will probably be offered you at, perhaps, lower prices, but be assured there are 'none' that can compete with us in quality of work or quality of material used in construction. We feel confident that our Combined Machine will prove as satisfactory as the Mower has heretofore, and have no hesitation in warranting it to be superior to any Machine in this or any other market.

Yours respectfully,
RICHARDSON M'FG Co.

Ayer's

Hair Vigor,

For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

The Most Reliable Friend

Holloway's Ointment.

Its Searching and Healing Properties are known and recognized throughout the World.

The number of years this invaluable Ointment has stood the test of public opinion, (and the longer known the better appreciated) is a testimony of it self more convincing than anything that could be written in praise of its truly wonderful healing properties. In the cure of bad legs bad breasts, sores, wounds, and ulcers, its effect is marvellous. For ring-worm, scald head, scrofula, and diseases of the skin generally, there is no remedy to be compared to it. When assiduously rubbed upon the skin (previously well bathed in warm water) this Ointment is quickly absorbed into the system, and cleanses in its passage every part to which it is applied.

Glandular Swellings, Mumps Bronchitis, Quinsey, Sore Throats and Diptheria.

In any of the above diseases, immediate and permanent relief is obtained by effectually rubbing the deterrent Ointment, twice a day, upon the neck, chest and back. It acts upon the very main springs of life; for through the glands pass all new matter required for the body's reparation, and all old particles detrimental to its preservation. The Ointment, used conjointly with Holloway's Pills, will act so searchingly and certainly as to effect cures in the most hopeless cases.

Rheumatism, Lumbago, Contracted and Stiff Joints.

Many thousands of martyrs from the above complaints have found life almost unsup o table; yet if Holloway Ointment be briskly and perseveringly rubbed upon the parts effected, ease may be safely guaranteed, especially if the pores of the skin be previously opened by fomentations with warm water. The gross humors require expulsion from the system; it is therefore necessary to have recourse to Holloway's admirable Pills, which, by purifying and strengthening the system, greatly assist the operation of the Ointment, and facilitate and confirm the cure.

Bad Legs, Bad Breasts, and Ulcerations of all kinds.

There is no medicinal preparation in the world which may be so thoroughly relied upon, in the treatment of the above ailments, as Holloway's Ointment. Nothing can be so simple or safe as the manner in which it is applied, or its action on the body, both locally and constitutionally. The Ointment, rubbed in and the part affected, enters the pores just as salt enters meat. It quickly penetrates to the source of the evil and drives it from the system.

Erysipelas and Scrufulous Sores

In all irritations of the skin, sores, ulcers, burns, or scrufulous enlargements of any kind Holloway's Ointment presents a ready and easy means of cure. It manifests a peculiar power in restraining inflammation, removing stagnation, cooling the heated blood, and checking all acrimonious and unhealthy discharge.

Both the Ointment and Pills should be used in the following cases:

Bad Legs	Corns (soft)	Rheumatism
Bad Breasts	Cancers	Scald Heads
Burns	Contracted and Stiff Joints	Sore Nipples
Buuions		Sore Throats
Bites of Mosquitos and Sand Flies	Elephantiasis	Skin Diseases
	Fistulas	Scurvy
	Gout	Sore Heads
Coco-bay	Glandular Swellings	Tumours

RADWAY'S

Sarsaparillian Resolvent

HAS MADE THE MOST ASTONISHING CURES, SO QUICK, SO RAPID ARE THE CHANGES THE BODY UNDERGOES UNDER THE INFLUENCE OF THIS TRULY WONDERFUL MEDICINE THAT

Every Day an Increase in Flesh and Weight is Seen and Felt.

Scrofula, Consumption, Syphilis, uncured and badly treated Venereal, in its many forms, Glandular disease, Ulcers in the Throat, Mouth, Tumors, Nodes in the Glands, and other parts of the system, Sore Eyes, Strumous discharges from the Ears, Eruptive diseases of the Eyes, Nose, Mouth, and the worst forms of Skin diseases, Eruptions, Fever Sores, Scald Head, Ring Worm, Salt Rheum, Erysipelas, Acne, Black Spots, Worms in the Flesh, Tumors, Cancers in the Womb, and all weakening and painful discharges, Night Sweats, loss of Sperm and all wastes of the life principle, are within the curative range of Radway's Sarsaparillian Resolvent, and a few days use will prove to any person using it for either of these forms of disease, its potent power to cure them.

