GRAIN

WINNIPEG, Sept. 8 - (CP) - Further good export demand appeared in barley today on the Winnipeg Grain Exchange, with Germany taking two cargoes in overseas business. There also was evidence of shipping purchases in barley. Oats attracted aggressive demand from American shipping interests. Prices of both grains showed a firm undertone. Offerings were light in the nearby contracts but more liberal in the deferred months. Flax and rye received outside support. Rye showed modest advances. Some nervousness was created by the unsettled situation at the lakehead. Export loadings of Canadian wheat included 200,000 bushels to the United Kingdom, 140,000 to medium, 675,000 to Germany, 75,000 to Switzerland and a small parcel to France. Prices of class two wheat were up one cent from Friday. I.W.A. prices remained unchanged. Closing prices: Oats - Oct. 84 1/2, Dec. 82 1/2, May 82 1/2. Barley - Oct. 1.35B, Dec. 1.25 1/2, May 1.23 1/2. Rye - Oct. 1.76 1/2, Dec. 1.78 1/2, May 1.84 1/2. Flax - Oct. 3.30, Dec. 3.27 1/2, May 3.90 1/2.
