Pretty Poor Pickings.

The following story must be true, since it was told by one of Cleveland's clever school principals...

"Here's a picture called 'Millet,'" he was saying as they gazed open mouthed at "L'Angelus."

After all, what does fame amount to? -Cleveland Plain Dealer.

Charlie's Anchorage.

"I've called you three times, Charlie," said a mother to her little son, "and I'm very much annoyed because of your failure to answer me."

"Well, mamma," replied Charlie, who was very fond of reading Bible stories, "you ain't any better than the Lord, are you?"

"No, of course not," answered the mother in surprise. "Why did you ask that?"

"Because," replied the little fellow, "the Lord called Samuel three times, and he didn't get mad about it." -Chicago News.

She Said No.

Mrs. Mannerly (to her daughter, who has just returned from tea with friends) - I hope you said "No, thank you," oftener than you did "Yes, thank you."

Mabel - Yes, I did. I hadn't been eating more'n half an hour before they began saying, "Don't you think you've eaten enough?" "Aren't you afraid you'll make yourself ill?" And I said, "No, thank you," every time. -London Fun.

Flattering.

Reggie's Fiancee - You know, Reggie, that girls are being called by the names of flowers now, and my sister suggested that I should be called Thistle.

Reggie - Oh, yes, I see - because you are so sharp.

She - Oh, no! She said it was because - Double loved me. - Pick Me Up.

NERVOUS... DEPRESSION

Means Impoverished and Exhausted Nerves - Dr. A. W. Chase's Nerve Food Restores and Revitalizes the Nerve Cells.

People who suffer from Nervous Depression and Exhaustion frequently look healthy and strong. They alone know the thousand distressing symptoms which make their lives miserable.

The lack of nerve force results in a slow and sluggish action of the heart, impaired digestion, headache, despondency, and a fear to venture, loss of energy, sleeplessness, incapacity for mental labor or business.

With these symptoms there is usually melancholy and fear of death, which tends to increase nervousness, but there is every reason to be hopeful if the right treatment is used. Dr. Chase's Nerve Food contains all the nutrition required to create new brain and nerve tissue. It imparts to the nervous system that life-giving principle which sends a thrill of new strength and vigor through the system.

Dr. A. W. Chase's Nerve Food will cure by the building-up process, which enables the body to laugh at disease and weakness. Face cut and fac-simile signature of Dr. A. W. Chase on every box of the genuine. 50c. a box, at all dealers, or Edmanson, Bates & Co., Toronto.

To The Front Again

After one years vacation from the meat and grocery business, I have opened up again in my old stand on the corner of Hillboro and Richmond Sts. where I will keep a full supply of all kinds of meat, fresh and salt. I now take this opportunity of thanking my numerous customers for their very liberal patronage during my thirteen years in the meat business. I invite all my customers to look again, and will guarantee them every satisfaction, and any who have not had the good luck of dealing with us in the past, and are saving money, would do well to do so now. Having secured the services of Mr. Howard Worth, who has spent eight years in the meat business, part of that time as a meat cutter in the city of Boston and is capable of cutting meat to suit all customers. We are better prepared than ever to give the public satisfaction.

Our motto is "small profits and quick returns." Come along every day and see for yourselves. Special reduction made on Saturday. Remember the place, corner of Hillsborough and Richmond Streets.

No More War

Swords will be beaten into plough shares later on; but our farmers do not need to wait till the "Peace Conference" is over, before buying their plough shares, as they can do so at once, by calling at the Masonic Temple Store, where any share, or other plough extras can be had for less money, and better than any imported. Prove this at once, by trying them.
