Local Merchants Prompt In Backing "Angel Street"

No less than five local business firms have come forward to offer material assistance to the award-winning production of "Angel Street" which leaves for Sherbrooke, Que., next month, to represent the Atlantic provinces in the Dominion Drama Finals.

After the cheering over this play's selection as a finalist had died down, it was realized by the Little Theatre Guild had a definite problem presented itself in sending the group to Sherbrooke.

Although hotel expenses would be paid for the group in Sherbrooke by the Dominion organization, travelling expenses and the cost of building a complete new stage set for the cast to take with them had to be met.

As soon as this need was felt offers of assistance from well-wishers were received. These included the services of an experienced carpenter and offer of lumber, canvas, hardware and paint for a new set of which the cast could be very proud.

To raise part of the necessary finances the Guild decided to present a special performance of

"Angel Street" next week, giving everyone a "last chance" to see the production which has been selected as one of Canada's top eight. Requests for tickets for this performance have been received from as widely-spread districts as O'Leary, Souris and Murray River demonstrating that the people of this Province are justly proud of this talented group.

The purchase of these tickets is a concrete way of encouraging the cast of "Angel Street" as it takes on the terrific task of representing this and the other Atlantic Provinces in competition with Canada's top talent next month.

Welfare Bureau Ready To Start

Good progress was reported by the Protestant Welfare Bureau at a director's meeting held last evening at the Y.M.C.A. Mr. E.C. Johnston presided.

It was unanimously agreed that the disposition of the funds of the Children's Aid Society as contained in the terms of the resolutions passed at the final meeting of the bureau, Fifteen directors were present for the meeting.

Some discussion centered around the best time of the year to launch a city-wide canvass on behalf of the agency. Mr. George Purvis said he had made an exhaustive search to ascertain what months did not have a campaign. He found that September and November were the only months free.

In order not to interfere with the annual Protestant Orphanage drive it was decided to start the campaign of special names on the first week of November and the regular canvass on the second week of the same month.

Housing accommodation has been secured for the Social worker at 75 St. Peters Road and the Bureau headquarters will be contained in the Palmer Electric Building, 100 Fitzroy St., the former site of the Bible House. Mr. Baker will take over his duties as director of the Bureau on May 1.