Not only does the **Sarsaparillian Resolvent** excel all known remedial agents, in the cure of Chronic, Scrofulous Constitutional, Skin and Syphiloid disease, but it is the only positive remedy for **Kidney, Bladder Urinary, and Womb diseases, Gravel, Diabetes Dropsy, Stoppage of Water, Incontinence of Urine, Bright's disease, Albuminuria, and in all cases where there are Brick dust deposits, or the water is thick, cloudy, mixed with substances like the white of an egg, or threads like white silk, or there is a morbid dark, bilious appearance, and white bone dust deposits, and where there is a pricking, burning sensation when passing water, and pain in the Small of the back, and along the Loins. In all these conditions Radway's Sarsaparillian Resolvent aided by the application of Radway's Ready Relief to the Spine and Small of the Back, and the Bowels regulated with one or two of Radway's Regulating Pills per day, will soon make a complete cure. In a few days, the patient will be enabled to hold and discharge his water naturally without pain, and the Urine will be restored to its natural clear, and amber or sherry color.**

THE WASTES OF THE BODY

are supplied with new, healthy, and vigorous blood, that furnishes sound structure. Hence all suffering from WEAKENING DISCHARGES, either MALE or FEMALE, of the Womb, Uterus, or other organs, whether Leucorrhoea, Sperm, or Eruptive discharges, of every kind, or from violence of "Self-abuse," from the Genital Glands, or Venereal discharges, or ulcers, or sores, through the reparative process of RADWAY'S SARSAPARILLIAN, are arrested, and the ruptured organs healed.

THE TRUE THEORY OF CURE.

RADWAY'S SARSAPARILLIAN RESOLVENT supplies the system, through the blood, urine, sweat, and structure-making constituents with Tissue making, Flesh making, Heat or Caloric and Fat making elements. All of its constituents are *nourishing, purifying, and strengthening. It Repairs, Heals, Resolves, and drives out of the body* the products of Decay and Corruption CONSUMPTION, WHITE SWELLING, DROPSY, SYPHILIS, CANCERS, TUMORS, &c., are all of a scrofulous diathesis, and as such, are within the curative range of the SARSAPARILLIAN RESOLVENT!

1. That Scrofula, by whatever name designated, is the result of deposits from the blood, induced or caused by Chronic inflammation. That those deposits take place when the blood *is poor, weak, watery*, and incapable of holding in solution its proper constituents, or from the presence of some virus or poison in the blood, as Mercury, Calomel, Corrosive Sublimate, which is the Corrosive Chloride of Mercury or other agents, given in medicines and which enter largely in the common advertised Sarsaparillas, NOT ABSORBED OR CHANGED FROM THEIR NATURAL CONDITION.

2. That unless the repairs or nutriments are greater than the wastes, that decomposition and decay will supervene, and the powers of life become exhausted.

3. That the dying body cannot be sustained on any treatment of medication that exhausts the system, or fails to nourish the blood, the only medium through which the vital forces are preserved, and on which the growth of the body depends.

4. That **Radway's Sarsaparillian Resolvent** supplies a want never before possessed or known to exist in medicine, that this new found principle in medical science, which has been brought to such a perfect system of cure is exhibited as follows:

1. Its great power in assimilating the food in its first stage of distillation in the process of digestion, as chyme and chyle with the nourishing elements of blood, separating from these liquids refuse and inert qualities before they are taken up by the lacteals and are formed into blood. Here we see that by its wonderful power it charges the system with the very essence or principle that forms the vital powers of the body, and its chemical action on the blood in its primitive and complete condition, separates every atom of refuse material or element, out of which the virus of disease is formed

2. That, the blood thus prepared, and supplied with these nourishing properties becomes strong, rich and healthy, and holds in solution its proper constituents, through the **Sarsaparillian Resolvent**, and repairs the wastes of the body with sound and healthy structures. Such is the wonderful power the **Sarsaparillian Resolvent** exerts on the blood and juices of the system, that no virulent humors or poisons will exist by which deposits are made.

