# C. And B. Come From Behind In Finals To Defeat Falcons 4-3

Three runs in the eighth inning which wiped out a 3-1 Charlottetown Falcons' lead, gave the Curran and Briggs baseball team from Summerside a 4-3 win over the Mentmen to go two games up in their hunt for the Island League title. The game, played on Memorial Field before a large crowd of fans, was in doubt right up to the final inning.

Benny Carson went the distance for the locals, limiting the C. and B. team to three hits while walking two and striking out ten batters. Joe Bernard was the winner for the construction crew. He relieved Alan Stewart, who started the game, in the fourth frame with none out. He allowed but one hit in five innings, walking one and striking out seven.

The locals opened the scoring in their half of the first inning when they scored one run.

In the top of the fourth Summerside tied up matters with a singleton but in the home half of the same inning the locals went to the fore with two tallies.

The top of the eighth saw the visitors score three runs when two walks, a hit, two passed balls, and three errors combined for their runs.

The locals put runners on base in their half of the eighth but could not get them farther than second base.

Gordie MacKay, right fielder for the winners, played a sparkling game and saved the day for the C. and B. team with a shoe-string catch off Merlin MacKenzie's drive in the eighth with runners on first and second.

Each team made but three hits during the long game. However, it was erratic fielding on the part of the locals that ruined their chances.

The next game in the series is scheduled for Summerside on Sunday.

# To Reorganize Glace Bay Hockey Club

GLACE BAY, N. S., Sept. 20 — (CP) — Re-organization of the Glace Bay Hockey Club tonight assured senior hockey for Cape Breton this winter.

A league meeting Monday night gave the club a midnight Wednesday deadline to give affirmative or negative reply as to their continuation in the three-team Cape Breton Senior Hockey League.

Inability of the club to continue would have meant disbandment of the Island League.

Tonight 14 of the Glace Bay club's original 20 executive members returned to pledge their support. Four new members were definitely added in a meeting that lasted more than two hours.

Definite starting date of League will be issued shortly and likely will be about Oct. 16.

SAINT JOHN, N. B., Sept. 20 — (CP)—Saint John Kinsmen won the New Brunswick junior baseball championship tonight, defeating Grand Falls Arrows 10-6 and taking the best-of-five finals 3-1. Kinsmen will play Halifax Nationals for the Maritime crown. The first two games are scheduled for Saint John Saturday and Sunday.

# Doctors Find Joe Louis In Good Fighting Shape

POMPTON LAKES, N. J., Sept 20 —(AP) —The stethoscope was applied to Joe Louis today and the former heavyweight champion was termed in his "best fighting shape since the war."

The official medical examination, conducted by Dr. Vincent Nardiello of the New York State Athletic Commission, was the next to last before the Brown Bomber meets Ezzard Charles at Yankee Stadium next Wednesday night for the heavyweight championship.

"Joe has a slight head cold but it's nothing to get excited about," said Nardiello, "no fever, no redness of the throat. Should be gone in 24 hours."

"Joe has a cold before every big fight," said Mannie Seamon the Bomber's long-time trainer.

Nardiello, who has been tapping the ribs of Louis and other fighters for 19 years, said the 36-year-old "unretired" champion was in his best physical and mental shape since 1942.

"He weighs 218, just about two pounds over what he hopes to hit when he goes into the ring," the medico said. "His waist, which was 35 inches, is down to 33. He's hard as a rock."

After the examination, Louis relaxed on the training table and answered the usual questions.

"I feel fine, much better than I did for both Walcott fights" he said.

"I don't think it'll go far—I'll get Charles or he'll get me.

"I've slowed up a lot but I can still hit as hard with either hand as I ever did."

"I've seen Charles in three fights. He's not as fast as Walcott (Jersey Joe) and he don't move around as much. He's a standup fighter. Won't be no question of catching him."

# Single Streak Wins Top Event At Truro Track

TRURO, N.S., Sept. 20 — CP)—Single Streak, classy brown pacer owned by Lahey and MacNeil of Dartmouth, N.S., paced the mile in 2.10 3-5 tonight to take the top event on the Truro Raceway harness racing card.

Single Streak won over such favorites as Miss Knox and Seven Up Direct. She did a repeat performance in the final event, this time in 2.11.

Seven Up Direct chased him to the wire in the first heat with Miss Knox all but nosing him out in the final run. The only double winner on the card, Single Streak was reined by Johnny Conroy.

O. K. Volo also turned in a smart race, beating Miss Donna Mae, the favorite, the first time out. The Springhill, N.S.-owned mare, however, came through in her second appearance with the Volo horse making a bid for it under the wire.

