

No Chance Of The Dodgers Returning To Brooklyn

COLORADO SPRINGS, Colo. (AP)—President Walter O'Malley of the Los Angeles Dodgers gave an evasive reply Friday to a point-blank question whether there is a possibility of the Dodgers returning to Brooklyn.

"No," was O'Malley's immediate reply. "There is no chance of the Dodgers returning to Brooklyn."

Then, as if reconsidering, O'Malley quickly added: "Let me put it this way: It is not probable, but it is possible."

The hurried club owner, on the way to attend a National League meeting, appeared more disturbed than he cared to admit about developments in Los Angeles. It is now official that the land deal between the City of Los Angeles and the Dodgers must be approved by a vote in June. A special election is called earlier in the spring.

Sufficient signatures were obtained on a petition to force an election which would approve or block the city plan to swap 300 acres in Chavez Ravine for the lot on that site. The success of the petition came as a huge disappointment to him.

Asked to comment on a report he had said the Dodgers might be back in Brooklyn in 1959, O'Malley said: "I don't know."

"The story was blown up by the yellow press," he said. "I have every hope and belief that the Dodgers will be able to do all of the things we want to do in Los Angeles, including building a stadium."

"I have the utmost confidence that the people of Los Angeles will show their support at those special interests which are behind the referendum."

THE WEEK AT S.D.U.

Campus Activities Cease Under Pressure Of Exams

Campus activities, which had been in high gear during the past couple of weeks, had slowly bogged down. What had been a scene of perpetual motion now a scene of ominous forbidding silence, and the only explanation for this melancholy state of affairs is the impending examinations. There was a mid-burst of activity though before all succumbed to the perennial Examinations.

S'ide Aces Score 8-4 Win Over Amherst Team

The Summerside Aces, short three defencemen, defeated the Amherst Ramblers at Civic Stadium last night by the score of 8-4. Playing without the services of Paul Schurman, Enstace, Reeves and Frank Steele, the home boys played their best game of the young season, and having the hard hitting Nya Scotians check for check, held them even at 1-1 in a fast first period, went ahead by three goals in the second frame, which ended 5-2, and after two quick goals scored against them in the first three minutes of play in the final period, rolled back to score three more of their men to lead the Ramblers by a four-goal margin at the end of play.

Coke Grady led the Amherst team with 3 goals, followed by 2 and Gallant, Ciove and Hughes had one each. Mullins, Gaultier and Polley scored the Amherst tallies.

Coke Grady got the opening goal half way through the first period, poking the disk into the cage from goal-mouth on a relay from the corner by Harris. Belliveau, scored it up with three minutes to go.

Coke Grady got his second at the 11 minutes mark in the middle session scoring on a difficult lateral shot from right wing, with Howard Acting as deceiver in front of the net. Billy Hughes, after being robbed on two occasions by brilliant stops by Tuffy Steeves finally hit pay dirt and related it near to Hughes, whose sliding shot found behind the disgraced Steeves. Elvie Gallant got a smart goal a minute later, steering Vance Harris' slap shot into the cage. A minute after Polley scored for Amherst after a wild melee in front of the ice cage and Howard ended the scoring for the period with 35 seconds left going in alone and pulling the goalie out

to push the puck into the net. Two quick goals by Mullins and Gaultier of Amherst put the visitors right back in the game. At the beginning of the final frame, Coke Grady completed his hat-trick, making it 6-4 on Amherst. Gaultier, Pawley 2-5, 0 Aces, C. Grady, Shepherd 12-15, 11 Aces, Ciove, Shepherd, Trainer 13-9, 12 Aces, Howard 17-14, 11 Aces, Penalties, Gaultier, U. Gallant.

Down The Back Stretch

George C. Kilson, New Williston, is now the owner of Holly Harvester, by Simcoe Harvester, 2,04 1/4, grand dam Holly Bird, by Great Britain, 2,02 1/2, the recently purchased this excellent brood mare from H. L. Monaghan, Sydney, N. S. She was bred in August, 1956, to Abner T. Cleeg, 2,04 1/2, and has a very beautiful filly foal which is a full sister to Captain Morgan, 2,12 2/5. The filly will be the property of Mr. M. A. O'Connell of Sydney, and we look forward to seeing her as a top performer on Maritime tracks in future years.

Among the information we have received this week, from Ingham Palmer, race secretary at Saint John's Colbrook track, is that Mildred Carr, Gardiner, Cree, N. B., and Jimmy Lang, Gagetown, N. B., are tied for points as leading race winners at Saint John track this season. Both have 37 wins. Mildred Coughlan has 35, Kirkpatrick 26, Art Hamilton 25, Aubrey Wood 24, Tom Seawell 22, Les Quenon 20, Norm Andrew 16, Curry Wood 15, and well Murrays 14.

Both tracks took new records, and 16 horses reduced their records. The track racing record was lowered to 2:08 by Kahla Boyd, driven by E. Kirkpatrick on Oct. 11, and the trotting record was lowered to 2:12 by W. C. C. on the Brooks, driven by W. Carr. The former trotting record of 2:12, 15, made by Nell Kalkmick, 2:08 1/5, on August 19, 1953, driven by J. Cochar. The above is just a sample of the information which will be found in the Maritime Harness Racing Review for 1957, which is being compiled and will appear in this paper later.

HUNTER'S CORNER Weather Was Kind To Goose Hunters This Week

We should feel that we have been exceptionally favored when passed by the snow storm that disrupted the New England States and a portion of the Maritime on Thursday and Friday. The weather was just what we needed to get a start on the crisp, cold weather we have experienced on Thursday and Friday in a week the reverse of what appeared to be in store for us. For one thing it gave goose hunters an opportunity to have a last try at the wilderness before the curtain rains down on Monday evening. Still, the shooting hit a new high since December's cold snap. The big Canada geese have been flocking to the fields where plum berries of mainly grain await the plucking of the birds.

They are paying a heavy toll in their numbers. It is estimated that they are also being shot as a large portion of the old grain fields have been plowed. In some