3. The rapidity which the **Sarsaparillian** enters the circulation, and communicates its curative powers through the Blood, Sweat, Urine, and other fluids, secures the constituent secretions of each respective organ, establishing functional harmony throughout the system; through its action and power over the Secretions, the Liver secretes its natural or proper allotment of bile; the Skin sweat; the Kidneys urea; and the Lungs carbon; so that this wonderful medicine not only establishes health in the sick body, but preserves the system in health.

As we have shown the principle on which disease is formed, as well as the only sensible theory of cure, we claim that the range of cure of the **Sarsaparillian Resolvent** is unlimited, and that every disease that is of a Chronic, Scrofulous or Organic Diathesis, is properly within its special range.

THE GREAT SECRET OF CURE

in this Medicine consists in the selection of ingredients containing curative and nourishing properties that supply the blood and general system with such constituents which, in a condition of disease and depravity, it is deficient of, together with the combination of the several ingredients that form the SARSAPARILLIAN RESOLVENT.

If the constituent of Oxygen was exhausted from the atmospheric air, life would become extinct. So, when the blood becomes exhausted of its vital constituents, it deposits its tubercles and diseased humors in the body, and the elements of decay and decomposition supervene.

Radway's Sarsaparillian Resolvent is to the blood and general system what OXYGEN is to the atmospheric air; it supplies the life principle, and enables the blood to hold in solution all its natural constituents.

DAILY CHANGES

take place, for as the Sarsaparillian increases the strength and purity of the blood, all deposits are diminished, and where there are tubercles formed in the lungs, the further deposits are arrested, and those that are established or forming dislodged, expelled, exhausted, or the portion of the diseased lung cicatrized, and the consumptive, scrofulous subject receives good, if not sound, health.

BLIND LADY CURED.

Gravel, Dyspepsia, Sore Legs, Bleeding from the Lungs, Cured.

Mr. GEORGE MORTIMER, a commercial traveller, in Canada West, writes us, under date of April 17, 1869, from Woodstock:

"The SARSAPARILLIAN RESOLVENT is in great demand, and working wonders. Mr. HOAG, of Straffordsville, merchant, told me of a case where a woman WAS BLIND, but, by the use of the SARSAPARILLIAN RESOLVENT, can now see to read. She would give a certificate, but does not wish to be bothered with people writing. Hundreds call to see her. The cure is regarded as wonderful.

"Messrs. WHITE & SCOTT, principal druggists here, inform me of a person of note—high social standing—who for years was afflicted with DYSPEPSIA and GRAVEL, who has been entirely cured by RADWAY'S SARSAPARILLIAN RESOLVENT."

Mr. HOAG reports another case of Chronic Sore Leg, that resisted all other advertised medicines, cured by a few bottles of SARSAPARILLIAN RESOLVENT.

"Mr. JONATHAN FREELAND, of Widder Station, cured, by one bottle, of Bleeding from the Lungs, Night Sweats, Threatened Consumption.

"In every town I visit I hear of wonderful cures by the SARSAPARILLIAN RESOLVENT. For every kind of Humor, Sore, Skin Eruption, and all weakening discharges, the people use it, and become cured; so with Fits, Scrofula, White Swelling, Sore Heads and Eyes, Nose and Mouth, all kinds of Sores, this wonderful remedy acts so powerfully on the blood that all who take it become strong, sound, and healthy.

"GEO. G. MORTIMER,
"Commercial Traveller."

RADWAY'S SARSAPARILLIAN RESOLVENT is sold at $1 per Bottle, or 6 Bottles for $5, by all Druggists and Medicine Dealers, and at DR. RADWAY'S Medicine Warehouse, 87 Maiden Lane, New York City.