Daily double winners were Royal Tell and Clipper Dale, neither a favorite and both paid well to win.

Yesterday's game at Memorial Field saw the Curran and Briggs baseball team from Summerside come from behind a 3-1 Falcon lead and with the help of a few erratic local plays grabbed a 4-3 win.

• • •

Young Benny Carson on the mound for the locals had the visitors well in hand up until the eighth when he began to tire from the long drawn out game. He walked a batter to start things and the next batter hit, and the next one was safe on another Falcon error. A wild throw into centre field scored one run. Another walk followed by an infield out and another error and a passed ball scored two more runners to provide the winning margin for Joe Bernard, ace fireball artist of the C & B crew.

• • •

If Carson had been given better support he would have walked off with a well earned win. As it was he faced the hardest hitting team in the Island League and limited them to three measily singles. The win gave the Hogan coached crew a two game lead in the best three out of five series for the Island League's title. The C & B team are the defending champs.

• • •

Baseball playoffs in other sections are progressing along the line. The Provincial Midget series between the North End Midgets, Charlottetown titlists, and Summerside Kinsmen Midgets, champions of the Western section of the Province will open their playoff finals here Saturday morning. The youngsters will play a best of three series for the Physical Fitness Trophy.

• • •

Sunday could see the windup of the City Junior Baseball championships. The Knights of Columbus only need one more game to clinch the series over the Victorias when they meet the latter in the fourth game here on Sunday afternoon at Memorial Field. But it may not be as easy as all that. The Vics will be striving with everything they have to take that all important game and tie up the series. If that happens, it is going to be a real battle to a fifth and deciding game.

• • •

Members of the Parkdale Quoit Club, who are at present staging the Provincial doubles championships there, stated last night that they will hold a special "beginners" tournament for junior members commencing next Monday evening. Club officials said that the youngsters of the area have shown such a keen interest in the play carried out by the seniors during this year's activities, that they have decided to give them a chance to take up the game. The club will donate special prizes for the competitions, which will be all singles play.

"Wild Bill" Ezinicki, Toronto Maple Leaf rightwinger who failed to report to the Leafs' training camp, says he is tired — mentally and physically, states a recent report from Winnipeg. "I'm badly out of shape," he told interviewing reporters at a Winnipeg golf club where he has been professional all summer, "if I reported to camp right now I wouldn't be any good. I'll be better off just to hang around here for a while and take things easy."

• • •

Well, that answers a lot of questions that have been asked by hockey fans everywhere during the past few days when Leaf Manager Conn Smythe, in an earlier report from the St. Catharines training camp, started hockey fans wondering when he stated that Ezinicki had not turned up for training and probably had "bodychecked himself back to the fourth or fifth line."

• • •

Ezinicki told reporters "I want to give my best when I go back to camp. Right now I know I can't do that. I was underweight last year when I started out and I had a poor beginning. Maybe the club won't agree with me, but I need a rest. Hockey has become a year-round job," Bill stated, "it's a gruelling schedule and a player should take it easy all summer. I know I have been going at it too hard and now I am paying for it."

# Schuman Benefit Program Produces Smart Racing At Covehead Raceway

The thirteen heats that were run off at the Covehead Raceway yesterday afternoon, at a matinee harness racing benefit program for Clarence Schuman, Kensington, well-known and popular owner, trainer and driver throughout the Maritimes, produced an excellent program of keen racing entertainment for attending fans. The meet was sponsored by the Victoria Driving Club.

Just Nellie C. Baron, O. U. Volo and P. E. I. Budlong were the big race winners of the event. Just Nellie C. and O. U. Volo took the number one and number three classified events respectively in straight heats while P. E. I. Budlong dropped the first heat of the number four race to Shy Ann 2nd. but came on to take the second and third in driving style for race honors. The Baron had to battle strongly against Dan McElwyn and Senator Craigmyle in an extra heat before the race winner was decided in the number three classified.

In the opening heat of the number one classified Just Nellie C. driven by Wisner went away in front at the pole and was never headed although Hardroad Bill, Just K. and Gary D. pressed closely all the way to finish in a tight race at the wire, Hardroad and Just K. coming second and third respectively. The Dr. Seaman-owned horse lead the field again in the second heat with Gary D. and owner-driver Ed. Downe making a strong bid in a hard drive down the stretch for second place. Sister Verna placed third. The third heat was almost a repetition of the second around the circuit with all three horses finishing in the same order.

