

BURGESS BEDTIME STORIES

By Thornton W. Burgess

BACK TO BED

He will in the best condition keep,
Who has the right amount of sleep.
—Old Mother Nature.

It was a funny meeting this winter night out back of Farmer Brown's barn. One was Bobby Coon. The other was Jimmy Skunk. Jimmy was stamping his feet and Bobby Coon was growling. Bobby was very much bigger than Jimmy, but Jimmy was not the one who backed up. It was Bobby Coon. "Don't you dare!" growled Bobby Coon. He backed a little more as he said it.

As everybody knows Jimmy Skunk is one of the most independent of all the folks of the Green Forest and the Green Meadows. This is because he is always prepared to meet any enemy who may threaten. Jimmy has a little scent gun that everybody respects, even great big Buster Bear. Jimmy never uses that little scent gun unless he feels that he must. But everybody knows he had it and will use it if he has to. That is why Bobby Coon, so much bigger than Jimmy, was the one who backed up.

"What are you doing out this time in the winter?" growled Bobby Coon.

Jimmy Skunk grinned. "I might ask you the same thing," said he. "I'm just looking around," said Bobby Coon.

"I'm doing the same thing," said Jimmy Skunk.

"Who waked you up?" Bobby wanted to know.

"The same one who waked you up, I guess," replied Jimmy Skunk.

"Then both grinned.

"Do you expect to stay awake?" asked Bobby.

Jimmy shook his head. "I don't expect to and I don't want to. I haven't had sleep enough yet. When I'm asleep I don't have to think about eating. When I don't have to think about eating I don't have to go hunting for something to eat."

"Right now, I wouldn't know where to look for something if I needed it," said Jimmy.

"The same here," replied Bobby Coon. "I woke up and couldn't get back to sleep again, so I decided I needed a little exercise and would look around."

"I guess," said Jimmy. "When I get back home I know I'll go right to sleep."

"By the way," said Bobby. "It is none of my business, but where are you spending the winter. I'm just curious. I'm spending it in a big hollow tree over in the Green Forest."

Jimmy Skunk's shoe-button eyes twinkled. They really did twinkle.

BACKACHE May be Warning

Backache is often caused by lazy kidney action. When kidneys get out of order, excess acids and wastes remain in the system. Then backache, disturbed rest or that tired-out and heavy-headed feeling may soon follow. That's the time to take Dodd's Kidney Pills. Dodd's stimulate the kidneys to normal action. Then you feel better—sleep better—work better. Get Dodd's Kidney Pills now.

CONTRACT BRIDGE

By Josephine Culbertson

ON DRAWING TRUMPS

In a great many deals the "normal" impulse to draw trumps must be stifled until a key side-suit is set up. The hand below is typical in that respect.

West dealer. Both sides vulnerable.

♠	A K 5 2	♣	Q J 8 6 4
♥	A K 7 6	♦	5 3
♦	Q 10 5 4	♠	9 7 2
♣	2	♥	4 3 2

The bidding:

West	North	East	South
1♠	Pass	1♥	Pass
2♠	Pass	3♥	Pass
3♠	Pass	4♥	Pass

Since South had considerable strength in the minor suits, which North could not know about, he was right in contracting for four hearts despite the weakness of his own trump suit. Actually, North could have had a little more for his bidding.

West got off to the best opening lead from his holding, the spade ten. Dummy won, and South
