BUSINESS SOCIETY COPS ALPINE WINTER CARNIVAL TOURNEY

BUSINESS SOCIETY

alpine tourney

The wild and wacky 1st Annual Alpine Winter Carnival Tourney ended the way it started. It appeared the Soccer Panthers won the tourney after coming from behind from a 4-1 deficit to win 5-4 to force the final game in the double knockout event. Leading 4-1 the Soccer Panthers held off a Business comeback (4-4) to win 7-4. The Business Society won the Scott Holt Alpine Winter Carnival Tourney Trophy after a protest. The Soccer Panthers were caught for using ineligible players. The first round of the tournament looked more like old time hockey (Eddie Shore). The Rulers and Marian Hall were both ejected from the event after a bench clearing brawl with the score tied 3-3. Later on in the tourney, Blanchard Hall had to defeat the Engineers not once, but twice!

It appeared Blanchard Hall eliminated the shorthanded Engineers with a convincing 7-0 win. Both teams protested and won and they played it over again with the same result; Blanchard Hall winning 4-2. When all the dust cleared Business society will defend its Championship when the tournament is held next year. Following is the results:

- Game 1: Soccer 12 Arts 1
- Game 2: Engineers 4 Blanchard 2
- Game 3: Business 5 Vet College 2
- Game 4: Marian and Rulers both ejected
- Game 5: Blanchard 15 Arts 2
- Game 6: Soccer 8 Engineers 2

- Game 7: Engineers 5 Vet College 2
- Game 8: Business 3 Soccer 2
- Game 9: Blanchard 4 Engineers 2