**Keenest Competition**

The number two classified was the event that produced the keenest competition for race honors. Dan McElwyn, owned and driven by Lem McNeal, Lt. Col. D. A. MacKinnon and his Baron and Senator Craigmyle with Teddy Weir handling the ribbons, took a heat each in that order to force the issue into a fourth and deciding heat. All four heats produced some terrific changing battles for the lead position around the mile course to finish in almost dead heats at the wire. Making masterful drives down the home stretch for his winning drives, Colonel MacKinnon really earned his race honors against the pressing drives of the rival teamsters.

The number three classified saw Harold Stead's O. U. Volo go away in front in all three heats and come under the wire a winner in each case, only once being headed by any of the other three entries in the race. Lily Marlene, handled by Charles Willis, headed the Volo horse in the third heat right to the upper turn going into the home stretch before Stead pulled his charge out for a winning drive to the finish wire. Rosalie Hooper and Lily also made it close going in the first and second, and made nice drives coming home but just couldn't head the Volo horse.

Shy Ann 2nd, owned and driven by Claude O'Brien, and P. E. I. Budlong from Middleton, N. S. waged some tight battles over the mile route in all three heats of the final race on the card. Shy Ann was the winner of the opening heat in a hectic finish at the wire to win by a head over P. E. I., but the Hankinson-owned entry from Nova Scotia was the top horse in the two final heats for race honors. All were very close finishes. In the final heat, Preston McIntyre's Miss Commando was right in the running right to the final stretch only to have P. E. I. nip her at the wire in an exciting climax to the race.

The meet was run off in excellent time without a false start being witnessed during the entire program by the presiding officials who were as follows:—

Starter (on gate)—Russell Abbott; Announcer, F. R. McLaine; Presiding Judge, D. K. McLeod; Judges, Roland Wood, F. R. McLaine; Timers, Harry Murphy, Stan Matheson, Dr. R. F. Seaman; Clerk-of-Course, Jack Fraser.

# Lund Retains Island Lightweight Title In Bout At Summerside

Buddy Lund of Charlottetown (130) retained his lightweight championship at Summerside Curling Rink last night before a crowd estimated at 300. Lund gained a unanimous decision over "Tiger" Steele (134 3-4) the challenger, in what was probably the closest match these two popular fighters have yet staged.

Steele, in spite of the fact that he had to take off eleven pounds to come in under the lightweight limit, showed no signs of tiring, and scored the only knockdown of the fight with a solid left hook to the jaw at 2.26 of the final round of a bristling ten-round go which pleased the cash customers who gathered to see the Legion-sponsored card. Steele seemed to have Lund slightly groggy in the tenth round but did not pursue his advantage and the champion rallied to slug it out with the Tiger in a fierce exchange just before the bell.

Steele did a lot of clowning throughout the slugfest but carried most of the fight to the champ, who had slightly the better of the close-in battling. Steele held decisive margins in the second, eighth and tenth rounds, the champion edging him in four of five of the others to gain the nod of the three judges.

Bud Ramsay (136) of Alberton scored a TKO over Bobby Gallant (137) after 2 1-2 minutes of fighting in the second round of a scheduled 6-round semi-final go Gallant's seconds threw the towel in the ring as Gallant was down on one knee in his own corner after absorbing a vicious pummeling on the ropes. Gallant's right jab kept him in the fight for a time but Ramsay's lightning rushes carried the Alberton flash inside Gallant's guard again and again and the Charlottetown fighter was obviously taking a lot of punishment.

Curley Heron (158) gave away too much height, weight and reach to Louis (Kid) Lafferty (165) and it was quickly clear that Heron, though game and willing to fight, was no match for the hard-hitting, shifty Lafferty. Heron was down for a nine count half-way through the first round and was plainly in a dazed condition as he regained his feet. Lafferty carried him for a brief time and when he started throwing punches again referee McCloskey stopped the fight. It was scheduled for four rounds.

Royce Durant (125) of Summerside also scored a TKO over his opponent and fellow townsmen, Peanuts Arsenault, (126). Arsenault fought well during a rugged first round which had the crowd cheering wildly at the bell, but a flurry of punches early in the second session had him in distress and he signified to the ref his inability to continue.

Lyman Arsenault, (110) of Summerside, pee wee champ of Prince County, gained a decision over Donnie Gallant (109) also of Summerside in the opening three-round match.

Officials—referees, Wilfred McCloskey and George Stewart (semi-final and final). Judges, Eric Sheen and Jack Wright. Timers, Jack Schurman and Gus MacDonald Announcer, Jim Hogan.—S.

