A Good Investment.

A MOST rare opportunity is here offered the Public, particularly Capitalists and Speculators, either in the Island or neighbouring Provinces. The Subscriber, now residing in the United States, hereby offers at private sale, either the whole or part of his REAL ESTATE in Prince Edward Island, consisting, in part, in some 50 VILLAGE LOTS in the Village of SUMMERSIDE, Lot 17, in which is included about 900 feet along the Shore of the Harbor of Bedeque, and which is laid out in WATER LOTS, and the front secured with a Breast-work of considerable expense, and on which is the best location in the Village for a Wharf. On part of these Lots stands Two DWELLING HOUSES, one STORE and WAREHOUSE, and one Carriage Factory

Immediately adjoining the Village is a FARM of about 90 Acres, 50 of which is under a good state of cultivation, and the balance well covered with a splendid growth of wood. There are also a large BARN, a small FARM HOUSE, Out Houses, a Well, and a large Spring of Superior Water on the premises. This Farm being situated on the north side of Bedeque Bay, and gradually descending south to said Village, rendering its location pleasant; and, as it commands a full view of the Straits, with New Brunswick in the distance, makes it a very desirable site for a residence; a large portion of which, however, will be required to supply the growth of the Village, and for Building Lots in the rear. This property is second to none in the Island. in point of beauty and for healthy locations. Much might be said of the many busines advantages, &c., of Summerside, and of its proximity to Shediac, the terminus of the Rail Road; but it is presumed an intending purchaser will make himself well acquainted with all such information before closing such a purchase.

ALSO is offered on Townships Nos. 15, 8 and 3, in Prince County some 550 Acres of LAND, and on Lot 25, two FARMS, subject to long Leases, paying annually £9 14s. currency. All this property will positively be sold, therefore, bargains may be expected. For Terms, and further particulars, apply to P. BAKER, Esq., Bedeque, or to Messrs. BEER & SON, Charlottetown, with whom plans of said Village Property can be seen, as also in the Registrar's Office.

DR. A. JOHNSON'S American Anodyne Liniment.

FOR the cure of Coughs, Colds, Influenza, Bronchitis, Asthma, Pain in the Sides or Breast, Rheumatism, Cramp in the Stomach, Spitting of blood, and all Lung Complaints. Manufactured by I. S. JOHNSON, Bangor, Maine.

DR. JOHNSON'S AMERICAN ANODYNE LINIMENT.

an entirely vegetable preparation, prepared and intended for Internal and External application.

The Inventor of this article was in the constant practice of medicine for 20 years, and by a long course of experiments upon the various diseases for which this Liniment is recommended, he became perfectly satisfied of its efficacy, and offers it with full confidence to the afflicted, as the result of his long experience and best efforts.

This has long been a standard medicine, and enjoys the singular privilege of being known and patronized by a large portion of the medical Faculty, wherever it has been introduced.

With the firm conviction that it is the best remedy of the present age for all diseases for which it is recommended, the proprietor offers his Liniment to the Public, not doubting that it will sustain the high reputation it has already acquired We do not affirm that this article is a cure for the ten thousand ills humanity is heir to; but let those who are afflicted with the following diseases, try it, and we can assure them, they will find relief.

Inflammation of the Bronchia or Bronchitis, Rose-Cold, Catarrh, Hard dry Cough, Whooping Cough, Hoarseness and common Cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise, Asthma, influenza, for Sore Throat and Weak Lungs, for Chronic Diarrhæa, caused by Rheumatism in the bowels, for Cramp in the Stomach, for Stranguary, Gravel and Stone, Blind Piles, &c.

Externally it will have the most happy effects, in all cases where any other Liniment would be used, especially for Rheumatic Affections, Chilblains, Chapped Hands and Sore Lips; it is a sovereign remedy for the bites of flies and other insects. There is nothing of equal efficacy to this for Horses and Oxen where they are carked, cut, bruised, strained or chafed by the harness, and it possesses more than double the power of any other Liniment.

Inflammation of the Bronchia or Bronchitis, for the cure of this disease it has been wonderfully successful. Those who had cases of long continuance have found permanent relief. S. D. Ward, Esq., (No. 10 Court Street, Boston) who had a case of three years' standing has kindly permitted us to refer to him in proof of the efficacy of this valuable medicine; also in the case of a Rose-Cold. This cold comes on when the flowers bloom in the spring, and continues till the leaves fall in Autumn—if this disease is not attended to in season, it ends in consumption. Take of the Liniment according to directions, and a cure will result.

Catarrh, and noise or confusion in the head may be cured by a faithful trial of this Liniment; drop one or two drops in each ear at night before going to bed, and take it internally according to directions.

In all Coughs, the Anodyne Liniment is a well known remedy, particularly for Whooping Cough, The first symptoms should be checked, and not the least difficulty will occur in the cure of this complaint. For children, half a teaspoon full of Liniment night and morning

This Anodyne Liniment for sore throat and weak lungs, that complaint so common in all countries, especially in this climate, stands unrivalled, and in every case, a complete trial will be marked by the most complete success.

The Blind Piles. The Anodyne Liniment has in a great number of instances of this distressing disease, made permanent cures. In connection with taking the Liniment internally, external application should be made.

The sale of this invaluable medicine is rapidly increasing, and the Proprietor can say with confidence that he has been, the favored instrument of giving relief to thousands of the afflicted and suffering. He earnestly solicits all who may be afflicted, to give this Anodyne Liniment a fair trial, satisfied that if taken with a full determination to test its utility, they will find relief.

JOHNSON'S CATHARTIC PILLS.

Sugar Coated, in Glass Bottles.

For the Cure of a great variety of Diseases, arising from the impurities of the Blood, and Obstructions in the Organs of Digestion.

These Pills may be used in all forms of Diseases, with the most decided benefit, and without fear of injury. Being of Vegetable extract, they do not cramp or rack the delicate frame or weak constitution, but will be found particularly useful, by stimulating the weakened and distempered parts into healthy action

The most delicate female, and children of the tenderest age, can take these Pills with perfect safety, and the most salutary results will follow Being coated with pure White Sugar, prevents that general aversion which most persons have to ordinary Medicines, for nothing but the taste of sugar is apparent when administered.

Married Ladies, under all circumstances, will find these Pills a safe, and in small doses, a mild cathartic.

The best time to administer these Pills is on going to bed at night, though they can be taken at any time beneficially; at night, however, they have a more general and universal influence over the whole body; the mind, body and nervous system at that time being in a quiet state, gives the Pills an opportunity to operate with the fullest effect upon the whole system.

They are an excellent article to be taken
In the Spring of the Year,
To Invigorate and give Tone to the System.

These Pills have a great advantage over other Sugar-coated Pills, in that they are put up in GLASS BOTTLES, well corked; consequently will keep for any length of time without injury, and are not affected by damp weather.

The Proprietor of these Pills has spared no expense in getting up an article that he trusts will meet the universal approbation of the public, and he does not doubt they will, when known, take a stand beside his well known and extensively appreciated AMERICAN ANODYNE LINIMENT.

They are purely Vegetable in their composition, are peculiarly mild, give no pain, yet efficient in their operation, and require no change of diet or confinement while taking them. They require only a trial, and need no puffing to recommend them. Price, 25 cents per bottle.

For sale at the Apothecaries' Hall, and at the Drug Stores of W. R. Watson and M. W. Skinner, and sold at all the Stores throughout the Island. Persons wishing supplies of the above Medicines, can be furnished at Proprietor's prices at the Drug Store of
