THE DAILY EXAMINER

OCTOBER 30, 1900.

THE UNITED STATES TARIFF.

SIR LOUIS DAVIES used to tell the farmers of this Province that if the Liberals were elected to office, they would obtain reciprocity of trade with the United States. The Liberals were elected to office,—and the United States tariff has been changed as follows:

	Old tariff	New tariff
Cattle, under 1 year	20 p c	$2 00 each
Do. over 1 year	20 p c	3 73 each
Do. worth more than $10	20 p c	27½ p c
Swine and Sheep	20 p c	1 50 each
Horses	20 p c	$50 each
Horses, if worth more than $150	20 pc	25 p c
Barley (bushel)	30 p c	30 cts
Oats (bushel)	20 p c	15 cts
Wheat (bushel)	29 p c	25 cts
Butter, per lb	4 cts	6 cts
Cheese, per lb	4 cts	6 cts
Beans, (bushel)	20 p c	45 cts
Cabbages (each)	Free	3 cts
Cider (gallon)	Free	3 cts
Eggs (per doz)	3 cts	5 cts
Hay, per ton	$2 00	$4 00
Honey, per gallon	10 cts	20 cts
Hops, per lb	8 cts	12 cts
Onions, per bushel	20 cts	40 cts
Green peas, per bushel	Free	40 cts
Potatoes, per bushel	15 cts	35 cts

This is the kind of Reciprocity Sir Louis Davies has procured! Of course he had no right to hold out the expectations that he did.

AN EYE OPENER.

THE HALIFAX CHRONICLE, of Saturday, published an alleged statement of the Toronto World, conceding the return of the government. A despatch was sent by the Halifax Herald to the World inquiring if it had ever conceded the government's success, and the following reply was received :

To the Halifax Herald :

TORONTO, October 28.—The World certainly never did. It is made out of whole cloth.

THE WORLD.

Here is an eye opener. There need not be, after this, any doubt that most of the statements which appear in such papers as the Halifax Chronicle and Charlottetown Patriot concerning the prospects in other parts of Canada are made out of whole cloth. Desperate, indeed, must be the cause which requires such scandalous and rascally tactics.

NOTES AND COMMENTS.

THE Royal Standard was hoisted at Pretoria on the 25th inst., and the Transvaal formally proclaimed a part of the British Empire.

A PROMINENT CONSERVATIVE who is wearing a button of Sir Louis Davies on his coat was today asked why he wore it, and he replied that it was to keep Liberal canvassers away.

"I'M LOYAL to the Queen," declared Premier Farquharson. We're glad to hear it; for it's not so long ago that Premier Farquharson had the Stars and Stripes displayed in his windows.

MR. JOHN T. BULMER points out the duty of temperance men in the present crisis. He says : "If we return the Liberal party to power we condemn ourselves to impotency and our cause to contempt."

LABOUR troubles in Quebec add to the anxieties of the Laurier-Tarte administration. In view of what is going on here the wonder is that all the men who want employment at good wages are not working in government works just before the election.

MR. WESLEY SHAW, of Raleigh, writes to the Chatham Planet: "I am a British subject, and Canada is my home, and if anything should raise the ire of a true Briton it is the utterance of Hon. J. I. Tarte, one of the Ministers of the Laurier Government.

THE PATRIOT announces that the Hillsborough Bridge "will be the most important structure ever built in America." It is at least equally true that the people of Prince Edward Island will pay more than half the cost of it—and moreover it will be out of the way for local purposes!

THE PATRIOT announces that Mr. D. A. McKinnon is no longer Attorney-General, His resignation has been accepted—though he might just as constitutionally hold on in the future as he held on ever since his defeat in Murray Harbor!

THE St. John Sun remarks that "it is easy for a newspaper to say that its party is about to sweep the country in an election campaign. Nothing is simpler or cheaper than such boasting. This journal does not propose to join the boasters, but it ventures, with due modesty, to express the opinion that the Laurier government will be badly beaten at the elections next week."

IT is reported the Manitoba voters' lists are so jumbled that some of the districts are without a legal list at all. In Toronto the lists have been fixed so that substantial Conservatives long resident in the city by the score will lose their right to the franchise unless they take special pains to register under the manhood clause of the provincial law that governs in the parliamentary elections in Ontario.

AT the North River meeting, Premier Farquharson told the story of the Irishman about to stand his trial, who, on being assured that he would get justice, exclaimed, "Bedad, that's just what I'm afraid of." The story has a much better application than that of Premier Farquharson. The Tarte-Laurier Government is on trial; and the Tarte-Laurier Government is just now thoroughly alarmed lest it should get justice from the people!

MR. GEO. T. MARTIN, barrister, of Chatham, has left the Liberal Association, by which he was elected delegate to the recent nomination convention. He advocates a change of Government. "There is going to be a great upheaval of the Liberals to the opposite camp," he says. "The discharge of one Government," he adds, "will be a salutary lesson to the other, and should the former be restored, it will know a good deal more than it did at first."

IN the West Durham Liberal convention Mr. Mulock told his hearers that Mr. Robert Beith, the Liberal candidate for the constituency, was Mr. Fisher's main adviser in connection with the Department of Agriculture. Whereupon the Montreal Gazette remarks that the chance for the West Durham electors is a great one : by defeating Mr. Beith they may, in the unlikely event of the Liberal Government being sustained, open the way to getting a good man to tell the Minister of Agriculture what to do."

MR. J. T. BULMER, of Halifax, said recently in an interview : "I helped them in—spent five weeks working for them, and if they had acted right would have spent ten to keep them in. The government is like a bad shanty, built of rotten pieces of wood, badly held together, and unable to suffer any contact with logic and common sense. It does not matter whether this pleases anyone or not; but I believe I voice the opinion of all independent men in demanding a change. If we can defeat them it will be a lesson to their successors which they will be slow to ignore."

MR. KENNETH MCKENZIE, a member of the Manitoba Legislature, has already been mentioned as in opposition to the Federal Government. He is very hot. He said, in an interview a few days ago : "I have stood for Liberal principles in Ontario for 27 years and in Manitoba for 31, but always had enough grit in me to be and act independent, and never was or never will be a tool to any unscrupulous rogues, just because they call themselves Liberals. The contest is not really between Liberals and Conservatives. It is between the people and the corrupt machine gang, who want to prostitute the Liberal party and to make it a party of knaves and fools for the use of robbers. It is a fight between the real Liberals and the machine gang, who have betrayed them, and who are now trying to humbug them."

"The Least Hair Casts a Shadow."

A single drop of poison blood will, unless checked in time, make the whole impure. Hood's Sarsaparilla is the great leader in blood purifiers.

It casts no shadow, but brings sunshine and health into every household.

Running Sore—"My mother was troubled with rheumatism in her knee for a number of years, and it broke out into a running sore. She took three bottles of Hood's Sarsaparilla and is now well. Hood's Olive Ointment helped to heal the eruption." MRS. JOHN FARR, Cloverlawns, Ancaster, Ont.

Rheumatism—"I was badly afflicted with sciatic rheumatism. Consulted doctors without relief. Was persuaded to try Hood's Sarsaparilla, and five bottles gave me relief and enabled me to go to work." WILLIAM R. ROACH, Margaretville, N. S.
