KOOTENAY. MRS. MARGARET PATTERSON CURED OF RHEUMATISM OF SEVEN YEARS' STANDING AND PARALYSIS. (Testimony Under Oath.) The following testimony of Mrs. Margaret Patterson, given under oath before W. F. Walker, Notary Public, marks the most wonderful cure in the history of any medicine: "For six or seven years I was badly afflicted with rheumatism and severe neuralgia in the head. At times I suffered very much pain from violent headaches, and in order to stop same, and upon the advice of a physician, I had a number of my teeth extracted, without deriving any advantage. "In May, 1894, I had a paralytic stroke in the left side of my body; this was followed by the total loss of sight of my left eye, swelling of both ears, violent headache, and I was unable to do any work about the house, and was not safe to be left alone on account of my dizziness and general weakness. "I consulted four different physicians, who attended me, and they told me that I would never become well again. "About two months ago I began using Kootenay, M. P., of this city, and now known as Kootenay Cure, and am now taking the fourth bottle of such medicine. "Before I finished the first bottle I noticed a great improvement in my condition. I had now received the use of my eyesight, the use of my hearing, and the use of my limbs and body, the headache has completely disappeared, and my strength has come back almost completely. I am, in fact, though 42 years old, I feel almost a new woman. Mrs. Margaret Patterson, 91 Vine Street, Hamilton, Ont. "And I make this solemn declaration conscientiously believing it to be true, etc. MARGARET PATTERSON. Declared before me at the City of Hamilton, in the County of Westwong, this 20th day of August, A. D. 1895. (Signed) W. F. WALKER, A Notary Public in and for the Province of Ontario.

Racked with Rheumatism Unable to Walk, owing to excruciating pain. After ten years' terrible torture, Cured by Scott's Emulsion. A. H. Christensen, writing from the Clifton House, Niagara Falls, says: "I owe you more than I can ever pay. For ten years I suffered the tortures of the damned with rheumatism. Father had before me, and I believe it is an hereditary disease. My knee joints would get inflamed and if I was out in any weather I was sure to be laid up, which to a travelling man is a calamity. In a score of Canadian towns local doctors treated me, some giving relief, others none. I read that Sarsaparilla was a rheumatic cure, and I asked a druggist for a bottle of the best Sarsaparilla on the market. He gave me Scott's, remarking that it was an improvement on all others, and that he could honestly recommend it. I have taken four bottles and am as free from pain as a man can hope to be. I was out in a rainstorm two days ago and never felt a twinge. As I had before, to Scott's Sarsaparilla I owe more than I can ever repay. "The best remedy for rheumatism, sciatica, and neuralgia pains—acting upon the presence of poison in the blood—is Scott's Sarsaparilla, a modern concentrated medicine, prompt in its curative effects. Doses from one half to one teaspoonful. At \$1 per bottle of your druggist. Head quarters for retailers at McEwen's Shoe Store.
