Last Saturday night's race card at Truro drew a very large crowd. Great interest was taken in races 4 and 7 in which some of the fastest horses in the Maritimes took part.

Races 3 and 6 were won by Direct Mile (Mauger), owned by Loraine Letcher of Springhill, Mighty Deb (Gould) 2.4, Esso (C. Smith) 4.2. Time, 2.12%, 2.10%.

Charlotteville Raceway's program last Saturday night was considered an excellent one. It drew a large crowd and the time made in the free for all surprised everyone.

Trout, muskrats and ducks follow the beaver; and mink frequent places where trout are available. They also vary their diet with muskrat, mice, squirrels or rabbits. I have examined mink droppings dried in the sun that were nothing more than a mixture of fish of different shades, textures and colours.

Richelieu Park wound up its racing program on Sunday and the jesses are moving from there to the Blue Bonnets. Scotch Dean called "The Jet", gave a farewell salute by winning both ends of the \$3,000 pacing derby in 2.08 and 2.01, which is a new record for "The Jet". Laddie Seymour, formerly owned here, also celebrated the occasion by winning his race, the first on the program, in 2.10% which is a new record for Laddie. Before the season ends he will probably beat 2.10. Prince Macpacrat owned by R. J. Loque, Sydney, won at Riverview a few nights ago in 2.08%.

Those who have made entries in the Prince Edward Island Hares Racing Club's Futurity Coll Stakes are reminded that the second payment is due on or before Friday, July 1. Horsemen are reminded of the big program of races that will be held over the Summerside Raceway on the afternoon and night of next Friday, July 1. Dominion Day has been Summer-side's racing day for as long as the writer can remember and that goes back into the 1880's.

We do not need to say very much about tonight's races at Charlottetown. The entries have been in the press and everyone can see that if we had a program equally as good as last Saturday night, which was pronounced one of the best in a long time, the free for all will have practically the same starters as last Saturday night when the fastest time was made—2.09%. If conditions are good we look to see that time shaded.

James Flood leaves this morning for Roseville Raceway where he will visit his daughter and son-in-law, Mr. and Mrs. Joe O'Brien.