# Yankees Cling To Slender Lead In A. L. Race

By Steve Robertson
Canadian Press Staff Writer

Brilliant pitching by Eddie Ford sensational rookie lefthander, enabled New York Yankees to hold their slender half-game lead in the tough American League pennant race Wednesday.

Ford pitched the Yanks to a 8-1 three-hit victory over the White Sox in Chicago for his eighth victory without a loss.

Detroit Tigers gained undisputed possession of second place by edging Philadelphia Athletics 6-5 while Boston Red Sox tumbled to third place. The Red Sox lost a doubleheader to the Indians in Cleveland, 6-3 and 7-1.

Here's the picture at a glance:

| | W | L | Pct | GB | GL |
|---|---|---|---|---|---|
| New York | 91 | 53 | .632 | — | 10 |
| Detroit | 90 | 53 | .627 | 1-2 | 11 |
| Boston | 89 | 55 | .618 | 2 | 10 |

Ford cruised to victory as his mates supported his classy pitching with an 11-hit drive and built up a 6-0 lead in the first four innings.

Bobby Brown led the Yank offensive with three hits. Gerry Coleman knocked in three runs on a triple and single and Cliff Mapes accounted for two on his 12th homer and a single.

The Tigers came from behind to clip the A's. The Mackmen piled up a 5-1 lead in five innings at the expense of Dizzy Trout but the Tigers clawed back with three in the sixth and won out with two in the eighth. Two hits, a wild pitch and error accounted for the Tigers' payoff runs. Ted Gray and Hal White held the A's to two hits in the last four rounds with White picking up the victory.

Bob Lemon and Early Wynn foiled the Red Sox. Lemon limited the Sox to seven hits in posting his 21st victory in the first game. Wynn permitted only five safeties in gaining his 17th victory in the nightcap.

Luke Easter and Larry Doby led Cleveland's nine-hit attack against Chuck Stobbs and two relief pitchers in the opener. Easter belted a two-run homer, his 27th and Doby drove in a pair of runs on two singles.

Joe Gordon was the big gun in the nightcap as he knocked in three runs, two on a home run Walt Dropo brought in the lone Red Sox run with his 34th homer in the seventh inning.

In the National League Philadelphia Phils moved a step closer toward clinching their first pennant since 1915 by dumping Chicago Cubs, 9-6.

Stout hitting by Mike Goliat and another fine relief job by Jim Konstanty turned the tide. Goliat socked two homers with his second arriving with two on in the eighth inning to win the game. Konstanty made his 68th appearance of the season and held the Cubs to two hits over the final 3 1-2 innings to earn his 16th victory.

# Sydney Man Wins Pro Golfers Tournament

SYDNEY, N. S., Sept. 20—(CP)—Bob Harvey of Sydney won the Maritime professional golf crown today at the Lingan Golf Club, defeating home pro Clark (Guinea) Knox 2 up in an 18-hole final round.

Harvey, unattached pro playing at the Lingan Club, won the 17th and 18th holes from Knox, Nova Scotia title holder and captain of the Maritime Professional Golfers Association, in a nip-and-tuck battle.

The youthful winner, who last year acted as assistant pro to Kas Zabowski at the Ashburn Club at Halifax, gave up an active golfing career this year to accept employment here. Earlier in the season he was runner-up to Knox for the provincial professional title.

Cecil Dowling, of the Green Gables course at Cavendish, won the 36-hole consolation round with a total of 149.

# A. L. Decides How Tie Will Be Settled

CHICAGO, Sept. 20 —(AP)—The American League decided today how it would play off a two-or a three-way tie in the close pennant race.

This was decided by coin-tossing at the office of league president Will Harridge:

If Boston ties New York, they will play it off at Boston.

If Boston ties Detroit, they will play off at Detroit.

If New York ties Detroit, they will play it off at New York.

In event of a three-way tie, Boston would play New York at New York. Detroit drew a bye and would play the winner of the Boston-New York game at the winner's park.

The playoff date would be Monday Oct. 2, if a single game is needed to decide the title, and Oct. 2 and 3 if two games are needed.

The World Series is scheduled to start Wednesday Oct. 4.

# Ford Wins Game On Empty Stomach

CHICAGO, Sept. 20 —(AP)—Eddie Ford, the phenomenal mound man of New York Yankees, won a big one from Chicago White Sox 8-1 today, virtually on an empty stomach.

Ford thought today's finale against the pale hose started an hour later than it did. As a result, he was yanked away from his hotel breakfast table after stowing away only a light portion of fruits.

The rest of the Yanks had left for Comiskey Park long before Ford, who had permission to show up late but not as late as he did.

Ford missed batting practices and barely got in his full warmup pitching.
