**China Accepts Proposal For Moscow Talks**  
 TOKYO (CP) — Communist China accepted a Soviet proposal to hold talks in Moscow to discuss ideological differences between the two countries, the New China News Agency reported.  
 The Chinese, however, asked for a change in the date of high-level talks from mid-May to mid-June this year, a source said in a broadcast monitored here.

The Chinese reply to a Soviet letter dated March 20 was conveyed to Premier Nikita Khrushchev by Soviet Ambassador S. Y. Chervonkov.  
 The ideological differences arose mainly from Chinese insistence that the Soviet Union should not regard the Chinese as a "second front" against the United States.  
 REVERSED PROPOSAL  
 Soviet Premier Nikita Khrushchev late in March turned down a Chinese invitation to go to Peking for face-to-face meetings with Mao Tse-tung and proposed instead that Mao go to Moscow for talks to discuss the Communist Party's party back in order.

Mr. Chou, head of the Communist Party in China, is not going to Moscow at this time.  
 He said Teng Hsiao-ping, general secretary of the central committee of the Chinese Communist Party, and Peng Chen, political bureau member of the party central committee, will lead the Chinese delegation.

 SPECTS, LEE, QUE (CP) — Schools and some businesses in Septon are boiling their district water despite official assurances that the city's water is safe.

Police and health nurses checked patients, emptying water glasses and passing along the word of caution. May through this city 325 miles northeast of Quebec City.  
 A found engineer Raymond Hebert, finally reached at night, explained by radio that the contaminated water supply was checked daily and was perfectly safe.  
 He said that the night an elderly patient at the hospital died and rumor ran rampant Wednesday. The patient's death
